American Olympic Athletes Putting in Some Training

SWIMMING TANK BURST WITH WATER

Two Stowaways Have Been Found on the U. S. S. Princess Matoika

On Board the U. S. S. Princess Matoika, July 27 (By Wireless to the Associated Press)—Perfect sailing weather to-day permitted the members of the American Olympic team to settle down into their 11-day training routine. A 70-yard cork sprint track has been laid on the upper deck, and punching bag stands and wrestling mats have been placed. There is a canvas swimming tank on the lower deck, but filled with sea water to-day it split under the strain and will have to be repaired.

The sprinters practiced starts and dashes in the forenoon, while the distance runners circled the lower deck many times this afternoon under the eyes of their trainers. The wrestlers, boxers, fencers, shot-putters and tug-of-war men worked out under the direction of the respective coaches. For the balance of the trip, the training calls for twice-a-day sessions when the weather is fair.

Owing to the heat of the lower decks, first place winners in the try-outs for Marathon runners, cyclists and sprinters have been transferred to the sick bay and upper deck cabins by consent of the transport officers. This change is much appreciated by the athletes and team officials.

Dress and competition uniforms were distributed this evening. They consist of a blue flannel coat, a cap with an American shield, white flannel trousers, white shoes, white jersey shirts with embroidered shields and white trunks with red, white and blue seam bands and border.

Two stowaways have been discovered aboard the transport. One of them is John Morton of Toledo, who was also a stowaway on the Finland when the American Olympic team sailed in 1912. At that time he was made mascot of the team. Norton hid in a stateroom shoe chest of the Princess Matoika from Friday to Monday. He has now signed as waiter on the transport and will accompany the team to Antwerp. The sea is smooth and there is no sickness aboard.

JONES BROS.' TEAM WON BY 12 TO 8 SCORE

Burnham's Meadow Mine Gave a Good Argument During First Part of the Game.

Jones Bros. baseball team yesterday "rimmed" their Burnham meadow rivals at Lincoln campus by a score of 12 to eight. The game was loosely played by both teams, a majority of the runs on both sides resulting from the numerous misplays. Pariezo's three-base drive to the schoolhouse steps in center field was the feature of the game. Jones Bros. scored for the first time in the first inning. Riccarella was passed and stole second. Parks grounded out, second to first. Riccarelli taking third on the play, and scoring a moment later when King dropped Bottiggi's fly. Bottiggi stole second and crossed the plate on B. Starr's liner past first. B. Starr took third on his brother's single over second, and both counted a minute later when Broderick shot a fast one past short.

In the third Jones Bros. garnered four more tallies, all of them because of loose playing on the part of their opponents. B. Starr singled to right and went to second on his brother's hit through second. Pariezo made a wild pitch, advancing each of the brothers a notch. Broderick shot a fast one to Louis, who fooled around quite a bit with it, and then threw wild to the plate to catch B. Starr. W. Starr also counted on this play. Massie was hit by the pitcher, and shortly afterwards they both scored on a single by Mudgett and a wild throw by the catcher to stop Broderick at third. This completed the scoring for this inning.

Burnham's meadow scored three in the first, after two were out. Young was safe when Broderick dropped the throw. Grieg tripled to right scoring Broderick, and later scored on Louis' single over first. Louis stole second and third without trouble and scored when Parks bungled Pariezo's grounder. The fourth saw another cluster of three counters chalked up for Burnham's team. Ironside clouted a two-sacker to left after one was out. Keefe struck out. McMahon reached third when Dineen dropped his fly in deep right, allowing Ironside to tally. McMahon crossed the plate at third when the throw to catch him went past Bottiggi. Louis' single past first scored him, and the fireworks were over until the sixth.

Burnham's meadow tied the score in the sixth. Young doubled to right. Louis walked. Young stole third and on the throw to catch him, Louis went to second. Both men were safe all around. Grieg had struck out just before this. Pariezo hit the schoolhouse steps, scoring Young and Louis, but was caught at the plate when he tried to stretch the wallop into a circuit drive.

In the last of the sixth Jones Bros. settled the game beyond any manner of doubt. Riccarelli walked, and stole second. Parks also took a free trip to the initial sack. Bottiggi slid a fast one past McMahon, scoring Riccarelli. B. Starr got hit third hit of the game, a double through center, which scored Parks and sent Bottiggi to third. W. Starr and Broderick were both out. McMahon to Keefe. Massie singled over third, and Bottiggi counted. Mudgett pushed one out to center and B. Starr romped home. Massie was forced at third by Dineen, making the third out. The game was called at the end of the seventh inning by agreement.

W. Starr, pitching for Jones Bros., deserved better support that he got, but, for the fact that he was in excellent form, the result might have been considerably different.

GERMANY WANTS TO TAKE PART

In the Proposed Conferences Between Allies and Soviets

FOREIGN SECRETARY SIMONS ASSERTS

Declares Allies Would Otherwise Be Building a House of Cards

Berlin, July 27.—That Germany should be represented in the proposed conference between allied and soviet representatives at London was the opinion expressed to the Reichstag today by Dr. Walter Simons, German foreign secretary.

"I am now curious to see," the secretary declared, "whether in the negotiations soon to begin on the eastern question between the entente and soviet Russia, the entente again will make the same mistake as at Versailles, when it undertook to solve there the eastern European question, namely that of proceeding without Germany. If that should happen, then eastern peace will become a house of cards, much more unstable than the peace of Versailles ever can become."

There Is "Class" in Clothes

One suit of clothes at \$50 and another suit of clothes at \$50 may easily not be in the same class.

Even if they are made of the same materials—but made by different makers—they can be so different that one would give distinction while the other would be no more than commonplace.

The tailoring of Hart Schaffner & Marx clothes is such that you can be assured of your suit being in the "distinguished" class. It looks well, sets well, wears well.

Save Money—Put Goodyear Tires on Your Small Car

Avoid disappointment with tires made to be sold at sensationally cheap prices by using Goodyear Tires built to deliver maximum mileage at minimum cost.

The high relative value built into Goodyear Tires of the 30 x 3, 30 x 3½ and 31 x 4-inch sizes, results from the application of Goodyear experience and care to their manufacture in the world's largest tire factory devoted to these sizes.

Such facts explain why more cars, using these sizes, were factory-equipped last year with Goodyear Tires than with any other kind.

If you drive a Ford, Chevrolet, Maxwell or Dort, take advantage of the opportunity to enjoy true Goodyear mileage and economy; equip your car with Goodyear Tires and Heavy Tourist Tubes at our nearest Service Station.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread, \$23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread, \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30x3½ size \$4.50 in waterproof bag.

THREE DAYS from town.
THREE CHANGES of trains,
INCLUDING A ride,
ON A dinky little,
NARROW GAUGE line,
THEN FORTY miles more,
IN A silver,
TILL THE country road,
PETERED OUT, and stopped,
THEN BY canoe,
THROUGH wooded streams,
TILL FINALLY at the lake,
I MET my guide,
AND WE made camp,
THE GUIDE was native born,
A CHILD of the wilderness,
WISE IN wood lore,
AND THE craft of camps,
BUT ABLE neither,
TO WRITE nor read,
BUT WHEN at night,
BY THE camp fire,
THERE IN the heart,
OF THE "forest primeval,"
AND A hundred miles,
FROM HAUNTS of men,
I GAVE him one,
OF MY cigarettes,
HE LIT it, drew deep,
SMILED AND said,

"SATISFY" just fits Chesterfields. There's something in their mild smoothness that goes right to the spot. Choice tobaccos, Turkish and Domestic—a blend that literally can't be copied—a glassine wrapper for their extra protection. On every count, Chesterfields "satisfy."
