

LYMAN WILL SURRENDER

Assistant Paymaster of U. S. Navy Tired of Being Fugitive

CLAIMED HE WAS ROBBED OF \$13,000

He is Charged With Stealing \$25,000 of Government Money

Boston, April 9.—Lieutenant Joseph J. Lyman, assistant paymaster of the U. S. S. Chester, whose disappearance from the Boston navy yard several weeks ago was followed by the discovery of a shortage of \$25,000 in his accounts, has been found by a Boston Post reporter, according to a story printed in that newspaper to-day. He will surrender himself, the newspaper says, to the United States authorities to-day.

Lyman is alleged to be in destitute circumstances and unable to obtain work. He is quoted as saying that he was robbed of \$13,000.

"I am glad to return," the interviewer quoted him, "I want to see my wife and babies. I know they will stand by me. I have been ready to go back for days but have no money."

"The amounts involved have been

A MOTHER'S EXPERIENCE

West Buxton (Me.)—Read of Mrs. Arthur Campbell's painful experience. "I am a mother of five children. My little girl two years old was so sick with fever she lay just as if she were dead for two weeks. I started giving her Dr. True's Elixir and she began to gain at once. Now I would not be without it. I feel very grateful to you."

No doubt this child had some stomach trouble due to worms. Scores of children have worms and their mothers don't know the trouble. Common symptoms of worms: De-ranged stomach, swollen upper lip, sour stomach, offensive breath, itching of the nose and rectum, dry cough, grinding of the teeth, little red points on the tongue, slow fever. Dr. True's Elixir has been faithfully used in its duties as a family laxative and Worm Expeller since 1851.—Adv.

RESERVISTS ARE NOTIFIED

To Be Ready to Report on Emergency Call in Great Britain

WHEN BIG STRIKE STARTS TUESDAY

Hundreds of Thousands of Workers Are Expected to Go Out

London, April 9.—Government preparations for meeting the emergency created by the threatened walkout of hundreds of thousands of workers next Tuesday midnight were speeded up this morning. Although there was little evidence of these activities noticeable, all reservists were under instructions to report at their "places of joining" without waiting for individual notice from the authorities.

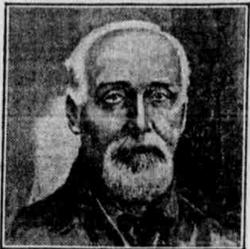

The government's proclamation calling up army and navy reserves for service during the strike included "loyal citizens, including those serving with territorial forces, capable of bearing arms and between the ages of 18 and 40 to report at the nearest territorial drill hall for the purpose of being commissioned or attested for temporary military service with the regular army in new units called 'defense units'."

Parliamentary labor party leaders and the executive committee of the trades' union congress held a conference in the House of Commons to-day.

It was believed the conference would determine whether a special session of delegates of the congress should be convened, at which the attitude of affiliated unions, with a membership of more than 6,000,000 workers, toward the triple alliance strike might be decided.

WEAK KIDNEYS MADE STRONG

And Backache Stopped After a Short Treatment with "FRUIT-A-TIVES"

MOSES MURPHY

Moretown, Vermont, March 27th 1918. "I am warranted in having the strongest faith in 'Fruit-a-tives' after receiving such wonderful benefits from them. For years, I was a sufferer with Kidney and Liver Complaints. My back ached; my liver was sluggish; and my whole system seemed out of order.

'Fruit-a-tives' was the only remedy to help me. They strengthened the kidneys, made my bowels move regularly and freed me of all the distress caused from the kidney trouble, constipation and indigestion. A few weeks' treatment with 'Fruit-a-tives' made me feel as if I had a new lease on life, and I am glad to make known the great value of these Fruit Liver Tablets."

Commissioner Sheldon Is Now Working on a Plan

STATE AND LAND-OWNERS TO JOIN

Official Told Brattleboro Audience of the Proposal

Brattleboro, April 9.—State Fish and Game Commissioner Harold P. Sheldon of Montpelier gave last night his first public address since his appointment to that office, at the annual meeting of the Windham County Fish and Game club, held in the chamber of commerce rooms here. In spite of rain and of short notice that Mr. Sheldon was to be here about 50 persons attended the meeting.

Mr. Sheldon outlined a plan which he and the former commissioner, Linus Leavens, and County Warden E. H. Metcalf of this place had been working on yesterday, which he said was the first plan of the kind in the United States so far as he knew, and for which he gave the credit to former Commissioner Leavens. He said he would undertake to carry it out on a large scale if experiments prove satisfactory.

The plan is to secure the cooperation of the state and the owners of land through which trout waters flow, and the first experiment is to be made on Athens brook in Athens, which Messrs. Sheldon, Leavens and Metcalf visited yesterday. The head waters and feeder to the brook are to be stocked and posted by the state and are to be kept open to the public. That part of the brook which flows through his land, will post his land and will have the sole privilege of fishing on his own land in the open season, except that he may give permission to his friends to fish on such land. Only those sections which the farmers do not stock and post will be open to the public. The farmers signing the agreement must put in either 1,000 fry or 300 fingerlings every year for each half-mile of brook in their land.

Mr. Sheldon said he intended to establish a game preserve in this corner of the state, possibly in connection with the Vernon trout rearing station. Harold W. Mason of Brattleboro was elected president of the club.

EAST BROOKFIELD

Wallace Austin's House Burned Last Week—Some Goods Saved.

The dwelling place on the Bigelow farm, now owned by Wallace Austin, was destroyed by fire last week Wednesday morning, the alarm being given about 3:30 a. m. The chimney burned out Tuesday night about 6 o'clock. When the family retired, the chimney seemed cool, but they were awakened by crackling sounds and on investigation it was found that the chambers around the chimney were on fire. Nearly all the goods and furniture on the ground floor were saved, but nothing on the second floor could be saved. The house was built in 1804 by Barney Bigelow, who at that time lived in the ell part of the Harrington house.

Schools in this part of the town began this week, after the Easter vacation.

Morton Martin began work for Oscar Lamson April 1.

A son was born March 22 to Mr. and Mrs. Henry Boardman.

Miss Margaret Bell from Burlington is working for Mrs. Frank Lamson.

Mrs. Julia Peabody has gone to Boston to visit her son, Frank Peabody, and family.

Miss Anita Dutton had a party last Saturday evening.

A surprise party was given Harold Davis last week Tuesday evening to assist him in celebrating his 19th birthday.

Wallace Austin and family have moved into the Hixon tenement and W. O. Austin and family into the Banister tenement.

Card of Thanks.

We wish to sincerely thank all who assisted us at the time of our fire and for all aid and gifts since.

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Quinly's Health. Now She Does Her Housework

Shelbyville, Mo.—"I was only able to do light housework because for months my periods were excessive. I had seen your medicine extensively advertised and thought I would give it a fair trial. I took about eight boxes of Lydia E. Pinkham's Vegetable Compound Tablets according to directions and I feel like a different woman. I have not taken any medicine during the past three months and I believe my ailment is cured. I am now able to do all my housework and attend to my poultry and garden. If you feel that my testimonial will benefit anyone you are welcome to use it in your advertisements."—Mrs. L. D. QUINLY, R. F. D. No. 2, Shelbyville, Mo.

Lydia E. Pinkham's Vegetable Compound makes women strong, healthy and able to bear their burdens and overcome those ills to which they are subject.

Tire Building Without Skimping

When we visited the Brunswick Tire factory, in our search for a proper offering for critical motorists, we were impressed with the over-caution displayed to assure perfection.

Yet this is a part of Brunswick ideals, and you would be equally impressed. You would insist on The Brunswick if you were as familiar as we are with its making.

BRUNSWICK TIRES

We investigated dozens of tires, we tested them and obtained records from others. And among them all The Brunswick won. And that is why we chose it.

If you seek the utmost for your money, we invite you to become better acquainted with The Brunswick and our services.

We are ever anxious to point out Brunswick superiorities.
