A Bright Welcome

A brightly lighted home radiates hospitality. It says, "We're glad to see you," to every guest.

NATIONAL MAZDA LAMPS

can give your own home this cheery appearance. It will cost so little to wire your home that you surely need not deprive yourself of the help and convenience of electric service any longer. And there's no expense to you in having us make an estimate. We will do it to-day if you say so.

The Electric Store

HAMEL BROS., TEL. 205-R

Better Bread---Electrically

People who have tasted Bread baked in our electric oven go far out of their way to get it again. You may think that "heat is heat", and that one kind of fuel will heat an oven as well as another, but listen:

An electric oven is perfectly clean. No air enters it during the time the bread is baking. No dust or dirt is drawn in to settle on the bread to affect the taste or appearance of the product. No fumes or gases are formed to contaminate. Very little moisture is lost. Every woman knows how desirable this is, so we can give you bread that looks better, tastes better and is better.

Come out of the kitchen and use our doughnuts instead of standing over a hot stove frying them yourself. We use the same pure ingredients that you use and they are fried in our pure kettle rendered lard, the same kind that we sell you.

Lester Webster of 97 Washington street left for Montreal yesterday afternoon to make an indefinite stay with relatives.

Howard F. Wellman, a representative of the Southern Pacific railway lines, arrived in Barre yesterday for a few days' visit.

A. C. Mason, secretary of the Vermont Accident Insurance Co., was in Barre yesterday to consult local agents on business matters.

Miss Lena Dugli of Buffalo, N. Y., is the guest of her aunt, Mrs. Harriet Lange, while enjoying a two weeks' vacation in this city among acquaintances.

Woman's club members, please do not neglect to pay your club dues. Send check or hand money to the treasurer, Mrs. Alexander Smith, 25 Keith avenue.

Miss Inez Maherlin of 5 Foss street has resumed duties at the local telephone exchange after enjoying a two weeks' vacation with relatives in Brooklyn, N. Y., and at Highgate Springs, camping.

Louis Blann, a train dispatcher of the Chicago & North Western railroad in Stockton, Ill., with his wife and son, William, is spending part of his annual vacation with his father, Thomas J. Blann, of 53 Hill street.

Mrs. Elizabeth Bugbee and son, with her mother, Mrs. Myrtle Bugbee, and sister, Miss Evelyn, a nurse at the Massachusetts General hospital, who is passing a vacation in Barre, leave today for Highgate Springs, to remain a week or two at the Bear camp.

Hundreds and hundreds of Barre motorists are rather skeptical on the advantages of a cord tire because they believe a cord tire cannot be repaired. Yet they are being repaired every day at the Hastings vulcanizing shop at 371 North Main street.—adv.

Mr. and Mrs. Homer C. Ladd and two children, Leslie and Gwendyth, and William Clark have returned from a motor trip to Quebec and a boat trip up the Saguenay river. Rev. and Mrs. F. O. Hoberk and their guest, Mrs. L. W. Devendorf of Herkimer, N. Y., who also went on the same trip, continued on to the Thousand Islands.

Manager Allan Johnston of the Barre Legion baseball team was informed by a letter this morning that the Randolph club would be unable to appear here Thursday afternoon for a game, it being impossible to get the team together for a mid-week game out of their own town. Therefore, there will be no game Thursday afternoon as advertised.

Carroll's orchestra went to Highgate Springs by train this afternoon to play at the Springs casino for the regular weekly dance. There the team will be joined by the leader, Arthur Carroll, and his bride, who have been touring the lower part of Canada by automobile. The orchestra goes to Greensboro pond from Highgate and on Friday to Plymouth, N. H., returning to Barre for the regular Saturday night dance. The weekly concert by the Barre City band played at the city park last evening attracted one of the largest crowds of the season. Time and again the band was given good applause for the execution of the various selections, but as time passed so quickly the band could not comply with the audience's requests for encores; and when they played over an hour, two numbers, proving the most pleasing were the selection from "Faust," familiar to every music lover yet always welcome when well played, and the other the popular songs selection by Brockton.

In a letter to a friend in this city, Americo Polli, now with the Saranac Lake baseball nine in New York state, informs him that the secretary of the Washington Senators has been corresponding with him relative to his success in baseball. He also requested that Polli keep him informed as to his playing for the remainder of the season. Since joining the Saranac team Polli has won each of the three games he has pitched up to the time of writing the letter, and in the game with the Syracuse team of the International league had shut out his opponents. He also pitched victorious ball against St. Regis and Malone, N. Y., both fast ball clubs. Polli, as nearly everyone knows in Barre, has been a twirler of sterling quality in every class he has been from the time of his sandlot playing, and only this season showed up remarkably well against some of the best preparatory school teams and freshman college teams in New England.

About forty people, including members of the Williamstown Birthday Social club and friends and relatives in this city, met last night at the home of Lucian Flint on Summer street to celebrate his 34th birthday, and also the 21st birthday of his cousin, Harry Flint, of Williamstown. The party was a complete surprise to both, and was very successful. Members of the club sang several songs and Miss Clara B. More gave a vocal solo, while Miss Ruth Flint, daughter of Mr. and Mrs. Lucian Flint, entertained with a piano solo. Games and cards were later enjoyed, and refreshments of ice cream and cake were also on the program. The gathering broke up at about 12 o'clock and the visitors motored back to Williamstown. Mr. Flint was formerly a member of the Social club and a resident of Williamstown, so the party was all the more enjoyable.

Announcements have been received of the birth of a son, W. Howard, weighing eight pounds, July 9, to Mr. and Mrs. R. N. Mathews of Bristol, Pa. Mrs. Mathews will be remembered as Miss Margaret Catto, a teacher in the public schools, and daughter of Mrs. Catherine Catto of 24 Sheridan street.

The N. D. Phelps Co. baseball nine was defeated, 8-5, by the Williamstown team on the latter's home grounds last evening. Augmented by several Barre players, the Williamstown nine made the contest a very interesting one for the local fans, and though but six hits were made off the two pitchers of the Phelps nine three of the six went for home runs. Polli of South Main street driving out two and D. Murray another. Peter Giacherio also connected for a nice three-base hit. The batteries for Phelps' club were Eastman, Halvosa and James Webster; for Williamstown J. Murray and D. Murray of South Main street of this city.

Regular meeting of Women of Mooseheart Legion, No. 498, Thursday night, July 14, in K. of P. hall. Meeting at 7 o'clock; collector will be at hall at 6:30 to receive dues.

Regular meeting of council 253, L'Union St. Jean Baptiste d'Amerique, Wednesday, July 13, at 7 p. m. Members are requested to attend.

SOME KNOWN FACTS ABOUT RHEUMATISM

There are many things that are still unknown about rheumatism. The treatment is still far from satisfactory. Doctors realize this but nobody is more fully aware of it than the sufferers themselves.

A tendency to rheumatism once established, the pain often returns with every change of weather, showing that the poison is still in the blood awaiting favorable conditions to become active and cause trouble.

One fact is known and acknowledged by all medical writers and that is the rapid thinning of the blood when the rheumatic poison invades it. Building up the blood is the best remedy for rheumatism as the enriched blood is able to overcome or throw off the poisons of the disease. For this reason rheumatic sufferers should be interested in the success which Dr. Williams' Pink Pills have had in the treatment of this painful disease.

A book, "Building Up the Blood," will be free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. It contains directions regarding diet, baths and hygiene for rheumatic patients.

Dr. Williams' Pink Pills are sold by all druggists. Price sixty cents per box.—Adv.
