### WATERBURY

Cards were received Wednesday morning announcing the marriage of Miss Agnes Mildred, daughter of Mr. and Mrs. Charles I. Robinson, to Merion Alton Holmes, son of Mr. and Mrs. C. C. Holmes, at the Methodist parsonage June 18. It is said that only the mothers of the contracting parties knew the secret and that the father of the groom was informed by an announcement on his plate at the breakfast table. Each has been going their way and the community has been waiting for news of a wedding. Evidently

they were afraid of their friends and of the treatment they might receive. The bride had probably one of the prettiest and most unique wedding gowns of anyone in this town for years. It was made of pina cloth which the bride's brother, Corporal Frank Robinson, brought from the Philippines. It was beautifully embroidered and was choice indeed. Both young people are very popular. The bride was educated in the public schools in Stowe and the Waterbury high school and has been most efficient in the telephone office and for five years has been night operator. The groom was educated in the schools

of Montpelier. Montpelier high school and during the war served in the navy, being executive in the band. It is said that after being in camp the happy couple will reside in the Conway tenement. Best wishes of hosts of friends are extended to them.

Miss Emma Grount, who is taking nurse's training at Howard, R. I., has been having a week's vacation, which she has spent with her parents on Blush hill.

A daughter, Harriet Rhodes Morse, was born to Mr. and Mrs. Charles Morse Wednesday.

The storm of yesterday, added to the heavy rain that had already fallen served to wash the roads, which in some places were badly gullied.

Mr. Thomas Martin, who suffered a stroke Tuesday, has been taken to the Fanny Allen hospital for care and treatment. Mrs. Martin was alone, her husband being at work and her son having left the house about half an hour previous, when a gentleman stopped to enquire the way and knocked on the door. Her condition is quite serious.

American Women Are Careless.

Women are too apt to overestimate their strength and overtax it. When feeling well they take unnecessary chances, which in the long run cause much pain and trouble. Wet feet, exposure to cold, lifting heavy burdens and overwork will often develop troubles which cause no end of suffering.

Lydia E. Pinkham's Vegetable Compound is the unfailing remedy in such cases. Thousands of American women will testify to this fact who have regained health and strength by its use. If you are suffering it will pay you to give it a fair trial.—adv.

## MONARCHIST SPIRIT GROWS

Propaganda Is Assuming Grave Proportions in Bavaria

RUPPRECHT FOR THE THRONE

But Officials at Berlin Ridicule the Reports

Munich, June 30 (By the Associated Press).—Monarchist propaganda is assuming grave proportions in Bavaria, and persistent reports indicate that Munich may become the storm center of a movement calculated to re-establish the monarchy with former Crown Prince Rupprecht on the throne.

Munich, June 30 (By the Associated Press).—Official quarters brand as sheer nonsense the rumors current in Berlin and elsewhere to the effect that a monarchy under former Crown Prince Rupprecht has been proclaimed in Bavaria. A communique has been issued stating that order prevails everywhere.

### WAS VICTIM OF APACHE.

Mrs. Elizabeth Kahn, Wife of New York Man, Died of Poison in Paris.

New York, June 30.—Mrs. Elizabeth Kahn, who died of poison in a Paris hospital Wednesday, where she arrived penniless and friendless, was a victim of apache gangs, who had plied her with drugs and robbed her of thousands of dollars in jewelry and money, her husband, Joseph Kahn, a wealthy New York real estate operator, said yesterday.

"Paris got me," were the last words of the cultured woman as she lay in the hospital, with only nurses and attendants by her bedside. Although Mrs. Kahn numbered among her friends many distinguished Parisians, none knew of her disappearance and poisoning.

"Mrs. Kahn loved the brilliance of life in the gay resorts of the world," Mr. Kahn said. "She did not drink heavily at first, but the pace grew faster and faster and I do not doubt that of late, that she fell in with the unscrupulous habits of the underworld of Paris. I'm sure that her death is due to them. I can't believe that the money she used, according to cable stories, to buy poison was her last franc."

Mr. Kahn met his wife, who was Miss Elizabeth Plau, daughter of a prominent French family, and sister of Lucien Plau, editor of a French financial newspaper, during the Paris exposition and they were married in Paris in 1911, because, he said, of his wife's love for gay Paris. Mr. Kahn sued for divorce but dropped the suit later and again lived with her and their 19-year-old daughter.

The lure of Paris seemed too strong for Mrs. Kahn and she returned in 1912. He followed and again sought a divorce. Again he discontinued the legal action and returned to New York. He has not seen his wife since.

Tales of her mother's career in the Paris and in the watering places of the Côte d'Or reached Miss Kahn in New York and she sailed for France last March to plead with her mother. A few weeks ago, mother and daughter untraveled and Miss Kahn left her to live with relatives in Paris.

Washington, D. C., June 30.—Purchase by the federal government of the Cape Cod and Dismal Swamp canals, now privately owned and operated, is authorized under a Senate amendment in the rivers and harbors development bill adopted late yesterday by the Senate commerce committee. With the acceptance by the committee, of the two important amendments, the bill was made complete and its favorable report to the Senate was ordered.

Under the terms of the amendment, the government agrees to pay \$5,000,000 cash and to assume bonds aggregating \$6,000,000 face value for the Cape Cod waterway. The Dismal Swamp canal, which runs from Chesapeake bay to Beaufort, N. C., would be purchased for \$300,000 under the amendment.

## SEN. M'CUMBER PROBABLY LOST

Defeated for Renomination As Senator From No. Dakota

FRAZIER LEADING ON LATEST COUNT

Country Districts, His Stronghold, Yet to Report

Fargo, N. D., June 30 (By the Associated Press).—Lynn J. Frazier, recalled Non-Partisan league governor of North Dakota, to-day swung into the lead in the race for the Republican senatorial nomination over his opponent, Porter J. McCumber, incumbent, in returns compiled by the league state headquarters, and the Grand Forks Herald, which opposed Frazier declared to-day that defeat of North Dakota's senior senator now seemed assured.

The Fargo Courier-News, league organ, asserted that Frazier's nomination was practically certain by more than 13,000 votes.

Returns by newspapers and those given out by the league differed somewhat, however, the non-partisan figures showing Frazier ahead by more than 800 votes and the others giving McCumber a lead of slightly more than 400.

McCumber forces admitted, however, that the figures they had were mostly from his strongholds and most rural precincts generally favorable to the league had yet to report.

Governor R. A. Nestos, who was elected the state's chief executive at the recall election last October, who ousted Frazier, held a big lead in the Republican gubernatorial over B. E. Baker, league candidate.
