

Home-made, but Has No Equal for Coughs

Makes a family supply of really dependable cough medicine. Easily prepared, and saves about \$5.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with croup and you want quick help, try this reliable old home-made cough remedy. Any druggist can supply you with 2 1/2 ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membrane that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing. Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds.

There are many worthless imitations of this mixture. To avoid disappointment, ask for 2 1/2 ounces of Pinex with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Rheumatism!
try Sloan's
It kills pain!
by breaking up congestion

Most aches of rheumatism arise from congestion. Apply Sloan's. Don't rub. It penetrates to the sore spot, starting the blood circulating. This reduces painful congestion—the inflammation vanishes.

Try Sloan's on sprained, bruised muscles, on aching backs and neuralgia. Try it on that "cold in the chest."

Sloan's Liniment—kills pain!

MRS. HATFIELD SABINA, OHIO

In Pitiable Condition When She Began Taking Lydia E. Pinkham's Vegetable Compound

Sabina, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound for weakness and irregularity. I was weak and nervous and could hardly stand on my feet long enough to cook a meal. I was this way for about a year and had tried several medicines and had a physician, but to no avail. My sister was taking your medicine and finally induced me to try it. I now feel fine and can do my housework without any trouble at all. You can use this letter for the sake of others if you wish."—Mrs. WELDON G. HATFIELD, R. 3, Sabina, Ohio.

Housewives make a great mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties.

Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, headache, weakness and irregularity. It will help you and prevent more serious trouble.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly the corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.—Adv.

REDS CONTROL VLADIVOSTOK

Their Troops Took Full Possession of City To-day

AFTER JAPANESE HAD EVACUATED

Arms Left Inventory of Arms Left Behind and Keys to Warehouses

Tokio, Oct. 26 (By the Associated Press).—Troops of the Red army representing the far eastern republic of Siberia were in complete possession of Vladivostok to-day. The last of the Japanese soldiers evacuated the city yesterday after handing over to the warehouses containing them.

An American gunboat, British and French cruisers and Japanese warships remain in the Vladivostok harbor to protect foreigners until the Chita forces have taken over the administration and assumed responsibility for maintaining order.

The only Japanese soldiers remaining on Russian soil are those in the northern part of Sakhalin island. But the Japanese public is demanding their return also, as it is feared that restoration of trade with Siberia will be impossible unless this is accomplished.

The bearers were Albert Wall, Burton Burno, John Cooper and Curtis Field. The deceased was born in New York state 26 years ago. About eight years ago he married Minnie Cooper of Cox brook, who with one young son, Andrew Jr., survives. Mr. Stark served with Co. The members of Elijah Paine chapter, Daughters of the American Revolution, were very delightfully entertained at the home of their hostess, Mrs. Emmett W. Clark, the local regent, Friday evening. The program opened with the singing of "America," and prayer, after which the secretary, Mrs. Inez Woodbury, read the report of the preceding meeting. Mrs. Duke gave a very interesting informal talk concerning her impressions of the conference at Rutland, while Mrs. W. E. Kidd gave a more detailed report of the meeting, containing humorous incidents in connection with the trip, which was very much enjoyed by all present. Mrs. W. T. MacCreedy read extracts from a stenographic report of some of the principal addresses delivered in Rutland. Mrs. Duke read several incidents concurrent with the life of the Pilgrims. One of the pleasant features of the occasion was the presence of three guests of the evening from Montpelier, namely, Mrs. Farnham, state regent, Mrs. Hanson, regent of the Marquis de Lafayette chapter, and Mrs. Walton, chairman of patriotic education, who gave interesting and informal talks concerning various phases of their particular lines of work. After the conclusion of the program, the members and guests proceeded to the diningroom, where a sumptuous feast awaited them. The refreshments were in the form of a covered dish party, and much credit is due the chairman of the refreshment committee, Miss Lena Wood.
