The Weather To-Day.
WASHINGTON, December 21.—Indications for North Carolina.—Fair; preceded in Western North Carolina by light rain, stationary temperature, southerly winds.

Anniversary of the "Crusade."
December 23rd, 1873, was made memorable by the springing into existence of the Woman's Crusade against the saloons, and now, after fifteen years, three hundred thousand women, whose hearts have been so stirred as to enlist in this grand national organization, propose to celebrate the 23rd of December, by keeping "crusade camp fires" along the lines. Hence, on to-morrow, the Asheville W. C. A. hall, at 4 p. m.

Not only members, but all interested in the cause of temperance are cordially invited to attend.
At Hillsboro, Ohio, (the "Cradle of the Crusade") most impressive services will be held, in which Miss Willard and other prominent workers will take part.
How marvelous has been the growth of this mighty work. Fifteen years ago only one little praying band of timid women, in the Presbyterian church at Hillsboro, on to-morrow, 7495 "campfires" will be kindled by as many local unions in the United States, to say nothing of the organizations in foreign lands.
The echoes of this crusade movement have rung round the whole world, and no where have they left woman as they found her. Surely this work is of God!

Wilmington Star: A peach tree or Mr. J. H. Boatwright's premises is in bloom, under the influence of the warm and spring-like weather that has prevailed for the past week or ten days. The winter, although, has been remarkably mild, and flowers have not ceased to bloom in the gardens around town. Many of the rose bushes and other plants are sprouting and putting forth leaves, as in the spring time.

Favors to the West.
WASHINGTON, December 21.—The Western States received the lion's share at the hands of Spenser Reed in the matter of chairmanships, getting 29 out of 56 places. Next in order came the Middle States with 16 chairmanships, the New England States with 7, the Pacific slope with three, and the South with but one. Mr. Bowser, of North Carolina, committee on expenditures in the postoffice department, Pennsylvania heads the list of individual States with 8 chairmen. New York comes next with 7. Ohio and Illinois 4 each, Wisconsin 4, Iowa, Michigan and Kansas 3 each, Maine, Indiana, Massachusetts and Minnesota 2 each, Nebraska, Montana, Missouri, Vermont, North Carolina, Connecticut, Oregon, New Jersey, California and Rhode Island 1 each.
New Hampshire, Delaware, Maryland, Virginia, South Carolina, West Virginia, Georgia, Florida, Alabama, Mississippi, Louisiana, Texas, Tennessee, Kentucky, Arkansas, Colorado, Nevada, North Dakota, South Dakota, and Washington, twenty States in all, are without chairmanships, the entire Southern section having but one.

The Porte in a Dilemma.
LONDON, December 21.—The News correspondent at Constantinople says, the Porte finds itself placed in a dilemma by the Mousa bay affair. If Mousa is acquitted, Europe will be incensed. If he is condemned, it will prove that there is misgovernment in Armenia, which the Porte has persistently denied.

A Huge Lockout.
LONDON, December 21.—The proprietors of the boot and shoe factories in Bristol have locked out their operatives. By this step 9,000 persons are thrown out of employment.

Bond Offerings.
WASHINGTON, December 21.—The bond offerings to-day aggregated \$38,000; all accepted at 104 1/2 for four and a half per cents, and 127 for fours.

A Piece of Advice.
Many put off buying presents till the last moment, when there is a great rush and the stocks are picked over. See my large ad. on second page. Read it carefully. My goods are marked low and I have a finer stock than ever before. Come and see for yourself. J. H. LAW, 57, 59 and 61 S. Main St.

News From Africa.
ZANZIBAR, December 21.—Three of Bushiri, head men have been hanged at Bagamoyo. Surgeon Parke is dangerously ill with bilious fever.
It seems to be generally agreed among right-thinking people that the bucket-shop is outside the pale of society.

The rapid spread of the influenza in Russia isn't altogether astonishing. All Russians usually have a kof.
