PERSONAL AND OTHERWISE.

It is Phelan Beale yet. The autumn leaf will soon put in an appearance.

Smith & Waldrop have sold two lots on Academy street to H. H. Saylor for improvement.

Dr. L. L. Johnson was in from the Mills River section on Monday, looking well and happy as ever.

Rev. B. P. Robertson, of Baltimore, has gone to officiate at the marriage of his wife's sister, Miss Corrie Osborne.

W. A. Smith esq., is attending Brevard court this week. He was in Asheville on important business Monday night.

If you have anything you want to offer as a special premium to encourage the Fair Association, don't forget to inform the secretary.

Hon. John McQueen left Wednesday for his home in Birmingham, Ala., after spending several weeks with his family at Bealewood.

J. R. Osborne, of Gaffney, S. C., passed through Hendersonville yesterday enroute for Brevard where he goes to attend the marriage of his sister.

Chas. Blum, of Jacksonville, Fla., will soon erect a pretty and substantial new residence on Academy street. Plans for the edifice have already been asked for.

"Jimmie" Green and family, of Columbia, who have been occupying the Jordan cottage for a couple of months, returned yesterday to their South Carolina home.

Geo. H. Valentine is in Ducktown, Tenn., with Dr. C. A. Schenck, having entered upon the duties of a responsible position recently accepted with the Biltmore Estate.

C. B. Osborne and wife and Mrs. M. L. Shipman are attending the Osborne-Justice unpials at Brevard as this issue of THE HUSTLER goes to press. The office is in the hands of "the day."

There will be an ice-cream festival at the old Shaws Creek camp ground on Saturday afternoon and evening, September 2, for the benefit of the new church. The public is cordially invited.

The superintendents of the different departments of the next Fair are expected to enter heartily into their work and commence now to urge the farmers to prepare something for the Fair. Don't let your department have a poor show.

Supt. McD. Ray, of Henderson county, writes the State Superintendent that there is a much larger attendance in public schools this year than ever before, and that the prospects are fine for a good year's work.—News & Observer.

J. L. Carland, a prosperous farmer of Mills River, was here Monday filling orders for excellent quality of un-bolted meal, the product of the mills of J. L. Carland & Son. It is nicely put up in half bushel bags and sells "like hot cakes."

Naturally "Big Tom" Frisby was up to see the bout between Phelan Beale and the Jap, Prof. Koizumi, Tuesday night. The result must have been different from what he expected since coming in contact with Prof. Ono recently in Asheville.

Ex-Governor John Gary Evans, of the Palmetto State, has been summering in Hendersonville. He is delighted with the place and intends repeating his visit next season. This is the prevailing sentiment among all who come to our popular resort.

M. C. Corn made THE HUSTLER a present of four Irish potatoes, Tuesday, two of which weighed two pounds and one ounce. The four weighed three pounds and twelve ounces. Mr. Corn says he has about 75 bushels like these.

Mr. M. L. Shipman, assistant commissioner of labor and printing, left yesterday afternoon to attend the marriage of his wife's sister, Miss Corrie Osborne of Brevard, to Dr. Zoro K. Justice, a young dentist of Davidson, on the 30th instant, in the Brevard Baptist church.—Raleigh Post.

If you fail to get a cash premium at the Fair and only get a ribbon it will do you good in this way. If it is a horse or cow, the Fair has been the best place to advertise it, and people will know where to find them. And the distinction of having the best of anything by expert judges, at the Fair, makes a fellow feel good.

Wednesday morning's dispatches bring the news that terms of peace have been agreed upon between Russia and Japan. President Roosevelt is said to have wielded a powerful influence in bringing this result. At this writing space forbids, a story, in detail, of the affair, but it is the most important event of the year.

Summer Visitors Invited.

Mr. J. C. Fitzgerald has been in the city for several days extending an invitation to summer visitors on behalf of the management of Chick Springs Co., to visit that health giving resort on their home returning trip. Readers of THE HUSTLER will be interested by a perusal of the announcement on page eight of this issue. And when our numerous visiting friends have completed their stay in Hendersonville they cannot fail to receive additional benefits by spending a while at the famous Chick Springs Hotel.

Confederate Veterans Association.

Shaw's Creek, Aug. 24, 1905.
The Henderson County Confederate Veterans Association met. Prayer by J. J. Osborne. The roll was called by A. Cannon. Present thirty-six members. The march was deferred.

Remarks were made by W. B. Allison, J. J. Osborne, Date Barnett and others, which were highly appreciated.

An election of officers was held for the ensuing year which resulted as follows: A. Cannon, commander; J. M. Shepherd, adjutant; B. T. Morris, chaplain.

Resolution offered by J. J. Osborne: Whereas, The association is deeply pained at the affliction of comrade J. W. Mills, and trust that he may yet be spared many days, if it is the will of Providence.

Address at next meeting, "The Confederate Soldier and his Record," by Comrade A. Cannon.

After which the association adjourned for dinner, which was bountifully supplied by the ladies of the vicinity, and was highly appreciated by the old soldiers, and the thanks of the association are returned to the ladies that furnished the same. It was a general lovefeast and everybody enjoyed themselves to the highest degree.

The next association will be held at the old Shaw's Creek camp-ground, where we hope to meet all the Confederate soldiers in Henderson county and have another general love feast.

A. CANNON, Comdr.
J. M. SHEPHERD, Adj't.

9,262 VISITORS HERE.

Best Season Ever Experienced in Hendersonville.

The Hendersonville Board of Trade has completed the census of visitors to the city this summer, ordered at a recent meeting and reports that 9,262 have registered at the various hotels and boarding houses during the present season. Fully 5,000 were here on August 17, after the arrival of the excursion from the south. On that day more than 150 were compelled to seek accommodations elsewhere.

Hendersonville was obliged to admit, for once, that she was full—very full. Many strangers within our gates had "not where to lay their heads" and boarded the first train for other points. More than twice the usual number of visitors were here this season. Nothing like it has ever before been experienced in the history of the town. Everything has been alive with glee and aglow with gaiety.

Hendersonville has been a popular resort for many years and numbers her friends by the thousand. The great crowds this year, is attributable to her natural advantages and numerous attractions—bracing atmosphere, pure mountain water, beautiful scenery, picturesque drives, elegant streets and accommodations par-excellent. The Board of Trade has done much to bring all these things to the attention of the outside world. Let the good work continue. We are delighted to have the tourists with us always.

KOIZUMI AND BEALE MEET.

Jiu Jitsuism Meets Defeat Before American Strength and Athletic Perfection.

Our issue of August 3, contained an account of a wrestling match between Mr. Phelan Beale, of this city, and Prof. Koizumi, the Japanese expert, which resulted in a victory for the young American. It was Greek meet Greek, but the wonderful Japanese art was forced to succumb to the old American wrestling as a final outcome.

These two representatives of their respective countries locked arms again, at the opera house Tuesday evening, under the auspices of the Board of Trade, in the presence of a large and representative audience. The bout ended as before. Two short rounds told the tale. Mr. Beale showing himself the superior in every respect—not only in physical strength, but in athletic tactics as well. The first feat was accomplished in three seconds and the last one required only a moment.

The young American was too quick for the plucky little Jap and the Jiu Jitsu grip failed of the accomplishment claimed for it. The demonstration of pluck and science was well received and the support Mr. Beale received was gratifying. He is, indeed, a wonder and his numerous friends were wild with delight when he put the shoulders of his antagonist to the mat a second time.

Large parties came from Asheville, Brevard and elsewhere, Hendersonville's sporting citizens and many ladies made up the audience. Mr. Beale was the favorite from the start and everyone is now singing his praises. THE HUSTLER joins in congratulations. He "dud the business" nicely and no suspense was experienced by the audience. A simple touch was seemingly "all sufficient" for the little professor and America's reputation is saved. Three cheers for Phelan Beale.

Compliment To J. B. Boone.

(The following expression comes from the Baptist S. S., in Hendersonville N. C. unanimously adopted August 27th 1905 and is tendered for publication.)

Whereas, Rev. J. B. Boone has recently tendered his resignation as general manager of the Baptist Orphanage located at Thomasville, N. C., having been officially connected therewith for about eight years and under whose discreet management the usefulness of the Institution has drawn to its sheltering care scores and hundreds of fatherless children from all sections of our State, in whose behalf—and through the influence of Bro. Boone and the unmeasured worth of his devoted wife a growing interest has been awakened on the part of large hearted individual benefactors, regularly contributing churches, associational bodies and Sunday Schools including the glad-hearted responses from this our Hendersonville Baptist S. S.

Resolved, therefore, that while we deeply regret the retirement of Manager Boone and the loss of Mrs. Boone's motherly devotion to the welfare of the little ones (a bereavement indeed in this Orphanage home circle) it is the cherished hope and earnest prayer of the officers and members of this Sunday School that these years of consecrated service now embalmed in the sweet memories of the young lives blessed by such kindly supervision, may be crowned with the rewards awaiting faithful service, wheresoever performed in Jesus name. J. WILLIAMS, Supt.

The Inter-Urban Railroad.

A meeting of the stockholders of The Appalachian & Inter-Urban railroad Co., was held at the Board of Trade room on Friday. W. A. Smith esq., president of the company, presided. Capt. J. W. Wofford, the secretary, called the roll of members. The proceedings of last meeting were read and approved. Call for this meeting was read by the secretary outlining the object of same and President Smith made further explanation of its importance. A number of speeches in advocacy of pressing forward with the work under contemplation and the unanimous sentiment of those present was expressive of advancing the cause.

Dr. Morse, of Chimney Rock, was advised to assist the executive committee in the selection of competent engineers to begin at once a survey of route from Hendersonville to Chimney Rock and submit profile complete to a future meeting of the directors. The decision as present, is to construct the line from this city to Chimney Rock and further extension will be decided upon after the proposition has been submitted to Polk and Rutherford counties; also to certain townships in Buncombe and Henderson counties.
