The Mayor Is Smiling!

The result of the bond election, Saturday, when 174 votes were cast for the sidewalk improvement bonds and only 90 against, causes Mayor Michael Schenck to smile broadly and deeply:

Said His Honor, referring to the result:

"Yes, indeed, I am deeply grateful to the voters, who irrespective of party, of Hendersonville, have put the seal of their approval upon the bond issue. It speaks well, it seems to me, for the bright future of this town, that men will forget their party affiliations when the good and welfare of Hendersonville is at stake. To those men and all others who voted the improvement bonds I am deeply grateful and I thank them from my heart. I can only ask the Daily Hustler to express my appreciation and to say that, in common with the rest of the city administration, we have but one interest and one ambition—to advance the interests and growth of Hendersonville by every legitimate means possible.

HENDERSONVILLE 8 ASHEVILLE 4

The Asheville ball team went away yesterday badly disappointed in being defeated by the score of 8 to 4.

They had an idea that Hendersonville boys couldn't put up a good game, but they went away knowing different and remarked that they thought our boys could handle Asheville Y. M. C. A. team.

Until the sixth inning the game was close and very exciting, the visitors not having made the first base. In that inning they made a score, and in the seventh they scored two runs, both being made on a costly error.

The visitors could not take a base on Waldrop's ball, but nine of our boys walked on bad balls.

The locals got their blood heated in the last inning and scored four runs.

Waldrop struck out seven boys; Chambers only five.

The feature of the game was a three base hit by Roberts.

The visitors claimed to be the second team of Asheville, but boys who know said they had collected the best boys they could find from Weaverville and other surrounding towns.

The visitors consisted of 11 boys and they made some changes in the field, following is the original line up and score by innings:

Hendersonville	Asheville
Waldrop P	Chambers P
Forest C	Whittington C
Rhodes 1 B	Redwood 1 B
Reese 2 B	Brown 2 B
Bryson 3 B	Lotspeach 3 B
Patton S S	Weaver S S
Justus L F	Roberts L F
Carson C F	Cocke C F
Edwards R. F.	Linsford R. F.
	R. H. E.
H'ville—001011104—8	9
A'ville—000001201—4	1
	7.
	Umpire: Tinsman.

Notice.

I hereby announce myself as an independent candidate for the office of Registrar of Deeds for Henderson County, on the grounds that if elected I will fill the office for one-half the fees it now pays.

W. C. JORDAN.

Reps. Form Jackson Club.

A young men's republican club was organized last night. About 75 of the faith met in the Masonic Hall. Chas. French Toms was temporary Chairman. T. W. Valentine, temporary secretary. Mr. Toms said there's going to be 1-0-0-0 majority in the county this fall! James Waldrop was elected permanent chairman and W. H. Harris permanent secretary. They will meet every two weeks until the campaign opens, when, as Jim Waldrop very cleverly said, "they will meet all the time."

An executive committee will be appointed later. About 100 names were enrolled. One man named Jack got up and wanted his name enrolled. 'Twas cheerfully done. Then he named so many other Jacksons that some wit suggested the club be named "The Jacksonian Republican Club of Western North Carolina, United States of America."

A flag will be bought and Mark Brown of Asheville will talk at the next meeting. W. C. Rector predicted a g-r-e-a-t-b-i-g victory when the sere and yellow leaves begin to fall and when the Hon. John Grant is elected to Congress. Lemonade and cigars were served. Contributions and pledges of money from members were secured.

Five small precincts, Blue Ridge, Bowman's Bluff, Crab Creek, Green River and Raven Rock had sent no returns at this writing.

Later: Rumor has it that Blue Ridge gave Mr. Cannon most of the small vote cast there, while the few ballots deposited at Green River and Crab Creek were largely for Mr. Ray, who now claims from 1-1-2 to 2-1-2 majority of the electoral vote.

Big Hotel For Hendersonville

Hon. H. S. Anderson is having plans drawn up by which he will build a hotel containing about 150 rooms.

The site has been selected on one of the hills in the Southern part of Columbia Park.

He intends to begin the work by the first of August. He also has another 50 room house in view to be built in the same park. Mr. Anderson is not able to say positively which structure will begin first, though if the hotel is started first the large house will not be undertaken this summer.

Mr. Anderson says that the work in Columbia Park will not cease until it becomes a beautiful village, and for one to look over the place now and see the great improvements that are made way he would feel sure that Mr. Anderson is behind his word.

Wedding Anniversary

Mr. and Mrs. Bunch, of Kansas City, celebrated the tenth anniversary of their wedding yesterday, at Hotel Gates. It being their tin wedding, they ate breakfast from tin plates, and the many presents given them were tin utensils of the kitchen.

They attended the ball game and their carriage was decorated with tin ware. They hurrahed and yelled, and my, what a noise the tin pans made.

THE BONDS CARRIED.

At four o'clock the indication are that the bond issue for the cement walks has been carried by an overwhelming majority.

The attempt to make political capital at the expense of the future prosperity of Hendersonville seems to have been a dismal failure.

The people want progress and pavements and have so registered their will.

The exact result will not be known until about seven o'clock tonight, but as we go to press there seems to be no doubt but that the result has been favorable to the greatest improvement ever made in Hendersonville.—Saturday's Daily Hustler.

The Democracy of North Carolina presents to the people as its candidate for State Auditor Dr. B. F. Dixon, his third nomination for the position being the imprimature of service well done and ably rendered.

As State Auditor Dr. Dixon has given full satisfaction, the affairs of his office being managed with ability and faithfulness. Personally he is a man who gets close to the hearts of the people, for he is genial and clever. He is an active speaker, eloquent and forceful, his campaign addresses always being powerful for Democracy.

Dr. Dixon was born in Cleveland county in 1846. In 1861 when but fifteen years old he became a Confederate soldier and thirty-eight years later was in the Spanish American war as a major. After the Civil War Dr. Dixon taught and then became a Methodist preacher, serving in both North Carolina and South Carolina. While on the Shelby circuit he studied medicine and began its practice at Kings Mountain in 1874 where he spent ten years. In 1883 he was elected superintendent of Oxford Orphan Asylum, and in 1890 became the president of the Greensboro Female College, resigning in 1894. In 1896 he was elected to the Legislature from Cleveland county, and in 1900 and 1904 elected as State Auditor.—News and Observer.

On yesterday, Mr. Willett Bronson, of New York, Superintendent of the North Carolina Speculation lands, and Rev. C. B. Justice, general agent at Rutherfordton, came to Hendersonville, and engaged the services of W. A. Smith, President of the Wantaska Trust & Banking Company to place upon the market for quick sale 32,700 acres of fine timber lands lying in Henderson, Polk, and Rutherford Counties. There is another holding adjacent to this body that Mr. Bronson expects to have added as soon as he returns to New York. Mr. Smith is expecting to add to this group the Green River. Water powers, belonging to the Speculation Company, which the skillful survey of Mr. Geo. Ladshaw, of Spartanburg, shows to be an easy development of 1500 H. P. Mr. Smith's firm of Smith & Schenck have also been employed as general counsel for the Speculation Company in North Carolina.

It is interesting to note that the Speculation Co. lands above referred to embrace some of the finest timber lands and water powers in Western North Carolina. The water power is within eight miles of Hendersonville, and some of this fine timber land comes within ten to twelve miles of Hendersonville.

The Speculation Co. has given an interesting contract and it is expected that there will be opened up enterprises in which Hendersonville will be benefitted. Heffner and Cruikshank will open their handsome pool room in the rear of the Lyrie Theatre on Tuesday.

Someone said that 300 guests were expected at the Wheeler this week. If they come that will be a prevailing smile on Mr. Wheeler's face.

Nothing But Money!

Mack Rhodes stood behind the iron grating at the First National this morning with a big pile of new national bank notes before him. The notes were in sheets of five, the denomination was expressed by ten, so each piece of paper represented fifty plunks. Of course they have to be signed by the president and cashier of the bank before they are legal tender. These officials sign each one, really quite a task, and then the sheets are cut up into single bills, a long, peculiar pair of scissors being used for that purpose.

"Yes," said the genial cashier, handling the money as indifferently as tho' there wasn't nearly enough there to pay for the sidewalk bonds, "we got this from Washington this morning. The ladies prefer nice, clean bills, you know, and this stack went last long."

County Convention.

The democratic county convention will be held next Saturday for the purpose of canvassing the vote for Senator in the recent primary and to select delegates to senatorial convention in Rutherfordton on Tuesday 21. All precinct delegates should come out.

They Do Not Loose Interest.

It's a fact that visitors to this town are so favorably impressed with its advantages and the public spirit of its people, that they are very often anxious to help in a substantial manner.

A case in point: A young lady and her mother spent a few weeks here recently. This morning an officer of one of our churches received a check for \$250 for the church. She writes: "And I will also pay \$10 for church expenses or the coming year."

Dr. B. F. Dixon, Popular State Auditor and Democratic Nominee for Re-election.

Wrestling at Laurel Park.

Jack Lyda and J. R. Drake will meet at Laurel Park tomorrow night, in a wrestling match which promises to be a hot one. Its catch as catch can, best two out of three to a finish.

Drake comes here with many victories to his credit. He has bested some of the best men in the North, such as the Terrible Turk, Leondhart, Martin, and others. Lyda has never been defeated, and is said to be a remarkably fast wrestler.

The bout will be a clean contest of scientific skill, and will no doubt be witnessed by a large crowd.—Tuesday's Daily Hustler.

NOTICE TO THE PUBLIC.

Office Board of Commissioners, Hendersonville, N. C.

Owing to the absence, caused by sickness, of two members of the Board of Commissioners, Messrs. J. F. Jones and G. N. Sentell, the business for which the meeting was to have been held to-day (the 2nd Monday), that of hearing complaints and equalizing values of property, is hereby postponed until the regular meeting on the 1st Monday in August, 1908, when and where all persons are notified to appear before the Board and their complaints will be heard.

This July 13th, 1908.

S. W. HAMILTON, COMMISSIONER.

Water Shut Off!

Unless the installment on your meter rents, that are due and not paid, are handed to the city tax collector at his office in the city hall, by the 15th, your city water will be cut off on the 16th. It will also cost one dollar more to have water turned on.

Order Board Commissioners.
