

WHY NOT GET A GUARANTEE?

Every Article of Merit that is Sold These Days is Guaranteed—No Guarantee Often Means Poor Quality.

There is very little excuse for any person to claim that he has been "stung" on a purchase. Fifty years ago the buyer had to look out, but today it is unusual to find a merchant who will not return the money for any article that has proved unsatisfactory.

An excellent example of this kind of fair dealing is shown by the clean-cut guarantee that Justus Pharmacy give on Dodson's Liver Tone.

These people tell us that any person who pays 50c for a bottle of Dodson's Liver Tone and does not find it a gentle and most pleasant liver tonic, harmless, but a sure reliever of constipation and a perfect substitute for calomel, can get his money back just as quick as they can get it out of the money drawer.

Dodson's Liver Tone has practically taken the place of calomel. It is absolutely harmless, sure in its action and causes no restriction of habit or diet. No wonder the drug people are glad to guarantee it, while other remedies that imitate the claims of Dodson's Liver Tone are not guaranteed at all.—adv. 4-9-2t

MONTHLY MEETING OF BARACA-PHILATHEA UNION OF CITY.

Interesting Reports Received and Delegates to Durham Convention Are Named.

The Hendersonville Baraca-Philathea union met Sunday afternoon at the Methodist church for the first time since its organization a month ago. The meeting was well attended and interesting reports of the work being done by the various classes in the city proved an interesting feature.

The following were reported as delegates from their various classes to the Baraca-Philathea convention to be held in Durham on April 25-28: Presbyterian church: Miss Beulah Williams, Harry Williams, Miss Grace Sempie; Methodist church, Miss Minnie Crane, W. T. Crane, East Hendersonville Baptist church, Miss Alma Freeman, Cary Blythe and Lawrence Pace; First Baptist, Miss Lillie L. Brooks and Prof. W. H. Cale.

C. N. Maxwell, of Asheville, who organized the union a month ago and who was on program Sunday for a talk, stated that a Baraca-Philathea car would leave Asheville on Saturday morning for the convention and that it was desired that the Hendersonville delegates go along with those from Asheville and other parts of Western Carolina.

Other features of Sunday's program included talks by Charles McPheeters; Bible reading by Rev. George F. Wright; invocation by Rev. W. F. Womble; solo by Miss Neoma Calvert; duet by Miss Lillie G. Allen and Miss Mary Belk.

The next meeting will be held at the First Baptist church on the afternoon of the First Sunday in May.

President C. S. Fullbright announced that he would leave the appointment of committees with the executive committee.

An interesting program has been prepared for the convention to be held in Durham and a large delegation is expected to attend.

It is highly desirable that the names of all delegates be sent to Miss Flossie A. Byrd, general secretary, Greensboro, N. C., who will see to entertainment being provided.

There are now 1500 organized Baraca and Philathea Bible classes in the state, representing ten Protestant denominations, and aggregating early fifty thousand members. The majority of these will send delegates to Durham. All classes of whatever membership up to fifty are entitled to send two delegates each for free entertainment. Classes of 75 members can send three; of 100 members, four, etc. Quite a number in addition to the regular delegates are expected to attend and these will secure reduced rates at boarding houses and hotels. Classes from a number of nearby towns have expressed the intention of chartering special cars for the purpose of giving entire classes the privilege of attending the Sunday meetings in a body.

HENDERSONVILLE CLUB MEETS.

Will Hold Forth at County Court House—Matters of Wide Importance

The regular meeting of the Greater Hendersonville club will be held in the court house Friday night, April 10, at eight o'clock.

The constantly increasing interest in the club's proceedings as shown by the constantly increasing attendance. Two weeks ago there were about 60 men present—a strictly representative gathering in every sense of the word.

At this meeting on Friday night there will be outlined plans which means a very great deal for Hendersonville and Henderson county. Every person having their own personal interests at heart, or the interests of the community, should be present.

Strangers in the city, and those who are not already members of the club, are cordially invited to be present.

OUR NINETY-FIFTH ANNIVERSARY

Grand Master Shipman Admonishes all Lodges to Prepare for Fitting Observation of the Day Throughout North Carolina.

(North Carolina Odd Fellow.)

The date of the ninety-fifth anniversary of our order draws near and there should be a fitting observation of the auspicious event by every subordinate lodge in this grand jurisdiction. I would admonish the officers and members of each lodge to take appropriate action, without delay, for a due commemoration of the day with suitable exercises in observance thereof and by public thanksgiving to Almighty God for His manifold mercies to us as individuals and as an Order. This should be made another season of fellowship and good cheer. The ear of each brother should be so attuned to the spirit of the times that he may catch step with the real spirit of fraternity and join in the forward movement on the rising tide of co-operation among men, in ministering to the trials and adversities of the needy and the distressed. While some of us may be unschooled and, by the standards of literature, counted as uneducated men, we may all be versed in the love of the heart and in the book of man's needs. We may carry enthusiasm for fraternity, as expressed in the tenets of our Noble Order, and crystallize that enthusiasm into effective service for the great principles we all love and revere. Since the father of the Order unfurled our standard ninety-five years ago, more than 2,000,000 have enlisted under it and \$300,000,000 has been voluntarily contributed for the maintenance of its institutions, and for the comfort of those who have become victims to the trials and adversities, inseparable to human life. And as fortune continues to smile upon those who are bravely bearing the standard unfurled by Thomas Wilkey, with the magic letters F. L. and T., on April 26, 1819, they will not become weary in the labor of love to which the life of every true Odd Fellow has been consecrated. April 26, 1914, will find the faithful still on guard, striving towards the ideal conceived by the founder of the Order ninety-five years ago. And why this extended season of effort and anxiety? Was it not that the truest bond of fraternity might be seen in the uplift of man and womankind? That cold and hunger and distress might be barred out and the milk of human kindness flow from heart to heart? Most assuredly. Therefore, let every brother resolve to enter into the ceremonies of this glad anniversary season in a manner becoming devoted Odd Fellows and patriotic sons of the good "Old North State." May I express the hope that no lodge in the State will neglect to arrange for an appropriate anniversary service? We want every brother to have the privilege of entering into the spirit of the occasion, the purpose of which is to review past achievements and encourage greater activity in our efforts to fraternize the world. Altogether, brethren, and we shall make April 26, 1914, a memorable day in the history of our Order in North Carolina. But there must be effort and co-operation in the perfection of plans and the execution of them. "Whatever is worth doing at all, is worth doing well."

It gives me pleasure and pride to again assure the readers of our excellent paper that the Order in the State continues to advance, both in numerical and financial strength. Its record of benefactions has been strengthened and the stars in its firmament of good deeds and golden precepts remain undimmed. Prospects for the future grow brighter with each passing day and not in a long while has the outlook for Odd Fellowship been more promising than it is at the present time. Let us approach the ninety-fifth mile post with hope, courage and determination, fully resolved to do, or dare to try. Inspired by the record of our glorious past, warmed and enthused to the point of desiring to accomplish more and better things for the Order than heretofore, let every brother present himself at the approaching anniversary a living sacrifice upon the altar of Odd Fellowship, which means obedience to God and the uplift of man. "The cry up and down the world today is for a universal brotherhood; for a quickenink in the great doctrine of the Fatherhood of God, and the Brotherhood of Man." This has been the chief corner stone of Odd Fellowship for these ninety-five years, and the doctrine is, therefore, in line with the things for which we have ever been contending and long desired to see a vitalized reality. On this anniversary, let us equip ourselves for the battle more thoroughly than ever and form the lines for the greatest forward movement in benevolent and fraternal circles the State has ever seen. Let us get together more closely in our celebration this year,

CAROLINA MAN WITH PUZZLING STOMACH DISEASE WINS RELIEF

W. E. Davenport of Parker Better After First Dose of Remedy.

W. A. Davenport of Parker, N. C., long suffered from a peculiar malady of the stomach. He sought treatment with but little relief. At times it seemed that he would have to give up hope.

He took Mayr's Wonderful Stomach Remedy and found immediate benefit. He wrote:

"For years I have suffered from a disease which puzzled doctors. They termed it catarrh of the stomach, saying the only hope would be a change of climate, and that in all probability I would never get well. Then I heard of your remedy. One trial bottle gave me instant relief. It made me feel like a new man. Your full course of treatment has about cured me. Several of my friends have also been cured."

Thousands of others suffering from maladies of the stomach have found relief as quickly as Mr. Davenport did.

This remarkable remedy is known all over the country. The first dose proves—no long treatment.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings swift relief to sufferers from stomach, liver and bowel troubles. Many say it has saved them from dangerous operations and many are sure it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to W. H. Justus' drug store and ask about the wonderful results it has been accomplishing in cases they know of—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggists can tell you its wonderful effects.—Adv.
