

SOCIETY

POINTERS PLACING PEOPLE IN AND ABOUT HENDERSONVILLE

Mrs. W. B. W. Howe and children have returned from a visit to Florida.

J. T. Staton made a business trip to Hendersonville Monday.—Tryon Bee.

A. R. Parler made a business trip to Hendersonville Tuesday.—Tryon Bee.

Mr. P. E. Seagle of Raleigh is in the city on business this week.

Mr. J. M. Gilbert of Ottanola was in the city on Monday.

Miss Bertie West has returned from a stay of some length in Knoxville.

Miss S. V. McCollough has returned from New York.

Mr. and Mrs. Dudley Duff of Clover, S. C. are guests of the Cedars.

Mr. and Mrs. R. H. Holmes of Atlanta are visiting the latter's parents, Mr. and Mrs. L. T. Williams.

Mr. W. A. Garland of Spartanburg spent several days this week in the city on business.

Mr. and Mrs. Floyd Byram left this week for Charlotte after spending several weeks here.

The friends of Mr. Ben Few will be glad to learn that he is able to be out again.

Mr. P. E. Seagle of Raleigh delivered an address on Phonics to the graded school teachers on Tuesday afternoon.

Mr. T. W. Valentine made a very instructive talk to the high school pupils on Monday morning.

Miss Adele Woodall has returned from Philadelphia where she has been visiting her people.

Misses Mary and Virginia Brent Ewbank are visiting friends at Flat Rock this week.

Dr. W. B. W. Howe has returned from New Orleans, where he has been for the past six weeks.

Mr. D. S. Pace is now signatory to a contract to furnish ties for the French government.

Mr. and Mrs. W. P. Bartlett, of Virginia, are the guests of Mrs. A. E. Sample.

Miss Agnes E. Van Kirk, the rector's assistant of St. James' parish, spent Thursday in Asheville.

Mr. and Mrs. C. A. Hines recently of Asheville, are now making their home in Hendersonville.

Mr. and Mrs. George H. Valentine have been spending some time in Asheville.

Mr. and Mrs. J. Mack Rhodes have moved into the Caldwell house preparatory to remodeling this home at 422 6th avenue West.

Dr. J. A. McNeil, who spent last summer at Laurel Park, died very suddenly of heart failure on Saturday at his home in Whiteville.

Dr. E. Ehringhaus has recently fitted up his office with a handsome set of home-made furniture, made near Kanuga Lake.

Miss Elizabeth Corriher recently returned from the mission field gave a lecture Tuesday afternoon at the First Baptist church.

The Postal telegraph company is now installed in the Smith building on North Main street which was formerly the residence of Mr. D. T. Fuller.

On Thursday evening of next week there will be a choral recital in the

school auditorium for the benefit of the Patton Memorial hospital.

Miss Julia Brookshire, of Biltmore, well known in Hendersonville, made two stops here on Tuesday with a motorcycle party en route to and from Tryon.

Messrs. E. Alvice and Y. Roulin, of Rouen, France, were registered at the Kentucky Home last week. Their mission to America is to buy lumber for the French government.

The Ladies Aid society of the Methodist church will give a silver tea at the residence of Mrs. W. Hicks Justus from 5 to 2 p.m., on Friday, St. Patrick's Day. All members of the church and friends are cordially invited.

The wedding tour of Mr. and Mrs. Henry G. Saylor, the latter of whom was Miss Patsy Palmer of this city includes a stop at Pinehurst and a visit to relatives in Richmond and Bedford City, Va. They will reach their home in North Dakota about the first of April.

The entertainment scheduled for Friday evening of this week are a reception by the Knights of Pythias, and a recital by Misses Marguerite Briggs and Hallie Hinds and the students of the music and expression departments of the graded school.

Mr. Earl Hallman conducted high school chapel exercises on Friday morning. There were recitations by Misses Helen Carmichael and Dolly Posey; piano solos by Misses Lenoir Johnson and Gladys Waldrop; and readings by Misses Irene Caldwell and Nora Justice. Rev. W. E. Womble had charge of devotional exercises and an address on preparedness was delivered by Mr. Orr of Fruitland institute.

On Thursday morning of last week Dr. A. C. Tebeau, accompanied by Mrs. Tebeau, sang a solo at the chapel exercises of the pupils of Miss Stanseil and Mrs. Patterson. Besides scriptural recitation, and songs by the pupils there was a recitation and pantomime by Misses Sarah Valentine and Martha Dixon. Among the visitors were Mrs. A. Ficker, Miss Elsie Ficker and Miss Sarah Willis Wheelright.

Dahlia Show.

The Woman's club of Hendersonville expect to have a Dahlia show in August. Every woman in the county is cordially invited to take part in making this show of beautiful flowers a real success.

There will be no charge for entering exhibits, but the club will have the right to sell the flowers after they have been exhibited.

Numerous prizes will be given for collections, single flowers, colors, etc. Full particulars will be given later, but in the mean time let every woman in the county do what she can to make this the finest flower show ever given in Western North Carolina.

The Rest Room.

Over fifty visitors were entertained at the Rest Room on Saturday, March 4th, and about the same number on Saturday, March 11th. Ten of the county teachers were included with the visitors of the latter date.

Hot coffee and sandwiches were provided by the Woman's club, several of whom, with ladies from the county, acted as hostesses.

Many expressions for the comfort, convenience and refreshment of the Rest Room were heard from numerous visitors.

Co-operating with the Merchants' Association the Woman's Club hopes to continue the pleasant hospitality for the benefit of out of town shoppers, and others who may be spending the day in Hendersonville.

The present furnishings of the room are somewhat meager, and any contribution of furniture, pictures or anything to make the place attractive will be gratefully received.

(Continued from Page 1.)

try. The leading crops are corn, Irish potatoes, rye, cabbage, wheat, grass and sweet potatoes. Garden vegetables, peaches, apples, pears, cherries are grown on practically every farm. A small quantity of cowpeas, tobacco, clover and sorghum, from which syrup is made for home use, are grown.

Timber is another money industry. Bark from the chestnut and hemlock and cord wood are a source of large revenue, many cross-ties are also sold. There are large forests areas in the county.

Many of the best farmers are practicing the improved methods of farming and crop rotation. Modern machinery is used to advantage by the farmers. Nearly all of the farms are operated by owners. 30,000 acres of farm and timber land of the western end of the county belongs to the famous "Biltmore estate" of Buncombe county. On this farm the scientific methods of agriculture, dairying and stock raising have been introduced and are proving of great benefit not only to this section but to the entire State. High bred stock have been introduced at this farm.

There is a gensing farm in Henderson County which is said to be very profitable. This herb is dried and sent to northern market where it is used in preparing a medicine which brings a splendid price.

Cattle raising would be a very profitable industry if pursued for the climate is excellent and the natural grazing advantages favor this industry.

The climate is very healthful, the winters are comparatively mild while the summers are cool and pleasant. The average date of the last killing frost in the Spring is April 23rd and the first in the fall is October 21st, giving about 174 days growing season. With the excellent spring water from the mountains, the excellent drainage, the dry, bracing air makes this section an ideal summer resort.

There are 52 rural white schools in the county and 9 negro; churches are located in different parts of the county and there is rural free delivery of mail in most sections of the county.

There is one cotton mill in the county, located at Tuxedo with lumber plants, grist mills, saw mills, brick plants, wood working plants and other small manufacturing plants operating in the county.

Henderson County had a population of 45.4 per square mile, 1910, and a rural population of 37.6 per square mile.

The approximate land area of Henderson County is 229,120 acres, 186,676 acres are in farms. A large number of the farms in Henderson County is 229,120 acres, 186,676 acres are in farms. A large number of the farms in Henderson county are operated by owners, 1,690, while there are only 436 tenants and 16 farms operated by managers. There are only 63,116 acres of improved land (63.8%) in farms, and 111,855 acres of woodland in farms. 81.5 per cent of the total area of the county is in farmland or an acreage of 186,676 with only 33.8 per cent improved leaving 47.7 per cent of the farm land idle.

Whitire's cash shoe store carries an announcement on the last page which will prove of interest to Hendersonville shoppers.

The big sale of candy at The Ideal Store last week is conclusive proof that the thoughtful people of Hendersonville appreciate absolute purity and cleanliness.

Smith, Jackson and Morris, real estate and insurance dealers, have established themselves in the Smith and Shipman law building, in the office formerly used by the Postal Telegraph company.

A horse drawing a laundry wagon ran away on Fifth avenue on Monday and crashed into a wagon belonging to Zeb Wheeler, almost completely demolishing the latter vehicle. No one was hurt.

Judge C. M. Pace has had all of the old pine trees at his Fifth avenue home cut down. The judge said they were too old to be safe so near his house. The place has a strange appearance.

J. D. Duff, the merchant who has recently moved to Hendersonville, has rented the E. W. Ewbank bungalow on Fifth avenue and has moved into it. Mr. Ewbank will occupy his recently purchased home on the same thoroughfare, formerly the residence of Dan McKeithen.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fanish, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

The War And Your Prescriptions

What is the connection between the two? just this—

- 1.—Practically every instrument and method of warfare depends upon chemicals in one form or another.
- 2.—War also creates an abnormal demand for drugs and medicines of all kinds.
- 3.—It is generally conceded that Germany has developed the science of manufacturing medicinal chemicals to a greater point than any other nation.
- 4.—There is no chemicals being imported into the U. S. from Germany at this time and very few from any other country.
- 5.—In many instances the war has created such an excessive demand for drugs and chemicals which originate in neutral countries, that the price has doubled many times. Quinine and Cod Liver Oil are good examples of this condition.
- 6.—Many drugs and chemicals that were in every day use two years ago, cannot be bought at any price.

THE RESULT.

We have many prescriptions on file which we cannot refill.

We will have to charge a higher price on practically all prescriptions, written previous to 1916, to cover the cost of the ingredients.

The Justus Pharmacy has been in business in Hendersonville for thirty-three years. In that time, we have, through fair and honest business methods, obtained the confidence of this community. We believe that all business is based on confidence. Market conditions, owing to the war, have reached a point where we feel that to retain your confidence it is advisable to quote facts and figures.

The following is a list of some of the more generally used drugs and chemicals, with comparable prices between March 1914 and March 1916.

	1914	1916
Acetanild.	.21	2.00
Caffeine.	3.50	14.00
Chloroform.	.25	1.25
Epsom Salts.	1.10	9.00
Mercury.	.60	5.50
Opium.	6.00	16.00
Permanganate Potash.	.09	2.25
Quinine.	.30	2.00
Resorcin.	.80	18.00
Saccharin.	1.15	15.00
Salol.	.55	11.00
Bromide Soda.	.45	4.00
Sulicylate Soda.	.30	4.00
Carbolic Acid.	.10	2.00
Ealicylic Acid.	.25	5.00
Chamomile Flowers.	.15	.90
Sage.	.04	.65
Licorice Root.	.05	.40
Blue Vitriol.	4.00	30.00
Cod Liver Oil.	25.00	110.00
Castor Oil.	.10	.30
Alum.	1.75	6.00
Bromide Potash.	.32	6.50

It is our opinion that 75 per cent of the drugs and chemicals entering into prescriptions have more than doubled in price in the last year alone.

We will continue to fill prescriptions at the lowest possible price.

We are going to make every effort to retain the good will and confidence which it has taken us over thirty years to build up.

We ask the co-operation of the Physicians in the way of prescribing American made chemicals wherever possible.
