**NEW PERFECTION OIL COOK STOVES**

**The Woes of Summer Ironing Vanish**

when you have a New Perfection Oil Cookstove. This stove concentrates all its heat right on the irons where you want it—without heating you or the room in the process. It can be regulated high or low—on or off at will.

Its clean white flame, smokeless, odorless—the result of the long blue chimney—does not blacken the sole of the iron—does not make your pots and pans sooty. No coal or wood—no ashes to bother about.

Fitted with the oven this stove bakes, broils, roasts, boils—does all that a gas stove does at the cost of kerosene. Already 3,000,000 housewives know its convenience and economy.

See the New Perfection at your dealer's today. Be sure it has the long blue chimney.

Aladdin Security Oil gives best results for all purposes—obtainable everywhere.

**STATE COLLEGE SUMMER SCHOOL**

It is expected that several Henderson county young men and young women will attend the fifth session of the State college summer school which begins on June 10 and lasts through July 23. Catalogs may be had from Dr. W. A. Withers, director, West Raleigh, N. C.

Special attention has been given to

the course for the intermediate grades and a noteworthy faculty has been gathered for these and all other classes.

**LOST**—A small cameo pin in a gold band on Sunday evening, April 27, between Rose's Pharmacy and Dr. J. L. Rose's residence on Fifth avenue by way of Church street. Reward. 15-c.

**Restoring Gift Frames.**

To restore gilt frames take a soft brush and carefully free the frames of every particle of dust, then cover with the following mixture: The white of one egg and one-half ounce of chloride of potassa. Apply with a soft brush. Scientific American says if you desire to cleanse gilt frames without tarnishing them, wash them in beer.
