

TAKES HIS LIFE

TREMENDOUS SENSATION IN NEWPORT SOCIETY

WAS DISAPPOINTED IN LOVE

Robert Reading Remington Retires to the Committee Room of One of the Small Clubs and There Shoots Himself Three Times in the Head. The Cause Was the Breaking of His Engagement With Miss May Van Alen—The Deceased Was a Man of Quiet Tastes and Has Been Despondent for Weeks—Body Will be Taken to New York.

Newport, R. I., August 18.—Disappointment over a broken matrimonial engagement is believed to have been the cause of the suicide here today of Robert Reading Remington, of New York. Mr. Remington came over to the club house from his rooms at the La-Forge cottage about 1 o'clock this afternoon and after reading the papers for some time, went to the committee rooms on the second floor. An hour and a half later two muffled reports were heard, but those in the building paid no attention to them. Later Mr. Remington's body was found by a member who went to the committee room. Remington evidently had been dead for some time. A local undertaker took charge of the body.

Mr. Remington was well known among the summer residents in this city and had been closely identified with the social world here for the last seven or eight years. His engagement to Miss May Van Alen, daughter of James Van Alen and grand daughter of Mrs. William Astor, had been discussed for some months. At first it was denied and then affirmed, but it is generally believed there was a definite engagement, which, however, was broken some three weeks ago. It is said that Mr. Van Alen was greatly opposed to the engagement from the beginning.

Since then Mr. Remington has been despondent although when asked about the engagement he steadily affirmed that he was to be married in the fall. He left the city about a week ago breaking up his domestic arrangements and sending away all his effects. Last Thursday, however, he suddenly returned to Newport. He had frequented the leading club of Newport and seemed to desire to be left alone.

When the body was discovered blood was coming from the mouth and a revolver was found by the dead man's side. A physician found that three shots had been fired from the revolver and an examination of the head showed that all three had taken effect. The first bullet, apparently, ploughed across the forehead, cutting a deep gash and the second plucked up over the head making a furrow on the top of the cranium but still not entering the skull. The third shot was fired through the mouth and the bullet entered the brain, death, probably, resulting instantly. The revolver was a .38 caliber. Mr. Remington was about 35 years of age and a member of the firm of Remington Brothers, of New York. He had always been known as a man of very quiet tastes. His death has caused a tremendous sensation here.

Tonight Mr. Remington's brother telegraphed from New York to have the body prepared for burial. It will be taken to Pittsburg, the former home of the Remingtons.

Weeds That Ought to be Cut Down.

Wilmington, N. C., August 18. Editor Messenger:

This is not written in a spirit of capricious criticism, nor with a desire to stick a peg in anyone's political aspirations. It's facts, and being very visible facts, it is surprising that the matter should be so entirely overlooked by those whose business it is to remedy the neglect.

Since weeds began to grow, the gutter on Market, north side, between Third and Fourth streets, has been obstructed by a rank growth. In addition to this, a bridge, in front of Mr. William H. Chadbourne's residence, forms a perfect dam when it rains, and causes the water to seek an outlet either in the middle of the street or on the side wall, washing out gullies.

Attention might be given to the condition of gutters on the same street, north side, between Second and Third streets. The gutter there is obliterated by sand.

The rank growth of weeds, all over the streets of the city, suggests the neglect that is often observed in the smallest village that does not boast of a sanitary or sewerage system. Such neglect is the subject of unfavorable criticism on the part of our summer visitors, whose eyes are open to defects as well as to attractions.

There may be a question of health involved in this condition of things, however, I am incompetent to write.

Respectfully,
GEORGE P. COTCHETT.

The Government's New Purchase.

Fourteen thousand two hundred and fifty dollars is the price the government offers for the Parsley property in Wilmington. Congress appropriated \$16,000 for the purchase of this property to be used for wharfage and custom house purposes. In compliance with this act the treasury department sent Special Agent Chapman to Wilmington a few days ago to make investigation as to the title and value. His report advised that the government should only offer \$12,250 for the Parsley site. This recommendation was made after considering the assessed valuation of the property and affidavits of citizens with reference to its value. Saturday Assistant Secretary Taylor took the matter up and gave a hearing to the local attorneys representing the Parsley estate. Secretary Taylor announced after the hearing that he would split the difference and make a straight offer of \$14,250 for the property. The attorney, are waiting to consult with their clients before accepting the offer.—Washington Special to Raleigh Post.

Clash Between Miners and Deputies. Tampa, Pa., August 18.—In a clash between strikers and deputies at Nesquehoning, Carbon county, in the Panther Creek valley this evening, one man was killed and several injured. The riot is still in progress. Troops will be asked for. The mining operators in that section are those of the Lehigh Coal and Navigation Company.

THE WILMINGTON RIOT.

A Boston Negro Paper Has an Article on It—Dr. Marshall Dead—New Charters Granted.

Messenger Bureau, Raleigh, N. C., August 18.

The secretary of state today issued charters to two new corporations. The most important one is the Charlotte Refining Company, of Charlotte, N. C., capital \$150,000. The object is the manufacture of cotton seed oil. It is incorporated by W. C. Johnson, J. Edgar Grace and J. S. Spencer. The other is the Griffin Transportation Company, of Griffin. It has for its object running a steamboat line between Griffin and New Bern. The capital is \$3,100. L. A. Cobb is the principal stockholder.

Rev. A. A. Marshall, D. D., pastor of the First Baptist church, died Sunday afternoon at 6:30 o'clock. He first suffered an attack of yellow jaundice last January. Later cancer of the liver developed and he has been sinking gradually for several months. Deceased was 46 years old, was three times married, last to Miss Jane Chastin, of Montezuma, Ga. He leaves six children, the youngest about a month old. Dr. Marshall was recognized as one of the most eloquent Baptist ministers in the state and had been pastor here nearly three years, having come from Forsyth, Ga., and was at one time pastor of Jackson Hill Baptist church, Atlanta, Ga. The remains were laid to rest today temporarily in a vault here, but will be ultimately carried to Montezuma, Ga.

Governor Aycock received today a marked copy of a negro paper, The Guardian, published at Boston, Mass., containing a most outrageous article regarding the negro Rogers, about whose extradition for arson at Durham, there is now some hitch, and governor of Massachusetts hesitating about honoring the extradition paper of Governor Aycock because of contentions of Rogers' friends that he would be lynched if allowed to be brought back here. The article is a bitter rehash of false statements about southern, and especially North Carolina, outrages against the negroes. The Wilmington riot is painted in fearful colors and the charge made that one "Wardwell," set fire to and burned the negro print-shop and other negro property there and no move was ever taken to punish him. Most of these charges are recited in an open letter from one R. H. Scott to Hon. J. R. Young, North Carolina insurance commissioner. There is a cartoon showing Governor Aycock with gun and rope being repelled from a bowed negro by the unarmed governor of Massachusetts. The paper created much merriment among the state officers this morning.

THE BOER GENERALS.

Leave London for the Continent.

Were Pleased With Their Reception.

London, August 18.—The Boer Generals, Botha, DeWet and Delarey, embarked this afternoon on the steamer Batavier, bound for Rotterdam. A large crowd awaited the generals and cheered the departing visitors.

Montagu White, the former consul general in London of the Transvaal, has issued a statement, authorized by the Boer generals as follows:

"The generals are proceeding to the continent for the purpose of greeting Mr. Kruger and Mr. Steyn and attending the funeral of General Lucas Meyer. Their present intention is to return to London at an early date for the transaction of business, but they have not decided on any fixed programme. During their brief stay in London the generals have been the recipients of many invitations and kind messages of welcome which they fully appreciate. The report that the decision of the generals not to visit the naval review was due to the influence of Mr. Fischer, is not true. Their real reason for declining the invitation Saturday was that they did not consider their attire quite suitable for a ceremonial visit, and the necessarily short notice conveyed to them did not give them the time for necessary preparations. They were glad, however, of the opportunity of paying their respects to the king and the queen a few days after they had made the necessary purchases and they are gratified at the kind manner in which they were received by his majesty."

Captain O'Donnell, who served on DeWet's staff throughout the war, starts immediately for America in order to prepare the way for the visit of the generals. He says that altogether about five hundred Americans were with the Boer forces.

To be Chief Foreign Adviser.

Pekin, August 18.—Yuan Shi Kai, viceroy of Chi-Li province, has engaged Charles Denby, Jr., who was secretary of the provisional government and who is the son of the former United States minister to China to be chief foreign adviser.

SOME LIGHT THROWN ON THE BARTHOLOM-MITCHELL CASE.

INQUEST WILL BE RENEWED

The Police Believe They Are Now Nearer the Solution of the Problem Than Before—Edward Counselman Held Ten Days Charged With Being Accessory After the Fact in the Murder—W. M. Allen, a Fellow-Workman of Counselman Tells of the Latter's Interest in the Case and His Nervousness—A Note from Bartholin in the Hands of the Police.

Chicago, August 18.—Developments today in the Bartholin-Mitchell murder mystery have led the police to believe they are nearer the solution of the problem that has been puzzling them for over a week than ever before. Edward Counselman, the intimate friend of William J. Bartholin, who was kept in custody for possible knowledge of the crimes, was taken before Justice Quinn today and held for ten days in bonds of \$10,000, charged with being accessory after the fact in the murders of Minnie Mitchell and Mrs. Anne Bartholin.

Counselman admitted he had met Bartholin and that Bartholin said he was in trouble over Minnie Mitchell. The most damaging testimony as to Counselman's possibly guilty knowledge of the murder of the two women was from a new witness whom the police found today. W. M. Allen, a fellow-workman of Counselman's, Allen said that Counselman had told him repeatedly that he knew a great deal about the trouble Bartholin was in. When Allen suggested that Counselman tell the police what he knew the latter said he would do no such thing; that Bartholin was his friend and that he was too shrewd for police. Allen said that he knew a great deal about the opinion that Bartholin had easily had time to reach the Seaboard. Allen said Counselman expressed the greatest anxiety over the case as it developed in the newspapers and that frequently Counselman would walk from the suburb of Harvey, where the two men worked as far as Kensington to secure the papers. For three days Counselman did not do any work because of nervousness. The police have the testimony of another witness who is positive he saw Counselman and Bartholin together on August 7th, the day the body of Minnie Mitchell was found.

Counselman's wife begged him repeatedly to tell the police all he knew, but so far Counselman has been obdurate. A note from Bartholin to Counselman asking for money and saying that the writer was in trouble is held by the police. It was this note which Counselman had tried to secure from his wife by choking her that led to his arrest.

The postponement inquest over the body of Minnie Mitchell will be resumed tomorrow.

LEASE OF ROLLING STOCK.

Chesapeake and Ohio Adds Material to Their Equipment.

Richmond, Va., August 18.—The Chesapeake and Ohio Railroad Company has leased from Edward T. Stotesbury, of Philadelphia, rolling stock consisting of twenty-five consolidated wide fire box locomotives, 1,000 steel gondolas, 300 wooden box cars, 400 wooden gondolas, 200 wooden coke cars, 110 wooden hopper bottom gondolas, 200 wooden flat cars, for the sum of \$2,000,000.

The Girard Trust Company, of Philadelphia, on behalf of Edward T. Stotesbury, has secured subscriptions to the amount of \$2,000,000 and a fund to be known as "the Chesapeake and Ohio Car Trust, Series B," which is to be applied to the purchase of the purchase prices of the railroad equipment and rolling stock mentioned above. The parties subscribing to the fund are secured in the payment in ten annual installments of \$200,000 each, beginning on the fifteenth of August, of next year, with interest at 4 per cent. The rights of Stotesbury are assigned to the Girard Trust Company.

Constabulary and Ladrones in a Fight.

Manila, August 18.—A force of native constabulary engaged a band of Ladrones in a sharp fight last Saturday near Calocan about four miles north of Manila. The arrival of reinforcements for the constabulary won them the victory. Four members of the constabulary were killed and one was wounded. Ladrones left three of their number dead but carried off their wounded.

The chase of the Cavite Ladrones through the mountains of that province continues. Forces of native constabulary have had encounters with the bands of Felizardo and Montellon. Several of the Ladrones were killed or captured and a quantity of their supplies was destroyed.

A Strike Ordered.

New York, August 18.—A strike was ordered today by the International Brotherhood of Blacksmiths and helpers in all shops where an advance of ten per cent in wages is not granted. The strike affects shipyards principally, and 1,000 men employed in different yards quit work today as a result of the strike order.

MR. SCHWAB WILL PROBABLY RETIRE FROM BUSINESS

ACTS ON PHYSICIAN'S ADVICE

Acting on the Advice of His Physician, the President of the Steel Trust Retire from Business Life for Some Time—Mr. Schwab Remains at Home all the Time, But Cannot be Seen by Callers—His Retirement it is Believed, Would be Followed by Extensive Changes in the Membership of the Organization—Rumors as to Who Would Succeed Him.

Pittsburg, August 18.—A Loretto, special to Pittsburg Dispatch says:

President Charles M. Schwab, of the United States Steel corporation has accepted the advice of physicians and decided to retire indefinitely from an active business life. He will leave America to seek some quiet nook in a foreign clime where not an echo of the strenuous life he has led can reach him. This information is authentic. Dr. Golden never leaves the Schwab home and the exact nature of his patient's illness cannot be learned through him. Mr. Schwab is not confined to his bed but spends much of his time at a "viewing" which affords fresh air and a sweeping view of the mountains in his parents. He is always with his wife and his parents. The strange part of Mr. Schwab's illness is that he is always within view of those who call at home yet he will not allow any person to approach him. Herefore the visitor to the Schwab home is greeted with a hearty welcome and a vigorous "hand shake." Now the visitor is met at the entrance and told that Mr. Schwab cannot be seen. Intimates of the family confirm the same message and none have been able to converse with Mr. Schwab since he came back to his home.

Extensive Changes Would Occur. The retirement of Charles M. Schwab from the presidency of the United States Steel Corporation is now commonly accepted as determined upon, notwithstanding recent official denials and present reluctance in official quarters to confirm the report. President Schwab's impaired health is the reason for this action.

In well informed quarters it is believed that his retirement will be followed by extensive changes in the membership of the organization. The success of the presidency is a matter of surmise only and if it has been decided no information can be had on the subject. But there are many positions of importance in the United States Steel corporation now held by persons who confirm the view of President Schwab's retirement.
