ANNOUNCEMENT OF HOW TO GET COAL
 COUNTY BOARD OF ASSESSORS
 BECOME OWNERS OF REAL ESTATE IN UNIQUE WAY.

STOCK BELOW DANGER POINT
 Farmer in Patterson Township, Durham County Knows That His Assessment Was not Too High.

Durham.—The life of the assessors is not always assessing. It is calculated to spring surprises, as in the case of Robert Hopson, in Patterson township, which occurred in the past few days. Spence Suitt and Gene Shepherd, townships assessors of real estate, were in Paterson township, and assessed Mr. Robert Hopson's farm of 48 acres at \$1,800. Mr. Hopson objected to the figures in emphatic words, and said he would sell his farm at that price, and consider that he got a good price for it. The two assessors took him at his word, and took his farm right there and then. Before the deed could be made out in their names they sold the place for the sum of \$2,000. Mr. Hopson made the deed to the party to whom the assessors sold the place. Not every time is a man's property assessed too high.

Hamlet.—A meeting of former service men who served honorably during the period of the world war was called at Hamlet Y. M. C. A. for the purpose of organizing a post in the American Legion.

Fayetteville.—Margaret Alice Davis, little daughter of Mr. and Mrs. E. G. Davis, of this city, died from burns received when her clothing caught fire from the flames in a fireplace in her home.

Kinston.—Witnesses in the recorder's court here swore they saw Willie Davis and Willie Lee, employed at Frank Taylor's store at the "Iron Bridge" sell whiskey over the counter freely. A jury of six men, including several representative citizens, acquitted the men.

Raleigh.—The chamber of commerce announced the perfection of plans for the erection of a big bonded storage warehouse in Raleigh, which will be available for the storage of all kinds of goods and merchandise by Raleigh merchants or merchants of other sections of the state.

Albemarle.—Twenty-eight members of the local textile union, including the president, H. M. Barbee, and the secretary, H. M. York; also Marvin Rich, Charlotte lawyer and labor leader, and J. H. Graham, labor organizer of Concord, all implicated in the strike trouble, and rioting which occurred here at the Wicaccett Mills on September 15, pleaded guilty to the fourth count in the bill of indictment, charging conspiracy. Rich and Graham were fined \$600 each and taxed with court costs and expenses which will amount to several hundred dollars.

Washington.—Farmers on the south side of the Pamlico river will be able to bring their tobacco to town and to do whatever trading they have to do in Washington by coming direct from Chocowinity to Washington over the new hard-surfaced road. Arrangements have been made to keep the road open for traffic for five days.

Winston-Salem.—The late R. J. Reynolds, the tobacco "king", who died July 29, 1918, left an estate valued at \$17,119,429.31, according to an inventory for Forsyth superior court by Mrs. Katherine Reynolds, widow of the deceased and administratrix of the great estate. It has been figured out that the State of North Carolina will receive an inheritance tax of approximately \$528,575.

Shaw Takes the Field.
 Fayetteville.—A new candidate entered the field against Congressman Godwin when it was announced that John G. Shaw, former member of the house of representatives, would be a candidate for the congressional seat from the sixth district.

The announcement is creating much interest and well-informed political observers say that he will make a strong run while Mr. Shaw's friends are freely predicting that he will emerge the victor in the big scrap now warming up in "the bloody sixth."

Fine Moon's Outfit.
 Statesville.—Iredell officers made a big haul when they captured a blockade distilling outfit near the Wilkes line. It was a 50 gallon still and was made of solid copper, being one of the finest and most complete blockade outfits ever captured. There were four men in charge of the plant when they saw or heard Deputies O. L. Woodside, E. V. Privett, W. W. Woodward and J. L. Mihol coming and they made their escape in such haste that the officers were unable to catch them.

 "I assume that your wife generally has the last word."
 "Yes," replied Mr. Meekton. "Also the first word and most of those in between."

REBELLION IN STOMACH
 "Pape's Diapepsin" at once ends Indigestion and Sour, Acid Stomach

Lumps of undigested food cause pain. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just take a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the pain, acidity, indigestion and distress.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless stomach antacid is Pape's Diapepsin, which costs so little at drug stores.—Adv.

Take strict heed to thy ways; set a watch over thy actions; and govern the thoughts of thy heart.—Dorothea Dix.

GREEN'S AUGUST FLOWER.
 Stop a minute and think what it means to say that "Green's August Flower" has been a household remedy all over the civilized world for more than half a century." No higher praise is possible and no better remedy can be found for constipation, intestinal troubles, torpid liver and the depressed feeling that accompanies such disorders. It is most valuable for indigestion or nervous dyspepsia and liver trouble, coming up of food, palpitation of heart, and many other symptoms. A few doses of August Flower will relieve you. It is a gentle laxative. Ask your druggist. Sold in all civilized countries.—Adv.

Some men use all the material they have at hand in making fools of themselves.

I'M SO GLAD I DIDN'T TAKE NASTY, SICKENING CALOMEL

"Dodson's Liver Tone" Makes You Feel Just Grand and You Can Eat Anything and Not Be Salivated

Calomel salivates! If you feel bilious, headachy, constipated. If your skin is sallow, your breath bad, your stomach sour just go to any druggist and get for a few cents a bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous Calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty Calomel and without making you sick, you just go back and get your money.

If you take Calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, with a hearty appetite, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children.—Adv.
