HERE is usually some corner of the house where unique designs in furniture are appropriate and to be desired.

We are here to sell you the designs that you prefer and if you will give us an idea of your needs we will suggest designs to suit.

Remember, it is our business to please you; we can and will.

### Rayo LAMPS

"East or West  
Home's Best"

There's a real comfort these long evenings at home in the big armchair reading by the soft mellow glow of a Rayo Lamp.

Rayo Lamps are scientifically constructed and give a clear, steady light—without flicker or glare—that can't hurt the eyes. They add a touch of cheery comfort to the living room or any room—give kerosene light at its best.

Made of brass nickel-plated—easy to light, clean and rewick—smokeless, odorless.

### 66 Years Success

The Wonderful Record of Dr. Thacher's Liver and Blood Syrup.

Those medicines which live for even a quarter of a century are exceptional, and continuous use for over two-thirds of a century is indisputable evidence of wonderful merit.

Dr. Thacher's Liver and Blood Syrup came into existence in 1852, and from that time to the present it has grown in the confidence and estimation of its yearly increasing number of users. Through all these years it has steadily grown in popular favor.

Its wonderful building up power is shown in the experience of Mrs. C. E. Chadwick, Sear, Ala. "I was all run down in health," she says. "I weighed only 104 pounds and getting worse every day. I began the use of Dr. Thacher's Liver and Blood Syrup and today, I am thankful to say, I am in perfect health and weigh 155 pounds. I attribute my good health to the use of that most wonderful medicine. I firmly believe there are numerous suffering people that could be sound and well by the use of Dr. Thacher's Liver and Blood Syrup."

If you need a tonic, or a blood purifier; if your liver is out of order, your stomach troubles you, or you are constipated, have indigestion or dyspepsia, try Dr. Thacher's Liver and Blood Syrup. It is purely vegetable and cannot possibly injure any one. It has been of wonderful benefit to others, therefore should command your attention. All dealers in medicines sell it and will recommend it.

## THE UNIVERSITY OF NORTH CAROLINA 1795 - 1917

Immediate and thorough preparation in school and college for the great tasks of the next decade is the duty and the personal opportunity of every young man.

The period that will follow the war will have extraordinary need for men with trained powers, and with real values to offer in reconstructive service.

There is no difference of opinion on this subject. Business leaders of vision throughout the nation, and leaders of public life in our own state have spoken to this effect with clearness and emphasis.

England, France, Canada and Germany, in the midst of a struggle infinitely more exhausting than our own, have doubled their educational efforts and expenditures.

No young man in North Carolina, with a deep desire for a rich and steadily growing productive life, should hesitate to make any temporary sacrifice necessary to get now the fullest and best preparation possible.

To young men with a purpose to lead lives of efficiency and deep genuine usefulness: MAKE YOUR DECISION NOW, AND SEE IT THROUGH!

The University of North Carolina offers excellent training under the highest standards of scholarship in

The School of Liberal Arts	The School of Medicine
The School of Applied Science	The School of Law
The Graduate School	The School of Education
The School of Education	The Summea School

The Bureau of Extension

The work for the remainder of this college year will be divided into two quarters, and the schedule of courses will be so arranged that a student may begin at the opening of the winter quarter and pursue courses as complete units during these quarters.

No advantage will be gained by waiting until the opening of another college year.

The winter quarter begins January 4. Registration, January 2-3.
