

WEEK OF STORMS.

The past week has been one of disaster death and destruction throughout many parts of the United States. The last or last week the Southeast was visited by heavy rains accompanied with severe wind storms which played havoc in Georgia, Mississippi, Louisiana, Alabama and Arkansas.

Monday, the west was swept by a tornado, which struck Omaha Nebraska and vicinity with all its severity, destroying millions of property, and leaving a death toll of 140, leaving hundreds homeless and causing untold misery. This is the worst windstorm that has ever visited the west.

To add to the misery of the homeless and desolate in the area swept by the tornado it was followed by a blizzard.

Tuesday Southern Ohio suffered her share of the anger of the elements, when, because of the heavy down pour a dam above Dayton, broke and flooded that and nearby towns and cities, numbers are reported to have been drowned. A passenger train on the Pennsylvania lines plunged into a river near Bellefontaine, Ohio. The rivers and creeks throughout the northern Mississippi valley are on the rampage, levees are breaking and dispatches from New Orleans are to the effect that the river is rapidly rising.

Later reports from Dayton, Ohio say that 5000 people were drowned in that city, as a result of the flood and breaking of the dam. The mayor of that city wired to Springfield

for aid. It is said that fully 50,000 people in the state of Ohio are in need of food and clothing. 200 people are reported to have lost their lives in Peru, Ind. Ohio, Indiana, Illinois and Missouri suffered severely in the storms. The cities of Dayton, Terre Haute, Indianapolis, Lafayette, Delaware, Columbus and Youngston were swept by flood and present pitiable spectacles of suffering and want. Railways are put out of commission and telegraphic communication with the storm swept area is almost impossible. 10,000 people are homeless in Columbus, Ohio, and the rain continues to pour in torrents.

RESOLUTIONS OF RESPECT.

Whereas, it has pleased our Heavenly Father to take from our ranks one of our most beloved members, Miss Sallie Alley, therefore be it resolved.

First. That we bow in humble submission to the will of Him who doeth all things well.

Second that we have lost, in this dear one, a most loyal and faithful member, a constant worker and a believer in our society.

Third. That we extend our sympathy to the bereaved family of the deceased and point them to the Great Comforter for solace in this sad hour.

And, finally, that a copy of these resolutions be written upon the minutes of the Columbian Literary Society, a copy be sent to the Jackson County Journal for publication, and, also, a copy be sent to the family of the deceased member. Columbian Literary Society.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
