**IDENTIFIED HER ALL RIGHT METHOD IN THEIR MOVEMENT**

Tots Proved They Knew Principal, Though Their Explanation Might Have Been More Dignified.

Ned and Joseph, two tots in the first primary grade, had been fighting on the way home from school at noon. Their own teacher scolded them, but it did no good, for they fought again on the way home that very noon. The teacher went to the principal. "I want you to say something to them," she told her. "I'm sure they will be more impressed then."

That afternoon the principal did as she was asked. She talked long and earnestly on the evils of fighting, but neither of the culprits seemed the least bit moved. Finally she ended, "Now, I say you must not fight, and I mean it." Grimly she eyed them. "And you both know who I am—don't you?"

Both nodded their heads and Joe said cheerfully, "Why, you're the lady who rings the bell for the other teachers—aren't you?"

May Produce Blue Guinea Pigs.

Dr. H. L. Ibsen, professor of genetics and color heritage at a Western agricultural college, is conducting an experiment to produce blue guinea pigs for a Chicago dealer in guinea pigs, rabbits and rats.

Blue rats, rabbits and various other small animals have been produced, but the breeding of blue guinea pigs has never yet been accomplished. Doctor Ibsen has done work in this field that ranks high among the breeding geneticists of the country.

**GHOST PLAYS  
 CHURCH ORGAN**

Curious Sight and Sounds Frighten People in English Village.

**VICAR HEARS MUSIC**

Mysterious Will-o'-the-Wisp Lights Frighten Volunteer Band Marching By—Church Is of the Norman Period.

Hereford, Eng.—The little village of Avenbury, which lies in a secluded valley of Herefordshire, has a haunted church.

The church is of the Norman period and tales concerning its ghost have become like household words. There are many stories of different ghosts in various forms, but the most astonishing visitant is one which plays the church organ.

**Hears Ghost Play.**

"I have heard the ghost play twice myself," said the Rev. Archer Sheppard, the vicar. "Some neighbors brought the matter to my notice first. They heard the sounds when they were walking by the church one afternoon, and thought that it was my organist practicing. They found, however, that the church was locked up."

"The first time I heard the ghostly playing was while I was gardening. I believed that the woman who cleaned out the church was allowing her child to use the organ, and I went to see into the matter. The music stopped when I was a few yards from the church, and I found that the building was locked and empty."

"This ghost was at Avenbury before Mr. Sheppard became vicar," said Col. Purser of Bromyard. "I told him the story, but he did not believe it until he heard the music himself. My children and I have heard it, and it sounds like a voluntary. Once my children were in the church when there was a groan. They rushed out into the chancel whence the sound appeared to come, but there was nothing to be seen."

**Mysterious Lights.**

"Mysterious will-o'-the-wisp lights are also said to have been seen, and a volunteer band which was march-

ing by the churchyard was badly frightened in this way.

"Avenbury church has always had a ghost. A certain Nicholas Vaughan burnt down a palace of the Bishop of Hereford in the Middle Ages. His ghost was 'laid' by twelve clergymen with twelve candles. A small piece of the twelfth candle was burnt and the remainder put in a silver casket under a stone, which stands ten yards above the church footbridge over the River Frome. They put a spell on the ghost not to return until the candle was burnt out and the casket carried into the Red Sea."

**GOES TO JAIL TO AID FATHER**

Parent Needs the \$200 Cash He Put Up for Son's Bail in New York.

Middletown, N. Y.—After Frank Fridayoster of New York had escaped from Hampton farms, near here, he was captured, served the remainder of his term, then was re-arrested and locked up in the Orange county jail at Goshen to await action of the grand jury which is expected to indict him for escaping.

Several weeks ago the young man was bailed out by his father, who deposited \$200 cash.

Later Fridayoster walked into the office of Sheriff Leonard and asked to be locked up again in order that his father might have the \$200, which he greatly needed. His request was complied with and the father had the money returned to him at once.

Mrs. Hunt tells how it helped her  
 Detroit, Mich.—"I was in a general run-down condition, was very nervous and tired, had backache and other troubles. I suffered for several years, was not able to work at times and tried doctor's medicine with no results. I saw Lydia E. Pinkham's Vegetable Compound advertised, and after taking it a short time I was much better. I am still taking it myself and giving it to my daughter, and am glad to recommend Vegetable Compound at any time." — Mrs. M. E. Hunt, 171 Davison Ave.
