COMPROMISED.

NEW YORK, Oct. 30.—The Brooklyn Trust company have just compromised a suit growing out of the defalcation of its former president, the late Ethelbert S. Mills, by paying bonds to the value of \$125,000 and costs amounting to \$15,000.

BULLS AND BEARS.

Great excitement exists on produce exchange between the brokers for the bull clique and members of the bear party, who have been badly squeezed. After change hours yesterday, hot words were exchanged.

RAILROAD COMBINATION.

It was stated yesterday that the Michigan Southern, Michigan Central and Fort Wayne R. R. Co.'s had agreed to pool their earnings on the basis of traffic of '73 and '74, and that the Baltimore and Ohio R. R. Co.'s had combined with such of these roads as were necessary to form in conjunction with the Union Pacific, a through line from New York to the Pacific.

THE SOUTH.

SEIZURE OF CIGARS.

MEMPHIS, Oct. 30.—Gen. Patterson, collector of internal revenue, seized about 30,000 cigars in the hands of various dealers, because the maker's name was pressed into the boxes instead of being branded in with a brand as required by law.

ARRANGEMENTS PACIFIC R. R. CONVENTION. Arrangements have been made with all the railroad companies here to carry delegates to the Southern Pacific railroad convention here on the 19th of November, at one fare for the round trip.

A MUNICIPAL GIFT.

Col. Michael Mergewenil, a prominent citizen, has deeded a house and six acres of ground on the boulevard near the city, to the sisters of the Good Shepherd, as an asylum for fallen women and indigent children.

A DAMAGING STORM.

LOUISVILLE, Oct. 30.—A severe rain, wind, and hail storm passed over this city last evening and early this morning, causing a number of houses to be unroofed, blown down, and damaged. No loss of life.

Financial.

LONDON, Oct. 30.—On Monday next the Bank of England will be closed, it being the day for striking the regular half-yearly balances.

NEW YORK, Oct. 30.—Bank statement; loans decreased \$1,669,800; specie increase \$3,514,300; legal tenders decreased \$1,347,500; deposits decreased \$2,395,500; circulation increase, \$181,500; reserve increase, \$2,865,605.

FOREIGN.

WASHINGTON, Oct. 30.—The Madrid telegram of yesterday saying on the authority of Epera, that the Spanish cabinet recently discussed its reply to the Washington note, doubtless refers to a summary of an unsettled question between Spain and the United States, submitted by Minister Cushing, but involving no new points of controversy.

SUSPENSION OF MANUFACTORIES.

LONDON, Oct. 30.—The Leeds Mercury of to-day says that the large iron producers, Blocknew, Naughan & Co., employing in their collieries, mills and works, nearly ten thousand men, have notified their employees at Middlesborough, Wotton Parke, and Eston Works, in Workshire, that owing to a depression of business, their engagements must terminate on the 30th of November.

CAIRO, Egypt, Oct. 30.—The Egyptian army has entered Abyssinia.—The Abyssinians are retreating and offering no resistance.

Alleged Forger Discharged.

NEW YORK, Oct. 30.—John E. Hall, arrested for alleged complicity in forgeries of letters of credit on the bank of British North America, was discharged to-day on the ground that the prosecution had failed to produce any direct evidence.

The Bible and Bloodshed.

NEW YORK, Oct. 30.—The Board of Education of Unionville, N. J., voted last night to prohibit the reading of the bible in the public schools hereafter. Some citizens openly threatened that there should be bloodshed before the bible would be removed.

Body Found.

MIDDLETON, N. Y.—The German whose body was found on the Erie railroad track near Otisville, Thursday last, has been identified as Gottlieb Lulish, of Oshkosh, Wis., who, with his wife, was on the way to Germany.

Mississippi.

WASHINGTON, Oct. 30.—A dispatch was received by the attorney general this morning, from a representative of the department of justice in Mississippi, stating that the pacific arrangements for election made by the opposing party organizations, will be newly carried out.

Relief for Cuba.

NEW YORK, Oct. 30.—A large quantity of provisions are going to Cuba. The city of Vera Cruz, took out a full load, and to-day two extra steamers left for the same destination.

IN consequence of a recent arrival in Havana of 150,000 troops it is surmised that the provisions are intended for them. The cereals taken out includes rye and wheat in vast quantities, and when the seven thousand more Spanish troops land it is supposed that the export of breadstuffs will be doubled. All steamers which have sailed recently for Havana, have been packed, as far as safety would admit. The demand for space in the steamers billed to leave within the next two weeks is greater than the capacity of vessels. In consequence, several extra steamers will leave within a fortnight.

Fatal Railroad Accident.

CINCINNATI, Oct. 30.—A Times Indianapolis special says, as a freight train on the Panhandle R. R. was approaching a bridge near Cambridge, Indiana, last night, during a terrific storm the engineer saw the bridge totter and fall. He reversed the engine, jumped out and saved his life. The engine and four cars went through, carrying the fireman and head brakeman, and killed both.

GENERAL NEWS.

Salt Lake City has had a \$20,000 fire.

Two lightning mail trains are to be put on between Washington and Chicago.

One million five hundred thousand dollars is about the sum total of insurance on the Virginia City burnt district.

Young Fogg, who shot his Paulina in St. Louis Wednesday, and then stabbed himself, died the day following. Paulina survives.

Miss Evelyn M. Chapman, of Indiana, Iowa, took the first prize in the state oratorical contest held at Des Moines on the 28th. Her subject was the social question and entitled "Open the Gate."

The following appointments have been made by the president: Thos. J. Mitchell, of Illinois, agent for the Crow Indians in Montana. Dexter E. Clapp, agent for the Indians of the Milk River agency in Montana.

At the recent big fire in Virginia City the county records were consumed, and there is talk of petitioning the governor to call an extra session of the legislature to provide laws for the protection of real property there.

It is announced that C. W. Mead will retire from the position of general manager of the Northern Pacific railway, for the winter, to be absent some five or six months on private business, and that he will be succeeded for the time by W. S. Alexander, the present freight agent.

Vegetable Contest.

The Elk Point Courier says, under the heading of "Yankton Vegetables:" G. W. Kellogg, at our fair entered the cabbage that had the premium tag on from the territorial fair, but as it only weighed nineteen and one-half pounds, and one placed on exhibition by Mr. Gilbert weighed 40. Wash declares his was the top of Union county, and wanted another trial. So he was allowed to take it away with a promise of another chance next fall, and he thinks by giving it a good chance he can make a respectable showing with it.

Northern Nebraska.

Elk Point Courier, Oct. 27th. Mr. J. Wilbur, of Ponca, Neb., was in our office a few days since, and from him we received the particulars of the destructive prairie fire in that vicinity last week. It appears that George Fleming set fire to the grass on his premises, and paying no attention to it, and the wind being high, it soon spread over the neighborhood, and then commenced a scene of destruction seldom witnessed. In a few moments Mr. Wilbur lost ten acres of corn and tons of hay. Mr. Hayden, who was the greatest sufferer, lost a new wagon, 140 tons of hay and 400 bushels of wheat, and as he has quite a herd of cattle he is placed in straightened circumstances for want of provender. Mr. McDonald's loss in wheat and hay was quite heavy. Mr. Arnold, who, with all the neighbors, men, women and children, was engaged in fighting the fire, was severely burned, and her having on what is known as a "honey" dress, was the only thing that saved her life, it not being as combustible as other goods. We learn that suit has been entered against Fleming. If it is true that through his negligence or carelessness this great destruction of property occurred, he ought to be severely dealt with.
