Next Sabbath evening O. B. Reynolds opens his series of lectures on infidelity. Bishop Marty is making preparations to leave Yankton and take up his residence elsewhere.

The Press and Dakotian is made the official paper of Yankton county by the new board of commissioners.

A meeting of the Modern Woodmen of America will occur this evening at G. A. S. hall for the installation of officers and other business.

The first and second primary classes in the Lincoln school were dismissed this forenoon on account of the rooms not being sufficiently warm for the comfort of the scholars.

It is probable that the present session of the county commissioners will last ten days or two weeks. The board is now engaged on its periodical settlement with the treasurer.

Last evening the annual meeting of the First National bank occurred at which the customary dividend was declared and J. O. McVay was continued as president and W. H. McVay as cashier.

On Saturday afternoon of this week the voters of Yankton county are expected to assemble at the court house in mass convention and elect ten delegates to the Honron convention, which is to take steps to push the statehood matter.

Fred Schnaber has found a place where he can gather ice ten inches thick and has put his force at work securing a summer supply of coolness. This is rather thin, but will be found quite as cold as the thicker ice they have down east.

The river channel opposite the city is still open, though the shore ice reached out a considerable distance last night.

There are about a dozen new students in the college this term, making a larger number now in attendance than ever before. The institution is in a prosperous condition and is doing good work.

Yankton has reason to be proud of her educational institutions.

In yesterday's report of the council proceedings Alderman Edgerton is made to vote on both sides of the motion to expunge the censure of the board of health from the record. He voted aye and where his name appears in the news it should read "Alderman English."

Old winter made a thrust at us last night, but nothing very serious came of it. There was a howling wind all night and this morning the mercury was down to twelve above zero. To-day's indications are that the whole affair was a false alarm and that the lilac bushes can proceed with their spring work.

A citizen of Yankton requests us not to mention the fact that he has a pea vine during the past two months and is still green and flourishing. He also desires us to suppress his name for fear of the consequences. In the course of a few weeks he expects to have green peas

for dinner and there won't be enough to go around among the neighbors. This, however, is reliable. We have not printed any of the unauthenticated stories about the mosquitoes being troublesome down around the mouth of the Rhine.

It was found that the appointment of Dr. Turkopp as county physician was according to Hoyle and the statutes and Dr. Turkopp is county physician for the ensuing year at a salary of \$400 a year, which pays for medicine as well as medical attendance. Under the law the board must advertise for bids for janitor's services and some of the county supplies and this will be done forthwith.

PERSONAL.
Judge C. S. Palmer, of Sioux Falls, was in Yankton last night.

W. E. Peak, of the Milwaukee road, is a visitor to Yankton to-day.

Thanks from the Mayor's wife. Yankton, Jan. 9, 1889.—To the Press and Dakotian: I desire to express my thanks, and those of the mayor (contained in a private letter) to the board of health for their prompt and efficient action in closing the schools. This has apparently stopped the spread of scarlet fever, which threatened at one time to make as great havoc in our midst as it did two years ago. Everyone at all acquainted with cities, knows that the board of health is the most atrocious of organizations, and its mandates are never questioned. We are to be congratulated on having this body composed of men fearless enough to do their duty, in spite of the criticisms inevitable in a country town. Mothers can send their children to school now in a much more secure state of mind, than existed a month ago. Mrs. J. H. TELLER.

The regular meeting of the W. O. T. U. will be held in the Congregational chapel Thursday, Jan. 10th, at 3 p. m. Sec'y.

ECZEMA CAN BE CURED.

The most agonizing, humiliating, itching, scaly, and burning skin disease is cured by the Cuticura Remedies, when physicians and other remedies fail.

I have been afflicted since last March with a skin disease the doctors called Eczema. My face was covered with scabs and sores, and the itching and burning were almost unbearable. Being year Cuticura Remedies, when highly recommended, concluded to give them a trial, using the Cuticura and Cuticura Soap, externally and Resolvent internally for four months. I feel myself cured, in gratitude for which I make this public statement.

MRS. OLGA A. FREDERICK, Broad Brook, Conn.

ECZEMA THREE YEARS CURED.
Cuticura Remedies are the greatest medicines on earth. Had the worst case of Salt Rheum in the country. My mother had it twenty years, and in fact died from it. I believe Cuticura would have saved her life. My arms, breast, and head were covered for three years, which nothing relieved or cured until I used the Cuticura Remedies.

J. W. ADAMS, Newark, O.

ECZEMA ON BABY CURED.
My baby has been troubled with eczema on his face, neck, head, ears, and entire body. He was one mass of scabs and sores, and I tried his hands to prevent his scratching. I have spent dollars on remedies without effect, but after using one box Cuticura Soap, the eczema on his face is entirely cured. I cannot thank you enough for the same.

W. W. BROWN, 12 Mill St., Brooklyn, E. D. N. Y.

ECZEMA ON HANDS CURED.
Two years and a half ago Salt Rheum broke out on my right hand. It appeared in white blisters, attended by terrible itching, and gradually spread until it covered the entire back of the hand. The disease next appeared on my left hand. I tried many remedies, but could find no cure until I obtained the Cuticura Remedies, which effected a speedy and permanent cure. JAMES P. KEARNEY, 254 Wood Avenue, Detroit.
