DEAN'S celebrated Chemical Plaster. AN IMPORTANT DISCOVERY FOR Rheumatism, Fecrosis, White Swellings, Inflammation in the eye, Barren, Stuffed Throat in Scarlet Fever, Quinsy, &c. TO THE PUBLIC. To whom it may concern.—This may certify, that I, ERASTUS DEAN, the proprietor of E. Dean's Chemical Plaster, have for more than twenty years been in a delicate state of health, so that I have been unable to prepare and circulate said plaster to that extent which the interest of the suffering community demands; and feeling that so valuable an article ought to be made known to the afflicted, I have made arrangements with H. Harris & Co., of Ashabula, Ohio, to manufacture and vend it in my name as my sole successors. This, therefore, may be relied on as the genuine article heretofore prepared by me. As witness my hand. ERASTUS DEAN. Westfield, Chautauque co., N. Y., Jan. 1, 1839.

The Chemical Plaster is an important remedy to all those who are afflicted with inflammatory complaints by its casing pain, counteracting inflammation, and giving speedy relief, by its active, strengthening and sanolific properties. An effectual remedy for inflammatory rheumatism, ague in the breast, cramp, burns, bruises, scrofula, old sores, ulcers of almost every description, cankered and swelled throat arising from scarlet fever, felons, white swellings, chilblains, &c.—Persons suffering from liver complaints, pulmonary diseases, inflammation of the lungs, with pains in the side and breast, pain and weakness in the back, will find relief. In all cases it may be used with safety. The Plaster is now put up in boxes at 50 cents and 1 dollar each. Made and sold, wholesale and retail, by H. HARRIS & Co., Ashabula, Ohio, sole proprietors.—None genuine unless signed by H. Harris on the wrapper.

TESTIMONIALS. PEERS LIST, Pa., April 7. Messrs. Harris & Co.—Sirs: Since I was at your store in July last, I have used E. Dean's Chemical Plaster, which I have received from you at different times, and feel myself in duty bound to you as proprietors, and to the public generally, to recommend the same as a safe and efficacious remedy for those complaints for which it is recommended. I have used it in several cases of inflamed eyes, in some of which its effects as a curative have been decided, and in no case has it failed of giving relief where it has been applied according to directions, and all who have used it are perfectly satisfied with it so far as I know. I have also applied it in some severe cases of ague in the breast with the happiest effects. I would also relate the case of Mr. Thomas Logan, who has been afflicted with the rheumatism in one hip for thirteen years, so that he had been compelled to abandon labor, in a great measure. I let him have a box of the Plaster, he applied it, and for three days found, as he supposed, no benefit, but after that he perceived that the pain was not so severe, and in less than two weeks he could labor hard all day and rest free from pain at night. He says he would not part with the box he has for three hundred dollars, providing he could not obtain another. He alludes to me, keep it on hand and recommend it wherever you go. I have used the Plaster in cases of pains in the side, back, shoulders, &c. with like good effect. Yours, &c. DANIEL KNEELAND, M.D. Ottawa, June 18, 1839.

Messrs. Harris & Co.—Sirs: I have used E. Dean's Chemical Plaster for some years past and do cheerfully recommend it to physicians and the public generally as an invaluable remedy in chronic and acute rheumatism, strains of the wrist, ankle, shoulder, &c. In felons, whitlow and scrofulous swellings of all descriptions, it is generally an effectual remedy. In short, wherever there is pain, it is almost sure to give relief in a few hours. I have used it in a great number of rheumatic affections. One of my patients aged 40, full habit, had a rheumatic swelling on one leg. He had been unable to get out of the house for three months; his leg was swelled to an enormous size, twice its usual thickness; every thing had been done without success, until we commenced using Dean's Chemical Plaster. We enveloped the knee and a portion of the limb in the Plaster, and in three days the swelling entirely disappeared, and in ten days he went about his ordinary business. Such has been our success with the article, and we now willingly recommend it to the public for a trial. Yours, &c. J. H. REYNOLDS, M. D. Druggist at Chicago and Juliet, J. H. Emore, Peru, and James Darley, Hennipen, Ill. All orders sent to H. Harris & Co., Ashabula, Ohio, for the above medicine, will be promptly attended to. Be particular to enquire for Dean's Chemical Plaster. Ottawa, August 14, 1840.

Hay's Liniment. NO FICTIO.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gray's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant Solomon Hays the secret of his discovery. It is now used in the principal hospitals, and the private practice in our country, first and most certainly, for the cure of the Piles, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed. Externally in the following complaints: For Dropsy.—Creating extraordinary absorption at once. All swellings.—Reducing them in a few hours. Rheumatism.—Acute or Chronic, giving quick relief. Sore Throat.—By cancers, ulcers or colds. Croup and Whooping Cough.—Externally, and over the chest. All bruises, sprains and burns, curing in a few hours. Sores and Ulcers.—Whether fresh or long standing, and fever sores. Its operations upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond description.—The common remark of those who have used it in the Piles, is "It acts like a charm." For sale by E. Dewey, Apothecary's Hall, and S. Sawyer, Dearborn street Chicago. LOOKOUT FOR IMPOSITION. A base attempt has been made to imitate Hay's Liniment, and infringe upon the copy and other rights of the proprietors. CROUP, COUGH, ASTHMA. SPITTING of Blood, Hooping, Cough, and all Pulmonary Diseases, cured by JAYNE'S EXPECTORANT, and Sumner's Complaints, Chlora, Malaria, Diarrhoea, Dysentery, and all the various affections of the Stomach and Bowels cured by their GARMINATIVE BALM. Please read the following letter J. Darlington, Beaver County, Pa. February, 1839.

Dear Sir—I feel it due to you as the inventor of the medicine and to the public, who may be greatly benefited by it, to state a cure that was performed in my family, by the use of your "Garminative Balm."

My little son, when about two months old, was seized with a hoarse complaint, caused, as I suppose, by a change of diet. It continued for two weeks without intermission, and notwithstanding the remedies prescribed by a respectable physician, we gave up the child a victim, as we supposed, to a fatal disease, but I providentially heard of "Jayne's Garminative," as an effectual cure for bowel complaint, and immediately despatched a messenger to a town seventeen miles off for a bottle. By the use of this medicine, in less than thirty six hours the disease was checked; and by its continued use for a few days the child was restored to perfect health. Shortly after this, there occurred a similar case in one of the families of my congregation; I prescribed "Jayne's Garminative," and the result was a speedy cure. From a knowledge of the efficacy of your medicine in bowel complaints, a disease to which children are constantly liable, I have obtained and keep constantly in the house, a quantity of the "Garminative."

The same child, owing to exposure, when recently coming up the Ohio, was attacked by the horrible malady, CROUP. We landed in the night at Beaver Point, and when our fears were alarmed, lest the hoarse sepulchral cough was the forerunner of death, we gave him a teaspoon full of the "Expectorant," (a bottle of which you presented me with when in Philadelphia) and applied some liniment to the throat and breast, and before many minutes the hoarseness was gone, the child breathed freely and slept sweetly. Owing to these circumstances it cannot be wondered at why I have so high an opinion of Dr. Jayne's medicine, and why I advise every family to keep it on hand ready for any emergency. Respectfully yours, ARTHUR B. BRADFORD, Pastor of the Presbyterian Church, Darlington, Pa. De. D. JAYNE.

Lambertville, N. J., April 27th, 1839. DR. JAYNE.—Dear Sir.—By the blessing of God your INDIAN EXPECTORANT has effected a cure in me of a most distressing complaint. In December last, I was seized with great severity by a Paroxysm of Asthma; a disease with which I had been afflicted for many years past. It was attended with a hoarseness and soreness of the lungs and throat, together with a laborious cough, and complete prostration of strength, and which almost worn out with suffocation, a bottle of your Expectorant was sent to my house. At first I thought it was nothing but quackery, but seeing it so highly recommended by Dr. Going, with whom I was well acquainted, I was induced to try it, and in a few days it completely cured me, nor have I ever had any return of the disease since. I have now formed so high an opinion of your medicine, that if I had but a few bottles of it, and could obtain no more, I would not part with them for ten dollars each. Yours, most respectfully, JOHN SEGER, Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838. To my personal friends.—I would say, that I am well acquainted with David Jayne, M. D., and know him to be a respectable Physician and Druggist of this city—a gentleman in whom entire confidence may be placed. I have tested in my own case the beneficial effects of his GARMINATIVE BALM, and have greater confidence in it than all the other medicines of the kind. His EXPECTORANT is equally celebrated and efficacious. IRA M. ALLEN, Agent of the Baptist General Tract Society. The above valuable medicines are prepared only by Dr. D. Jayne, No. 20, South Third Street, Philadelphia, where all orders will be promptly attended to. For sale by appointment by M. E. HOLLISTER, Druggist. Ottawa, May 23, 1840.

Western Anti-Bilious Pills. THESE Pills are offered to the public as a Cathartic, adapted more particularly to Bilious Countries, and intended to supply the place of Calomel which is so extensively and injuriously used; especially when administered by unskilful hands, as it too frequently is, in new and thinly settled countries. As this physic is quite as efficient in throwing off a bilious attack, being at the same time perfectly safe, and altogether more proper, as a preparatory medicine, in the treatment of BILIOUS FEVER, FEVER AND AGUE, and all the variety of intermittents, incident to a bilious or ague country, it will certainly be found preferable to all mercurial preparations; at the same time their operation is so mild that they may be used with perfect safety and great advantage, as a FAMILY PHYSIC. They will also be found useful in all BILIOUS COMPLAINTS, Jaundice, Liver Complaint, Sick-Headache, Azur Cakes, Colic, Costiveness, Loss of appetite, and in all cases of Torpor of the Bowels. DR. SPOHN'S Sick Headache Remedy NEVER fails to give relief in 15 or 20 minutes after taking the first dose, and perseverance according to the directions soon effectually removes all pain from the head and sickness from the stomach, and the person feels perfectly cured. When the first symptoms of an attack of sick headache are felt, the remedy should be resorted to immediately and one or two doses is then sufficient to remove every vestige of the complaint. It gives universal satisfaction to all who try it; Sick and Nervous Headaches are only complications of the same disease, and both are effectually cured by this article without change of diet or occupation. Sold wholesale and retail by Comstock & Co., Wholesale Druggists, 2 Fletcher Street, N. Y., and by the principal Druggists in the Union.

Judge Patterson. Read the following from Judge Patterson, for thirty years the first Judge of the County in which he lives. MIDDLETOWN, N. J., March 12, 1840. Messrs. Comstock & Co. Gentlemen—You are at liberty to make such use of the following certificate as you deem will best serve the purposes for which it is intended: (Certificate of Judge Patterson.) I HEREBY CERTIFY, that my daughter has been afflicted with the sick headache for the space of about 20 years—the attacks occurring once in about two weeks, frequently lasting 24 hours, during which time the paroxysms have been so severe, as apparently soon to deprive her of life. And after having tried almost all other remedies in vain, I have been induced as a last resort to try Spohn's Headache Remedy, as sold by you; and to the great disappointment and joy of herself and all her friends, found very material relief from the first dose of the medicine. She has followed up the directions with the article, and in every case when an attack was threatened, has found immediate relief, until she is now permanently cured. The attacks are now very seldom, and disappear almost immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant, JEHU PATTERSON, Judge of the Court of C. P. For sale at the drug store of the subscriber in Ottawa, Illinois. M. E. HOLLISTER. Ottawa, October 16, 1840.

Hewe's Nerve & Bone Liniment. THIS article is offered to the public as a never-failing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invariably, after one or two applications of the Liniment, and in Chronic Rheumatism, the cases of cure are numerous. It is truly a remedy that reaches the NERVE and BONE, with the most happy effect. Sold wholesale and retail by Comstock & Co., Wholesale Druggists, 2 Fletcher Street, N. Y., and by the principal druggists in the Union, as also in Ottawa, by M. E. HOLLISTER. Ottawa, October 16, 1840.

DR. SPOHN'S Health Elixir. NOT one case of Fever in a thousand exists, which may not be effectually broken up and removed by the use of this Elixir. It cures all acidity indigestion, bilious matter and constipation from the stomach and bowels. It operates gently and effectually on the bowels, and powerfully on the kidneys and the skin. It removes all unpleasant feelings after a hearty meal, and promotes a good appetite. It needs only a trial to give perfect satisfaction. It has become a general practice with many to use this article in all cases of colds, pains in the bone, or heavy disagreeable feelings, tending to headache or chilliness. For hoarseness, if taken through the day, it completely restores the voice without producing sickness. Whooping cough, and all coughs of children are cured by it. The stomach is kept in perfect order by it, and it is quite impossible that any disease should commence while a person is using this Syrup.—If taken daily it produces a ruddy, healthy, and young appearance, by driving off all the humors of the system. Sold genuine at 2 Fletcher street, one door below Pearl street, N. Y., by Comstock & Co., and in Ottawa by M. E. HOLLISTER. Ottawa, Oct. 16, 1840.

DR. BARTHOLOMEW'S Pink Expectorant Syrup. THE cases of Consumption are so numerous in all the northern latitudes, that some remedy as a preventive should be kept by every family constantly on hand, to administer on the first appearance of so direful a disease. This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person even to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the cases as incurable. Sold wholesale and retail by Comstock & Co., Wholesale Druggists, 2 Fletcher Street, N. Y., and at the drug store of M. E. HOLLISTER. Ottawa, October 16, 1840.

Merchant's improved compound fluid extract of SARSAPARILLA

For removing diseases arising from an abuse of Mercury, chronic and constitutional diseases, such as scrofula or kings evil, secondary syphilis, ulcerations and excoriation of the throat, nose, cheeks, lips, ears and other parts of the body, eruptions of the skin, rheumatic affections, white swellings, pains in the bones and joints, fever sores, obstinate old sores, scald head, salt rheum, ringworm and other diseases arising from an impure state of the blood. Also, habitual costiveness, piles, chronic affections of the liver, lungs and chest, pains in the stomach and sides, night sweats, &c. It is also much recommended as a cleansing Spring medicine.

THIS compound fluid extract is Alterative, Diuretic, Diaphoretic, Laxative, Aromatic, and slightly stimulant; and may be most successfully used in scrofulous and syphilitic diseases, and that shattered state of the constitution which so often follows the imprudent use of Mercury; exostoses or morbid enlargement of the bones, scrofulous pustules or ringworms; ulcerations generally carries of the bones, cartilages of the nose, mouth, etc., etc., with the other diseases above mentioned, and all diseases arising from a morbid state of the blood. There is hardly a physician who has not had occasion to observe with pain, the phagedenic variety of herpes; and in spite of all the remedies he could bring against this cruel disease, was compelled to acknowledge their inefficacy, and allow the monster to corrode and destroy the nose, cheeks, lips, eyelids, ears and temples—parts for which this malady generally affects a preference. But in this extract will be found a perfect remedy in all such cases, and where the disease has not produced a very great derangement of structure, it will even yield to this remedy in a very short time. G. W. Merchant taking advantage of these facts, has adopted an improved process for extracting the medical virtues from the actual ingredients of this compound fluid extract, which are nine in number, without heat; that is to say, neither decoction, infusion or maceration are made use of; nor is the temperature of the menstruum used, allowed to exceed 80 deg. Fah. until every particle of active principle is extracted, leaving a tasteless inert mass behind; thereby attaining the whole of the soluble active principle in a highly concentrated state, leaving out the fecula, woody fibre, etc., which encumbers the extract obtained by decoction. The proprietor, therefore, has not only the satisfaction of assuring the medical faculty and the public, that this remedy is prepared according to strict chemical and pharmaceutical rules, but that he has also united some of the officinal valuable and active vegetables, all of the choicest selection, which materially enhance its value in the treatment of the diseases above mentioned. He is therefore induced to offer this fluid extract to physicians and others under the fullest assurance of its superiority over that in common use. Physicians will find great advantage in the use of this extract, and a great relief from the perplexities attendant upon the treatment of those obstinate cases which bid defiance to every remedy their confidence prompts them to prescribe; more especially as having the patient under their immediate care, they will prescribe such a diet and regimen as in their judgment the case would seem to indicate—thereby giving the extract its full influence. Prepared at the Chemical Laboratory of G. W. Merchant, Chemist, Leckport, N. Y. N. B. A liberal discount made to Dealers and Physicians. For sale by M. E. Hollister, Ottawa; the Druggists at Chicago and Juliet; J. H. Emore, Peru, and James Darley, Hennipen, Ill. All orders sent to H.
