### KIWANIS CLUBS SEND 2,000 TO NATIONAL MEET

Governor of Oregon, in Opening Address, Refers to Boyhood in Rock Island.

**BY O. F. HILDEBRANDT.**  
(Special to The Argus.)  
Portland, Ore., June 17.—Kiwans to the number of 2,000 are assembled here for the national Kiwanis club convention. The city is crowded and resplendent with decorations, not only in honor of visiting Kiwanians, but in preparation for the Shriners, already arriving in large numbers for their convention here next week.  
Ben W. Olcott, governor of Oregon, made the opening address yesterday, welcoming the Kiwanians. He dwelt at length on the fact that his boyhood days were spent in the vicinity of Rock Island and his boyhood pleasure was swimming in the Mississippi near there.

London, June 17.—Russian bolshevik forces have again advanced on the northern end of the Polish front, according to a wireless dispatch from Moscow. Soviet successes on other sections of the line are also reported.

A. De Clerk, J. W. Corliss and Stephen De Cop were fined \$5 each by Magistrate D. J. Cleland in police court on charges of exceeding the automobile speed limit. W. J. Dietz was fined \$5 for driving his machine by a street car that had been stopped to take on and discharge passengers.

### CONVENTION SIDELIGHTS

The grand serie of the Fraternal Order of Eagles will be held at Syracuse, N. Y., this year. Frank Wich, past worthy president, according to the by-laws, will be delegated to represent Rock Island.

The Lady Eagles of Rock Island, Moline and East Moline have been entertaining the visiting Lady Eagles during the week, and it is through their untiring efforts that the visitors have been told in their praise of Rock Island's hospitality.

A banquet was given in honor of the delegates by the Rock Island Lady Eagles at the Eagles' home at 6 o'clock last evening, during which time short talks were given by the state officers and Rev. F. J. Rolf, C. P. McQuaid, senior past president, acted as toastmaster. The banquet rooms and tables were beautifully decorated with flowers. The delegates were more than pleased.

The Eagles' dance hall was open to the membership and families after the cabaret. There were more than three hundred couples on the floor.

The souvenir of the 14th annual state convention was distributed to about three thousand Eagles. They were nicely designed, and the advertising space therein netted the order a sum for convention purposes. Those who remembered the souvenir with an ad are to be given a vote of thanks.

erie and then after paying a beautiful tribute to the work and efforts of State Secretary James O'Keefe, presented him with a pearl tiepin.

Canton Gets 1921 Meet.  
Canton, Ill., which made a strong preliminary fight for the 1921 convention of Illinois Eagles, and was expecting to have considerable opposition, found itself with a clear field when the matter was actually taken up on the floor of the convention. South Chicago having withdrawn from the race, Canton thereby being the unanimous choice.

Last evening a banquet for the visiting Eagles was given at 6 o'clock at the Eagles' home by the Lady Eagles of Rock Island, which was followed by a cabaret party with music and other forms of entertainment, some of which was furnished by entertainers from the Palmer Chiropractic school of Davenport. Dancing, which was enjoyed by about three hundred couples, was the closing event of the evening's program.

### HE WRITES

A. J. Buckley, F. O. E. may stand for the Fraternal Order of Eagles to some members of the order or even to the greatest percentage of them, but not to A. J. Buckley, for to him F. O. E. has come to mean Famous Oration Eagles, for you see he is the official court reporter of the state serie and he has to take down everything that is said at the business sessions, and he says if there is anything the Eagles can do it is orate, and that they not only can, but do—continually.

### DEMOCRATIC WOMEN MEET TO BE HELD AT ROCK ISLAND HOUSE

The meeting of the Democratic women of Rock Island county which has been called for Mrs. E. C. Berry, chairman, will be held Friday evening at 8 o'clock at the Rock Island house instead of at the Rock Island club as previously announced.

**50 Years Ago**  
A young man who practiced medicine in a rural district became famous and was called in consultation in many towns and cities because of his success in the treatment of disease. This was Dr. F. W. Jones who afterward moved to Buffalo, N. Y. He made up his mind to give some of his medicine to the public, and he put up what he called his "Favorite Prescription," and placed it with the druggists in every state in the Union. For fifty years Dr. F. W. Jones' Favorite Prescription has sold more largely throughout the United States than any other medicine of its character. It's the testimony of thousands of women that it has benefited or entirely cured such distressing ailments as women are prone to. It is now sold by druggists in tablet form as well as liquid.  
Write Dr. F. W. Jones, Dr. F. W. Jones has my heart's best thanks for what his "Favorite Prescription" has done for me. I shall always recommend this medicine. Show using it I can much improved in health. I do not have the "dizziness" feeling I had before. Mrs. MARY B. BURNETT, Boston 2.

### EAGLES LEAVE LAUDING CITY FOR RECEPTION

Enjoy Rock Island as a Convention Town and Are Grateful for Hospitality.

**BY E. W. SCHIEBERL,**  
Chairman of Eagles' Publicity Committee and Member of Reception and Entertainment Committee.

Hundreds of visiting Eagles who are leaving today have said that Rock Island was a good city. That is why we like them. Any city, however, is or can be a good one if the hospitality and goodfellowship of all concerned is manifested.

Opening a city to conventionists really means an acknowledgement of the fact that guests are expected to enjoy themselves, and this cannot be accomplished unless unusual interest is gathered to keep the ball rolling.

Under ordinary circumstances the citizens go here and there un-noticed, but during a convention they go to this or that park, to a ball game, or on a visit to a court house and what is more noticeable they joke and laugh and have a jolly, good time.

Some citizens are under the im-

pression that delegates to a convention can do anything that they care to but they are wrong. They read of the opening of a city to conventionists and interpret it wrongly.

### Win Good Will.

In the case of the Eagles' convention, when Mayor H. I. Schriver stated that the city was open to the delegates, he knew fully well that if every member lived up to his solemn obligation he needed no watching. He also knew that a guest would be a man amongst men as he himself is a member of the fraternity. Therefore he extended that courtesy to the visiting Eagles, and the guests knew their responsibilities, and I want to say that they have created a favorable impression and a feeling of good will toward them, and it is only with regret that they who a few days ago were so glad to see us all on their arrival, must bid us goodbye.

### Delegates Grateful.

But in leaving Rock Island today after the close of the convention, the delegates depart with a feeling of gratitude and a deep sense of appreciation of the hospitality and general spirit of good will that they have received during their stay in the city. Having held their state convention here twice and found it not only satisfactory but from every standpoint highly pleasing, as a convention city, they will not hesitate to select it for the third time at some later date.

John H. Gundaker, of Davenport, who is a national officer of the Eagles, being grand trustee, attended the business sessions of the state serie here during the 3-day convention.
