## THE PLOVIUS OILS CHANCE FOR YESTERDAY

William Husted to Oppose Rockford Ace Today—Stewart and Dennis Tomorrow.

## GAMES TOMORROW.

Rock Island at Rockford, 10:30 a. m. at Cedar Rapids, 1:30 p. m. at Peoria, 7:30 p. m. at Bloomington, 8:00 p. m.

(Special to The Argus.) Rockford, Ill., Aug. 13.—Those inlanders enjoyed a much needed rest yesterday after Wednesday's sleepless train ride to the home of Chief Kishwaukee and their subsequent rout in the afternoon. Yesterday broke fair and warm, but along toward noon the sky became overcast in the west and a stiff northwest wind blanketed the sunshine with rain clouds and before the athletes could get their flannels a Juke Plovius began to hit so many damp fungoes that they all flooded the catch basin.

After the game had been called by Managers Glockson and Brant, the Sox cleaned up the inlanders to play a double header Saturday. Ace McQuillan is slated to pitch against the rabid Rox today. That leaves Saturday's double header burden to Hubert Dennis and Sid Stewart. Speed Burns, who shut out the Tots without a hit on his Three Optic debut here last week, will oppose big George on the mound today. Rox fans are all set to see McQuillan in action against their own pitching ace, although Southpaw Paul Anderson, another Rox newcomer, might be nominated to face George. Burns worked so hard to trim the Tots without a hit or run that his old sweater was slightly impaired. However, the fans are calling for their youthful star and he is the likeliest looking bet.

Glockson, Sr., Arrives. During the lull in yesterday afternoon's anything but feativities, a small, bespectacled man with beetling brows who spoke with a decided German accent, strolled into the park and buzzed some of the players about his two boys. Some one had enough presence of mind to ask his name.

ing. However, they would have got a slant at papa, whom they had called for all season.

## Gets the Buzz.

Leland Reese, sports editor of the Rockford Register-Gazette, of the old jazz, who has been picking on me ever since yesterday's mishap qualified with a hard hitting razor in his high toned sheet. Featured prominently among his notes of Wednesday's game was the following: "Bruce Copeland, sports writer for the Rock Island Argus, is here with the inlanders. Yesterday morning he was riding with several friends and Frank Murphy, inlander shortstop, in the country near here, when the car hit a bump with a terrific jolt. Bruce was thrown against a cross rod in the top, resulting in considerable damage to his nose and forehead. He will have a good souvenir of the trip to carry back home." I'll say drop at that. In the classified ads appeared the following: "Wanted: Good alibi for a swelled nose and bruised head. Must satisfy inquisitive wife. Oh, Daddy." (Of scribble traveling with Rock Island ball club. Address Bruce Copeland, Nelson hotel.)

This is poor stuff compared to baseball, but it is the best the day offers. It is too bad that every day isn't just another McQuillan.

## SOX SWEEP SERIES WITH SENATORS

Chicago, Ill., Aug. 13.—Two blows by Edward T. Collins drove in four of the seven runs by which the White Sox cleaned up the whole series with Washington yesterday, winning the final scrap, 7 to 2. ### GOOD SUGGESTION.

All the inlanders are heartily in favor of next week's proposed "Boaters' day" at Douglas park. Last night Elmer Benson suggested that a field meet be held after the game, not only to double the attraction, but to give the opposing players a chance to take a crack at the world's records for batting, running, throwing, etc. The question probably will be discussed when the team returns Sunday, but Elmer's suggestion should appeal to the fans.

### APPRECIATION.

One of the few gratifying results of Wednesday's 14-2 massacre was the way the Rockford fans cheered Little Jack Murray of Davenport, after they had razed him into making five boots, which will probably stand this season as a record for misplays. Murray was justly applauded after being removed from the game. Rockford sporting writers liked the little fellow's looks, realizing the fact that Murray has all the ear fringes of a coming star.

### STRONG FOR SPORT.

Rockford is one of the best sporting towns in the state. Yesterday 1,137 fans turned out to see the Rox play the tallend inlanders. At the present rate of speed displayed by Bloomington and Evansville, the fans realize there is only a slender chance for overtaking the leaders; still, they flock to Kishwaukee park just for love of baseball and to see a game. With thousands of soldiers at Camp Grant a while back, their proximity and patronage not only added greatly to the color of the city, but painted a drab town with the vivid red of sporting blood. Now you couldn't scrape off the paint.

### RACING FATHER TIME.

Father Time took part in Wednesday's game, but failed to make much of an impression. With the full nine innings choked with more things than a Woolworth window, it took only 1 hour and 29 minutes to finish the pastime. The Rox went to bat 45 times, scored 14 runs and cracked out 16 hits. Five Rox batters participated in the first inning. The others were as follows: Six in the second, seven in the third, five in the fourth, four in the fifth, nine in the sixth (batting around), five in the seventh and five in the eighth. The inlanders faced Ollie Voigt 31 times, namely,

### DODGERS JOLTED OUT OF 1ST PLACE BY HIPPO VAUGHN

Brooklyn, N. Y., Aug. 13.—With Hippo Vaughn hurling stylishly and his mates in a batting mood, the Cubs wound up their eastern tour yesterday with a decisive victory over the Brooklyn Robins. The count was 8 to 4 and the combat jolted the Robins out of first place. Score: Chicago—AB. R. H. P. O. A. E. Cicotte pitched the White Sox to their fifth consecutive victory over the Senators. Score 7-2. Babe Adams held the Giants to two hits and the Pirate won 2 to 0. Babe also lifted one into the stands for four bases in the sixth. Meusel collected two home runs in the Phillies 6 to 1 victory over St. Louis. G. Smith held the Cardinals to four hits. Pratt's triple in the first inning with two on started the Yankees toward their third victory over Cleveland. The final score was 5 to 1. Jim Vaughn tightened in the pinches and the Cubs won from Brooklyn 8 to 4.

## IF YOU ARE EASILY TIRED OUT, YOUR BLOOD NEEDS PURIFYING

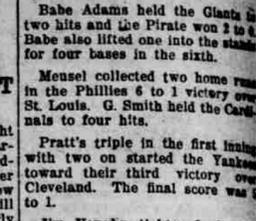

Clogged-up impurities will undermine your health. As summer approaches the impurities that have been accumulating in the system throughout the winter begin to clog up the circulation, causing a general weakness and debilitated condition that is generally known as "Summer Sickness."

The first symptoms are usually a loss of appetite, followed by a gradually lessening of energy, the system becomes weaker day by day, until you feel yourself on the verge of a breakdown. Children just at this season are peevish and irritable, and become puny and lifeless. This whole condition is but the result of impurities in the blood that have been accumulating and

make themselves felt more distinctly with the change of season. They show that nature needs assistance in giving the system a general housecleaning. Nearly everybody just now needs a few bottles of S. S. S., the great vegetable blood remedy, to cleanse out all impurities. It is good for the children, for it gives them new strength and puts their system in condition so they can more easily resist the many ailments so prevalent in summer. S. S. S. is without an equal as a general tonic and system builder. It improves the appetite and gives new strength and vitality to both old and young.
