Bed room furniture

A display characterized by variety, good quality and moderate price.

We have assembled a collection of bed room suites that are uniformly beautiful in character and contour. If you have a liking for fine types of cabinet work you will be impressed by the way they reflect the appealing influence of the old schools of designs—chiefly William and Mary, Queen Anne, Chippendale and Colonial. As examples of furniture-making they are a very creditable achievement, and whoever buys furniture of this character buys something that is bound to be treasured.
