

ELDER RIDGE ELEVATOR MEN PLAN TO GROW

Plans of Two-Story Building
Among Plans to Handle
Increasing Business.

(By Staff Correspondent.)
Elder Ridge, Oct. 5.—With the delivery under way after the busy spring and summer rush season experienced during the previous years, the Farmers' Elevator company of Taylor Ridge is keenly feeling the necessity for an expansion of its facilities, and plans are being made accordingly.

The Farmers' Elevator company owned and operated by the farmers and residents in the vicinity of Elder Ridge, and does an annual business approximating half a million dollars. A lumber yard, a grain elevator with a capacity of 20,000 bushels, and a stock yard, scales, pens and loading facilities at present being operated by the elevator company, and all these divisions of the business show a good annual turnover and a steady growth.

"DANDERINE"
Girls! Save Your Hair
Make It Abundant!

Immediately after a "Danderine" massage, your hair takes a new luster and wondrous beauty, appearing twice as heavy and plentiful, because each hair seems to grow thicker. Don't let your hair stay lifeless, colorless, plain and scraggly. You, too, want lots of long, strong, beautiful hair. A 35-cent bottle of delightful "Danderine" freshens your scalp, checks dandruff and falling hair. This stimulating "beauty- tonic" gives to thin, dull, falling hair that youthful brightness and abundant thickness—All druggists!

Tobacco Teeth

See the change in ten days

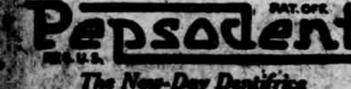

Smokers' teeth discolor more than others, usually. But the stains lie in a film, and removing that film removes them. There is now a way to combat this film. Millions of people employ it. Leading dentists everywhere advise it. See how teeth brighten when you use it a few days.

Film ruins teeth
That film on teeth which makes them dingy and causes most tooth troubles. It is viscous—you can feel it. It clings to teeth, enters crevices and stays.

The old ways of brushing did not end it; so dentists found that well-brushed teeth discolored and decayed.

It is the film-coat that discolors, not the tooth. Film is the basis of tartar. It holds a substance which ferments and forms acid. It holds the acid in contact with the tooth to cause decay.

Millions of germs breed in it. They, with the acid, are the chief cause of pyorrhea. Very few people have escaped these troubles caused by film.

Pepsodent
The New-Day Dentifrice

Scientific film combats, combined with two other ingredients. Now advised for daily use by leading dentists everywhere. Supplied by druggists and dentists.

ERIE

Funeral services for Ralph J. ... of Portland township, who died Saturday morning, were held at the Sharon church Monday at 2 o'clock p. m., conducted by Rev. J. P. Henry, a former pastor of the Erie Methodist church but now located at Morris, Ill. The singing was by Mesdames Minnie Webster and Fannie Swedberg, with Miss Susie Pierce as accompanist, and burial was in the Sharon cemetery. The deceased had been in ill health for the last eight months, and at the time of his death was about 78 years old. He is survived by one daughter, Mrs. Henry Schrock, at whose home the death occurred; also a sister, Mrs. Warren.

Mrs. Henry Pfundstein entertained a number of relatives Sunday in honor of the birthday of her husband, also that of their little grandson, Gerald Pfundstein, which fell on the same day. A bounteous dinner was served, and forming a part of the decorations were two birthday cakes, with candles representing the ages of each, the smaller one bearing two candles and the larger one being well covered with candles. The day was spent in a general social way, the guests remaining until late afternoon. Those present were Mr. and Mrs. B. L. Pfundstein and children, Mr. and Mrs. Emory Pfundstein and son Gerald, Mr. and Mrs. J. L. Pfundstein and daughter, Miss Vina, and Mrs. Lorraine Mathews. Mr. and Mrs. Monroe Howell and little daughter of Rock Island were guests of Erie relatives and friends.

Mrs. Jennie Graham of Prophetstown, Ill., spent the week-end with Erie relatives.

Messrs. Willis Thompson and Clint Pratt of Rock Island are visiting the Ralph James and Arthur James families.

Paul Sawyer, who is employed at Rock Island, spent Sunday with his parents, Mr. and Mrs. George Sawyer.

The annual Whiteside county Sunday school convention which was held in Erie Wednesday and Thursday, was a very interesting and profitable one, the last sessions on Thursday being attended by a larger crowd than the previous ones. The devotional services were led by Rev. Bohn, pastor of the Newton Presbyterian church, after which Miss Weaver, state superintendent of the children's work, gave a fine talk, telling many interesting and instructive facts regarding her experiences.

CASCARETS

"They Work while you Sleep"

Feel fine as a fiddle! If bilious, constipated, headache, salivary, or if you have a cold, an upset stomach, or bad breath, take Cascarets tonight for your liver and bowels and wake up feeling clear, rosy and fit. No gripping—no inconvenience. Children love Cascarets too. 10, 25, 50 cents.

A Gift
A 10-Day Tube of Pepsodent is sent to all who ask. See coupon.

Now we combat it
New dental science has evolved ways to combat film day by day. Able authorities have amply proved their efficiency. These methods are combined in a dentifrice called Pepsodent. Millions have adopted it, largely through dental advice. It opens, we believe, a new dental era. And, to let all know it, a 10-Day Tube is being sent to everyone who asks.

See and feel it act
Pepsodent brings five desired effects. Some are instant, all are quick. A very short test will prove a revelation.

One ingredient in Pepsodent. Another multiplies the starch digestant in the saliva, to digest starch deposits that cling. It also neutralizes the acidity of the saliva, to neutralize the acids which cause tooth decay.

Two factors directly attack the film. One of them keeps the teeth so highly polished that film cannot easily adhere. With every application it combats the teeth's great enemies as nothing else has done. Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coat disappears. Let this test show you, for your own sake, what clean teeth really mean.

10-Day Tube Free

one which will be long remembered and doubtless will inspire those who heard with more real zeal for foreign missionary work. It is estimated that about 150 delegates from out of town were registered. On Wednesday dinner was served in the basement dining room of the church by the ladies' aid society of the Christian church, and supper by the Baptist aid society. On Thursday the M. E. aid society served dinner. Lee Coster and Bruce Head left Thursday for California, where they expect to find employment. Otis Jacobs has gone to Clinton, Iowa, to work in a garage. He has been employed in the Burlington depot here for some time, but resigned the place. Mr. and Mrs. Charles Fenster and children have taken possession of the residence they bought of Harry Thomas, moving Thursday. The cottage they vacated is for sale.

"ASPIRIN"

WARNING! The name "Bayer" is the thumbprint which identifies genuine Aspirin prescribed by physicians for 20 years and proved safe by millions.
