

(POLITICAL ADVERTISING.) (POLITICAL ADVERTISING.)

# W. J. GRAHAM

was first elected to Congress four years ago. Immediately he attracted attention because of his ability and his earnest activity and patriotic support of all war measures. He was returned to congress without opposition.

At the beginning of his second term in appreciation of the work he did during his first term, he was honored by the appointment to the Chairmanship of one of the most important committees of that body—the committee on War Expenditures.

As chairman of that committee he has revealed the gross inefficiency of the Wilson administration. He has shown where hundreds of millions of dollars have been wasted.

**He has saved to the nation millions of dollars by putting a stop to this waste**

Because of his work upon this committee, he has been singled out by the Wilson administration for defeat. Thousands of dollars have been spent in this district for that purpose. The administration forces are fearful of the result if he is permitted to complete the work of this committee. With all of this committee work, he has not neglected this district. He secured large appropriations for the Arsenal.

He cooperated with local interests in every way. He gave every matter referred to him from the district careful and prompt attention. Because of his earnestness, activity and ability, he was able to secure prompt results through the cooperation of other members and public officials. If the Wilson administration could defeat him, it would mean a loss not only to this district, but to the State and the Nation.

**Harding will be elected.**

**He will need Graham and the people of this district will need him**

Mr. Graham is opposed to the Wilson League of Nations.

He believes that we have enough to do to attend to our own affairs. He is opposed to "drafting" our boys into a service overseas in the defense of the "integrity" of the boundaries of warring European nations.

**He is in favor of a protective tariff. He is opposed to opening our markets to goods manufactured by cheap, foreign labor.**

Let us show our appreciation of the service he has rendered by giving him an overwhelming majority.

**Republican County Committee Rock Island County.**
