

QUESTIONS BEFORE BUYING, URGES CHAMBER

Commerce Body Undertakes to Protect Those Who Will be Protected from Stocks.

In view of the vast amounts of worthless stocks floated in this community every year, the Rock Island Chamber of Commerce has sent out a warning to its members...

Assuming that there is a real demand, is the company able to market this in a manner to return a reasonable profit?

How does the probable rate of interest or dividend compare with absolutely safe investments that I could make?

Have I taken the word of the solicitor or have I investigated sufficiently to know the proposition thoroughly?

No expert financier could suggest a more effective set of "safeguard" questions.

TO A BABY

Little happy Harry, Sweet and lovely boy, Did some gracious fairy Bring you gift of joy?

Tears for you are treason; Brief their rebel reign; Goes that traitor season, You are king again.

Matchless are your blisses, Wonderful, immense; Triumphant mother's kisses; Scepter: Innocence.

Striving Caesar never Won the happy throne Which without endeavor You can call your own.

COMMISSION HAS LIGHT BUSINESS SESSION MONDAY

The Rock Island city commissioners had only a light grist of business to handle at their regular weekly meeting Monday afternoon.

Commissioner Frank Wich, in charge of the department of streets and public improvements, presented an ordinance providing for the laying of an 8-inch sewer on Forty-third street from Eighteenth to Twentieth avenue and it was adopted.

On resolution of Commissioner Wich the plat of John Bowes' first addition was accepted. The plat takes in 28 lots in the vicinity of Nin'h street and Twenty-seventh avenue.

Commissioner Martin T. Rudgren, in charge of the department of public accounts and finance, read the payrolls and a number of bills, besides reading the minutes of the last meeting, and Commissioner William H. Fitzsimmons, in charge of the department of public health and safety, submitted monthly reports of the various city officers and the meeting was adjourned.
