MILK PRICES TO REMAIN HIGH IS DEALER'S VIEW

Checked That High Priced Feed Will Keep Quotations at Present Rate in Moline.

There will be no reduction in milk prices in Moline until feed becomes cheaper, according to local dealers. These dealers claim they are losing money even though they are receiving 5 and 6 cents more a quart for milk than do Chicago distributors.

Complaint has been made by Moline housewives that they are paying much more for milk here than in other Illinois cities where the grazing and farming districts are not better. One housewife stated that she could not find a quart of milk for 20 cents here when in Rockford and other places it sells for 13 and 14 cents a quart and has never gone above 15 cents all summer.

It is possible agitation will be started to bring prices down.

BURNING VARNISH IS CAUSE OF FIRE

A small blaze was extinguished by chemicals at the home of August Wallin, 108 Eighteenth avenue. A fire started before much damage was done. The fire started from a varnish can which had been placed on the stove to heat. A few minutes later it began to blaze. Mr. Wallin seized it and made for the kitchen door. The door was locked, so Mr. Wallin threw the can of flaming liquid out of the open window. The can struck the side of the sill and a part of the burning varnish fell to the floor, starting a blaze.

Yesterday morning frames were called to the Walter Yingling home at 309 Nineteenth street to fight a fire on the second floor. An overheated chimney was believed to have started the blaze. Damage was nominal.

ARREST THREE FOR BEING DISORDERLY

George Brown, William Jackson and Mrs. Alice Nelson were arrested in a raid conducted on the rooming house of the Nelson woman at 933 1/2 Fifteenth avenue, East Moline, last night.

Jackson pleaded guilty to drunk and disorderly charges when arraigned before Magistrate A. A. Miles this morning and paid a fine of \$5 and costs. Mrs. Nelson and Brown pleaded not guilty. Brown was charged with being drunk and disorderly and Mrs. Nelson for disturbing the peace. Their cases were continued until tomorrow morning.

According to the story told by Brown, who is a roomer at the Nelson apartments, Jackson came home drunk about 9:30 p. m. and he and Mrs. Nelson were assisting him upstairs when the police arrived. Police say all three were drunk and were singing, talking loudly and generally disturbing the neighborhood.

Pierr Home Sold.

The old James M. Pierr home at 1619 Twenty-seventh avenue, Moline, has been sold to Dave Brady, one of the owners of the New York store. The consideration was \$16,000.

RESIDENTS CHASE DEER TO THE RIVER

You don't have to go to Canada to go on a deer hunt. Residents of River drive at dusk last night pursued a deer to Thirty-sixth street, where it took to the river and disappeared.

School children first saw the animal several blocks east of that point and told their parents. The deer, they said, had come out of the water and was walking along the river bank. Little confidence was at first placed in the children's story, but curious ones went out and were convinced. The animal was seen to jump in the water and swim away.

No preserve in this vicinity had reported the loss of a deer.

William Warr of the Moline Tool company returned this week from an extended hunting trip in the wilds of Canada, bringing with him 450 pounds of moose meat. Despite a violent attack of buck fever, Mr. Warr got his moose. It weighed 1,400 pounds. The trip took the Warr party 100 miles north of Fort Williams.

DIVIDED AGAINST ITSELF.

Chicago—Chicago's city hall and county building, which occupies an entire city block, is a house divided against itself.

The city hall half is Republican and every window on the ground floor bears large portraits of Senator Harding, flanked by pictures of Len Small, Republican candidate for governor.

The county hall, being Democratic, displays pictures of Governor Cag and Franklin D. Roosevelt, surrounded by the pictures of various Democratic state and county candidates.

The north and south corridor is the dividing line.

WHEAT AND CORN BOTH TAKE SAG AS BEARS GAIN

Chicago, Nov. 4.—Assertions that country offerings of wheat were somewhat larger gave an advantage today to bears in the wheat market. It was contended also that wheat was still out of line with other grain and with commodities in general. Support was lacking. In-city prices, which ranged from 1/2 cent to 3/4 cent lower, with December \$2.04 1/2 to \$2.06 1/2, and March \$1.96 to \$1.97, were followed by a moderate further setback.

Subsequently, apparent slowness of export demand led to increased weakness. The close was nervous, 3/4c to 6/8c net lower, with December 2.00 1/2 to 2.01, and March 1.94 1/2 to 1.95.

Corn sagged with wheat. After opening unchanged to 1/2-cent lower, including December at 81 1/2 cents to 82 1/2 cents, the market continued easy.

Smallness of receipts tended later to rally the market somewhat. Prices closed steady, 1c net lower to 3/4c advance, with December 82 1/2c to 82 3/4c.

Oats reflected the weakness of other cereals, starting unchanged to 1/2 cent lower, December 53 1/2 cents to 54 1/2 cents, and showing little power to rally.

Provision, although dull, were firm. Large shipments had a bullish influence.

New York, Nov. 4.—Aside from Reading, rails forged steadily ahead in the very heavy trading of the first hour on the stock exchange. Southern Pacific made a new high for the movement at 118 1/2. Union Pacific and Great Northern gained 3 points each. Louisville & Nashville and Delaware & Hudson 2 1/2, and other leading transportation, 1 to 1 1/2, while Jersey Central was conspicuous for a 21 point advance on relatively few transactions. Railway equipments strengthened with Mexican Petroleum, but Royal Dutch, United Fruit, Marins preferred, American International Crucible and Gulf States steels were heavy. Profit-taking caused a reversal in rails before noon of 1 to 2 points. Call money was unchanged at 3 per cent and foreign exchange was lower, with a new minimum for the Italian rate.

The Day in Davenport

Take Child Thief.—Unabashed by his surroundings or the charge against him, Tony Tronzo, aged 11, sat on the edge of a chair in Judge F. D. Letts' chambers in juvenile court yesterday morning telling the court how he happened to take things to nobody. Tony had carried home a football, a pair of skates and a package of merchandise which he "just happened to find lying around in a department store."

He said they "belonged to nobody," so he carried them home. His father, Mike Tronzo, broke them up when he found that Tony had been stealing again.

Bakery Driver Disappears.

Edward O. Moore, driver for the Mt. Ida bakery, Tuesday took out a load of pastry and bread and \$100 which he was supposed to bank. At 2 o'clock yesterday morning he had not returned. Charges of embezzlement have been filed against Moore. E. A. Kramback, proprietor of the bakery, called up and asked the police to locate if possible his missing driver and truck.

Deserts Family.—George L. McElderry, aged 23, was arrested Monday afternoon after his wife, Evelyn, filed information against him before County Attorney Henry H. Jebens, charging him with wife and child desertion. McElderry will be arraigned before Justice W. W. Scott. The couple has two small children, and Mrs. McElderry claims that for the last three months her husband has failed to support his family and that he has not lived at home for several weeks.

Buy Voting Machines.—The advisability of purchasing additional

voting machines for use in future elections in the city and county will be acted upon by the Scott county board of supervisors meeting in adjourned session Friday. Formal acceptance of the 52 machines purchased under contract last spring of the Automatic Registering Machine Corporation of Jamestown, N. Y., will be voted at this meeting. County Auditor Joseph Wagner announces. Each machine represents an investment of \$950.

J. W. Dow Is Dead.—Yesterday morning at 11 o'clock at the family home, 2005 Pershing avenue, occurred the death of Joseph W. Dow, senior partner of the firm of J. W. Dow & Son, printers, and one of Davenport's well known business men. Death was caused by heart trouble and came unexpectedly. Mr. Dow had not been in his usual good health for several weeks, but had not been bedfast and was able to continue his business. Mr. Dow was born in St. Marysville, Mo., April 6, 1864.

In Bankruptcy.—John C. Balzer, Davenport real estate man, filed a petition in bankruptcy in the federal court Tuesday. Listing his liabilities at \$3,728.38, the realtor alleged that all he owned was about \$100 worth of clothing, which under the law was exempt from attachment.

NINETY YEARS DO NOT PREVENT HER FROM BALLOTING

Mrs. Mary Mills of Aleo probably was the oldest voter in Mercer county Tuesday. Mrs. Mills was 90 years old last June, but this did not prevent her from visiting the polls in the third precinct and casting her ballot. She is a sister of the late I. N. Besset, who was regarded as the oldest practicing lawyer in Illinois before his death, having practiced law here until he was 95 years old. A straight Republican ticket is said to have been cast by Mrs. Mills in the election.

Margaret Stahl, Noted Artist, Casting for Fallers' Lyceum Entertainment.

Miss Margaret Stahl, a reader of national note, tomorrow evening will appear in Aleo in the first number of the lyceum course which is being sponsored by Fallers' post of the American Legion, at the First Presbyterian church.

Fallers' post members have been working hard to make a success of the lyceum course. Entailing the great need of high class entertainments in this city during the winter, the former soldiers decided on a four-course lyceum. The first number is to be offered tomorrow night. They will be given once a month throughout the winter.
