SEXTON'S NEXT JOB MAY TAKE HIM FROM CITY

Headquarters of Minor League Association, of Which He is Head, Will Probably Be in Chicago.

M. H. Sexton of Rock Island was one of a group of minor league officials who called on Judge K. M. Landis in Chicago Saturday in respect to the noted jurist as the new chief of baseball.

Mr. Sexton speaks of Judge Landis as a wonderful character, the logical man for the position of chairman of the new national commission. The minor leagues were greatly impressed by the personality of Judge Landis.

Mr. Sexton approves Judge Landis' decision to remain on the federal bench, because it places him above baseball politics and leaves him in a position to employ federal laws against baseball owners if it ever becomes necessary again.

Relative to his reelection to the presidency of the National Association of Minor Leagues, with executive powers, during the convention at Kansas City, Mr. Sexton stated that the nature of his new duties had not yet been worked out or defined. A special committee has been put to work to settle this question and it will probably be thirty days or more before Mr. Sexton will assume active work as the president.

SANTA CALLS FOR HELPERS IN TOY SHOP

Manufacture of Playthings for Children Will Be Made at Manual Arts Building.

Santa Claus is to have a toy shop right here in Rock Island and he needs the help of every man, woman and child who is interested in manual training, in painting, sandpapering, sawing, in sewing and in dressing dolls.

The Santa Claus shop is in the Y. W. C. A. dormitory, where volunteer helpers are busy sewing on mattresses, comforters, etc., for the cradles, and on dresses and making interesting rag dolls.

The Santa Claus shop is a community project. It is backed by the school, the Y. W. C. A. headquarters, and has also the hearty support of most of the clubs in the city.

Members in charge of the shop here are planning to furnish toys to all children in Bethany home, the West End Settlement, and to other poorer children in the city, and they will appreciate the cooperation of anyone interested in the work.

MARTIN MANAGER FREED OF CHARGE OF TAKING MONEY

Albert C. Ohle, manager of the Martin Cigar store at 1602 Fifth avenue, Moline, who was arrested Saturday on a charge of embezzling \$1,000 from the management, was released today.

The idea for the shop originated in the Francis Parker school in Chicago which has been sponsoring a similar shop although on a much larger scale, for the last five years.

The Chicago school supplies all the settlements, the juvenile detention home, and the orphan asylums in the city, and turns out hundreds of toys. And much of the material and suggestions for the Rock Island shop have come from the Francis Parker school.

Members in charge of the shop here are planning to furnish toys to all children in Bethany home, the West End Settlement, and to other poorer children in the city, and they will appreciate the cooperation of anyone interested in the work.

ROUSE INTEREST IN AUGUSTANA'S DEBATING TEAMS

The Students' union of Augustana college met in the chapel of the college this morning immediately after morning exercises, the chief object of the meeting being to urge the students to try out for the debating team of the school.

Professor G. Schertzen, coach of the team, impressed upon the students the necessity of such training in a college career, and urged all to begin their work on the preliminary debate which will be held Nov. 30.

Eight students will be chosen to represent Augustana in the big debate of the season which will take place early in March. The exact wording of the question of the debate has not been fully decided upon, but it will be relative to the California-Japanese situation.

The teams picked will meet Monmouth and Illinois colleges and will try to pay back the defeats which were handed Augustana last year by these two schools. In order to do this, however, Professor Schertzen impressed upon the students the necessity of having much material in the trouts for the preliminaries.

The question of yell masters for the school was also brought up at the meeting, and Howard Pearce and A. Palm were elected unanimously, making three leaders for the school, as Dave Nelson had been elected at a similar meeting earlier in the year.

Boy Scout News

Troop No. 3 of the First Methodist church, under the direction of Scoutmaster Ray Walker, helped in services at that church yesterday morning when the service flag was lowered. The Scouts showed up to splendid advantage and did their task in the best spirit of scouting.

The troop had reported that the troop good turn for last week was the picking up of all papers which they saw in the street. The troop has a large and active membership.

Six hundred Scouts took advantage of the kind offer of the American Legion to see the "Jollies of 1921" last Friday evening at the Illinois. The gallery was packed with appreciative youngsters, who enjoyed the show from start to finish.

The court of honor will be held Friday evening of this week in the Scout executive's office. It is expected that a large number of Scouts will report to be examined.

The following examiners for the local council will all be on hand: Mayor Levi, chairman; Willis Woods, C. E. Sharpe, O. Z. Cervin, E. Y. Coniston and Frazier Vance. The meeting will start promptly at 7:30.

The annual meeting of the local council will be held Thursday evening of this week at Scout headquarters. Every member of the governing body is expected to be present.

Chairmen of all the various troop committees in the city are also to be members of the council and should be present at this time. The nominating committee has a ticket of officers selected for the coming year and this will be balloted on Thursday evening. Reports of the various committees will also be made.
