Coats, Jackets and Gretchens.

WE LEAD, OTHERS MAY FOLLOW.

Of the many bargains offered in this department we can, of course, mention but a few. Our recent great purchase of nearly the entire stock of a New York cloak manufacturer at 30 per cent discount has now become most thoroughly advertised. This accounts for our being able to give such bargains, not to be found elsewhere. We are thus enabled to sell those new, stylish, long, wide sweep skirt coats at \$8.35, worth \$12.50, and at \$9.87, which a few days ago could not be touched for less than \$14. Dozens to select from. A few carried over from last year at 20c on the dollar. Thus we can sell reefer jackets at \$2, \$2.25, \$2.75, etc. A dollar will often do more than double work in this department.

Latest.

Wednesday morning, Nov. 29, just received from Alex. Black & Co., Toledo, Ohio, a traveling salesman's entire sample line of 116 garments. Coats, jackets and capes at 40 per cent discount. Only one of a kind, no two alike. This makes the \$20 coats only \$12, the \$15 garments it brings down to \$9; the \$10 capes and reefers down to \$6, and the \$6 ones down to \$3.60. This salesman had not been out on the road quite two weeks, and the samples are all quite fresh, and you would not know they had been used for samples if we did not tell you.

HOLIDAY GOODS.

The Holidays are near at hand. To buy wisely and economically during the rush of Christmas shopping is not so easily done. The safest way is to patronize only reliable houses with large stocks, whose prices are always known to be the very lowest. McCabe Bros' prices are always at the bottom notch; no one attempts to go lower. This year we shall show a larger collection of Holiday Goods, and at lower prices than ever before. New lines of Dolls, Toys, Games, Plush and Leather goods, Perfumes, Albums and Photograph Cases, Books, Cards, Tool Chests, Toy Trunks, Dishes and Stoves, Combination Iron Safes, Cars, Ships, Post Offices, Fire Engines, Mechanical Toys, etc., etc. The prices we design to make on every article of Holiday Goods is with the view of closing out every item, and we do not intend carrying any of these goods over into the year of 1894. Look out from now on for the biggest kind of bargains.
