The press committee for the 18th international convention of Christian Endeavor to be held in Detroit July 5-10, has begun work by issuing a letter setting forth the attractions of Detroit in general, and of the coming convention in general. Detroit expects to entertain at least 60,000 visitors on this occasion. This letter says: "Never before was there brighter promise of great things for the lie deavor hosts, and never has a city felt a gladder thrill over certainty of blessings to come. They say, and truthfully, that the tariff of \$16 per ton on print paper is prohibitory and that the rate of \$1.67 per ton for mechanically ground wood ulp is excessive: that the American paper manufacturers need no protec ion because they can manufacture paper cheaper than is done is any ther part of the world; that the dut orings in practically no revenue to he government, because it prevents importation; that it inures only t he benefit of the paper trust and enables that organization to exist; that the trust has raised the price of paper wherever possible; that every increas of a quarter of a cent in the price of news paper adds \$34,000,000 to the value of trust securities. All these statements are undeniably true, but as the Freeport Bulletin says, it is odd that the very journals that howl so loudly when the tariff pinches them view with complacency the squeezing of the consumer of other products by the same tariff. Indeed they go further and advocate it as a just, proper and laudable national policy. In their narrow and selfish

"Ignorance of Law Excuses No One."

This maxim applies with especial force to ignorance of the laws of health. Every man and woman of intelligence knows the physical fact that the blood reaches the remotest parts of the human body. If there is a disturbance anywhere, why should one ignorantly suppose that the seat of the malady is local?

Is it not more rational to suppose that the impure condition of the blood is doing the mischief, as it is? Experience has demonstrated the fact that this is the case in 95 per cent, of complaints.
If your "life's blood" is pure, nature will take care of the rest. Hood's Sarsaparilla enables you to cleanse your blood of all impurities and make it strong and wholesome. It never disappoints. Scrofula - "I am 77 years old and owe

my good health and steady nerves to Hood's Sarsaparilla, as it cured me of scrofula, rheamatism and catarrh. It has prolonged my life." James Brown, 83 East View Ave., leveland, Ohio Debility - " I was weak, run down and

yous. Severe pains in kidneys, with art trouble. Hood's Sarsaparilla made ne strong and new. It is an honest med-cine." Charles Hendershor, Amsterdam, Blotches - " My face used to be covered with pimples and blotches and I suffered from continuous headache. Hood's Sarsa-

parilla quickly removed the cause and my face is smooth. Have no more headache." F. H. SEIBERT, Hammond, Ind. Catarrh - "Many years suffering from starrh makes me appreciate Hood's Sarsaparilla which cured me; also of indiges-

tion and kidney trouble. It gave me strength and good appetite." Mrs. O. J. PHILLIPS, Pontaic, Mich. Weakness-"I bless the day I heard Hood's Sarsaparilla as it cured extreme weakness after grip, built my

FOR THE PUBLIC GOOD

The Information Contained in this Citizen's Statement is Invaluable to Rock Island People.

When a resident of Rock Island, whose statement appears below, who has no monetary or other interest in the article which he endorses, who is anxious to do his acquaintances and fellow residents a good turn, who publishes in this paper his experience with Doan's Kidney Pills—that citizen must have good and sufficient reason for doing so. The following ject: Mr. Conrad Schneider, grocer, of 231 Twentieth street, says: "I had a weekness across my kidneys, disagreeable pains in the small of my back and other symptoms arising from disordered kidneys which were very severe and annoying. I saw Doan's Kidney Pills advertised and ure in the world for all throat and especially recommended for my complaint, so I got a supply at the Harper iouse drug store. They relieved the pain in my kidneys, strengthened my ack and regulated the action of the idney secretions.
