Owing to the Vast Numbers Who Have Been Unable to See the British Doctors, These Eminent Gentlemen Have Extended the Time for Giving Their Services Free

for Three Months to All Who Call Before Feb. 26.

Owing to the large number of invalids who have called upon the British doctors at their office, 1700 Third avenue, (over Tremann's meat market) and who have been unable to see them, these eminent gentlemen have, by request, consented to continue giving their services free for three months to all invalids who call upon them before Feb. 26. These services will consist not only of consultation, examination and advice, but also of all minor surgical operations.

The object in pursuing this course is to become rapidly and personally acquainted with the sick and afflicted, and under no condition whatever will any charge be made for any services rendered for three months to all who call before Feb. 26.

The doctors treat all forms of disease and deformities, and guarantee a cure in every case they undertake. At the first interview a thorough examination is made, and if incurable, you are frankly and kindly told so; also advised against spending your money for useless treatment.

Male and female weakness, catarrh and catarrhal deafness, cancer, without pain or cutting, rupture, all skin diseases, and all diseases of the rectum are positively cured by their new treatment.

Dr. R. J. Nate, the chief consulting surgeon of the institute, assisted by one or more of his staff associates, is in personal charge. Office hours from 9 a. m. till 8 p. m. No Sunday hours.
