BALL TEAM WILL SOON BE AT WORK

Rock Island To Take Fourteen Players to Iowa City for Practice.

REPAIRS ON TWELFTH STREET PARK

Club Still Claims Richardson-Notes From Around the Circuit.

The work of leveling the diamond and repairing the fence of the Twelfth street park will be commenced Monday, providing the weather does not interfere, and everything made in readiness for the local team when it arrives home after its practice season in Iowa City, which opens April 17, two days after the players report here.

Manager Harry Tate and his brother Hugh will arrive from Pennsylvania two days in advance of the other players. Fourteen men will go to lowa City to work out. It is not the intention, however, to carry this number of men through the season.

The good workers will have oppor tunity to show themselves during practice week, so that before the season opens the manager can have his mind pretty well made up as to who from the bunch should be given pass-

The local management is not done yet with L. F. Richardson, of Marengo, Ia., despite the fact that President Sexton has decided that he should wear a Davenport uniform. Richard. son has been instructed to report for practice at Iowa City. The Rock Island association still claims Richardson and says it will not let go of him

Small Talk of Diamond In different towns ' rooters' " clubs are being formed. One may be organized here also. The rooter with a big voice is a great help to the home team when the score is close.

Terre Haute will probably hold Ace Stewart, notwithstanding that Omaha claimed to have had a contract from him before he went to the Indiana town. Omaha has finally offered four players to Terre Haute for Stewart, but the proposition has been turned

Buffalo, of the Eastern league, will put in its practice season at Evansville, and St. Paul, of the American, will work out at Terre Haute. The Woodmen office employes are

to pay for the uniforms of the Rock names in the list of candidates.

The 19th annual issue of the Reach official baseball guide is out. It contains an analytical review of the past season and index for the present season. It covers the entire baseball tield and leaves nothing to be desired in the way of data and information of value to followers of the national game. It sells for 10 cents.

Evansville is feeling good over having secured the services of Lou Camp. an old National leaguer, and lately with Omaha. He will play in the infield, probably third or short. Pete Gildee, of Peabody, Mass, a pitcher, has also been signed.

Every member of the Rockford team so far signed is under 30 years of age.

I have suffered untold pain at menstrual periods for a long time; was nervous, had no appetite, and lost interest in everything; in fact was miserable.
