## LOCAL TALENT RACES

Warm Finishes Are Seen at the Half-Mile Track On Ninth Street.

### FIRST OF A SERIES OF MATINEES

One Driver Dragged One Hundred Feet and Badly Bruised.

A good representation of the admirers of fine horse flesh of the tritities met at the old fair grounds in South Rock Island Saturday afternoon to witness the first racing event of the season on this side of the river. Three races were scheduled, a free-for-all trot, 2.35 pace and 3-minute pace. The particular interest attached to the different trials of speed lay in the fact that only well known local horses were entered, and their relative ability to put the turf behind them had been the subject of much previous speculation.

The spectators agreed that they were given an exhibition of the genuine article, and the finishes in several cases were so close that future matches of the same horses may be looked for. The principal go and the one that attracted more interest than both the others was the trot. There were four entries and three starters. Carl Mueller's Jess won three straight heats for the best three in five, with Frank Krotz' Chantwood second and Otto Birkel's Kankakee third. The time of the three heats was 2:27, 2:27 and 2:30. The third heat was highly exciting, each of the racers taking the lead at different times and finishing almost neck and neck.

Racers Come Together. A tragedy was narrowly averted in what was to have been the third heat, Mueller and Birkel colliding just after the start-off and a wheel on each sulky being damaged. Birkel was dragged one hundred feet and he was considerably bruised. Mueller kept control of his animal and succeeded in stopping her. Birkel's horse ran entirely around the track and was stopped at the wire by Otto Volk.

Ward's Irene Wins. The 2:35 pace was also for the best three in five, half-mile heats. Ed Ward's Irene won three straight in 1:14, 1:13 and 1:13. L. F. Cralle's Eddie C. was second in the first heat and P. A. Merriman's Nora Bawn second in the other two. The winner had an easy thing of it owing to the fact that her competitors could not be kept on their feet. The losers both showed good speed, but their breaking was fatal.

Clara Takes Three Straight. The 3-minute pace was best two in three and carts were used in half-mile heats. The contest lay between J. G. Junge's Clara and Ed Kantz' Nellie, the former being the winner in 1:21, 1:21 and 1:20. F. A. Head's Tom was third in all three heats.

The judges were R. H. Munro, J. S. Gilmore and Charles Haskins, the latter being starter. The track was in very good condition, although little work has been done on it this season, and the time made was good. Mueller's Jess coming within a quarter of a second of her record of 2:27. It is the purpose of local horse owners to give weekly driving matinees throughout the summer.

## TURNERS AT ANNUAL FEST.

Twenty-five members of the Rock Island Turner society are in attendance at the 16th annual turnfest of the Central Illinois Turn Bezirk, which opened last night at La Salle.

Over 1,000 Turners were in line in the big parade yesterday morning, and the exercises at the park in the afternoon were witnessed by 11,000 people. The contests were nearly all class exercises, consisting of wand drills, jumping, running and turning on apparatus. Delegations from the Bloomington, Peoria, Rock Island, Moline, Ottawa, Mendota and Peru turn vereins participated, but no prizes of honor will be awarded until the close of the fest this evening. The Turners and other visitors were entertained at a reception and concert at Turner hall last night.

### DEMOCRATS TAKE UP STATE APPORTIONMENT.

Members of the executive committee of the democratic state central committee met Saturday in the Sherman house, Chicago, in answer to a call issued by Chairman John P. Hopkins, to decide on future headquarters and to appoint a committee to consider what action should be taken on the apportionment question.

The members of the new committee are: Thomas Gahan, Thomas Byrne, William Loeffler and A. J. Jones, Chicago; P. C. Haley, Joliet; F. M. Haville, Mount Carmel; D. J. Hogan, Geneva; C. W. Ferguson, Rockford; Guy C. Scott, Alton; Daniel Heenan, Streator; B. E. Claggett, Lexington; F. J. Quinn, Peoria; F. E. Dunn, Carthage; L. A. Lumpkin, Mattoon, and W. S. Matthews, Centralia.

State Senator Stringer, Frank J. Quinn and C. W. Ferguson were appointed members of the committee on apportionment.

The Sherman house will remain the headquarters of the committee.

George E. Brennan, of Chicago, succeeds Theodore Nelson as secretary of the executive committee. Theodore Nelson was not a candidate for reelection.

Chairman John P. Hopkins presided and was named as chairman also of the executive body.

### A STREET CAR HITS A RIG ON SOUTH BRIDGE

A buggy belonging to Abe Johnson, of Sherrard, and occupied by Mrs. Johnson, her daughter and a young man from Davenport, was struck from the rear at the north end of the bridge over Sylvan water by a bridge line car last evening. The vehicle was pitched forward, overturned and the occupants thrown out. By almost a miracle no one was hurt, but the rig was badly damaged. The horse broke away and ran, but was stopped by the guard at the viaduct.

### PIANO BARGAINS.

Midsummer Sale at Schlegel & McNevin Piano Company.

An extraordinary opportunity to secure superb pianos at unheard of prices. Investigate at once. To reduce our very large stock of fine pianos we have decided to inaugurate a genuine special midsummer piano bargain sale, not on odds and ends, but fine new goods, that will never again be offered in this vicinity. The sale will last until the bargains are sold, so first come, first served. We cannot duplicate these offerings. Look at these bargains:

Beautiful parlor grand piano—absolutely highest of high grade pianos—one of the finest grades ever shown in the three cities, worth \$1,200, only \$698.

Fine new mahogany uprights, fully warranted in every sense of the word, regular price \$300, now only \$183.50. Pianos that are cheap at \$235, now \$197. Pianos, a bargain at \$350, go at \$215.

A fine line of beautiful pianos, warranted fully, excellent bargain values, in mahogany and select French burr walnut—one of the most celebrated pianos in the market, two styles, \$298.50 and \$217, worth more than double the money, and many others.

Don't regret later that you did not take advantage of this opportunity, but come at once and make your selection. Remember these are reliable and fully warranted bargains. You take no chances. Now is the time, if you delay you will be too late. It costs you nothing to investigate.

SCHLEGEL-McNEVIN PIANO CO., McCullough Building, 122-124 West Third street, Davenport.

### Flour Factory Shuts Down.

The Moline Flour company shut down Saturday evening for annual repairs and inventory, throwing out of employment something like 1,000 men. The painting department will continue the work on hand until finished. Part of the woodworking department will also run for a while longer, and some of the men will be put to work cleaning up and taking the inventory. The shut down came a week earlier than was expected and when it will again start up is a question that can best be answered in the future.

### A Terrible Explosion

"Of a gasoline stove burned a lady here frightfully," writes N. E. Palmer, of Kirkman, Iowa. "The best doctors couldn't heal the running sore that followed, but Bucklen's Arnica Salve entirely cured her." Infallible for cuts, corns, sores, boils, bruises, skin diseases and piles. 25 cents at Hartz & Ullemeyer's.

### Results of Saturday's Games.

Diamond Notes.  
Bill Zink stole a base at Decatur Saturday.  
Olof Kranz held Decatur down to seven hits Saturday. The Henry county boy is coming to the front gradually.

President Sexton has been called upon to give a ruling on Umpire Voris' decision in the Evansville-Davenport game at the former city Saturday. It was the last half of the ninth, two of Davenport's men were out, and the score 8 to 7 in favor of Evansville, when there was a row over Evers interfering with a batted ball. Voris called him out, and Evansville left the field. Davenport kicked on the decision, and Voris changed it and forfeited the game 10 minutes after Evansville left the grounds. The decision has been protested.

An error by Bloomington saved Rockford another shut out Saturday. Several Rock Island business men active in the management of the Rock Island baseball team have, it is understood, approached Just Lindgren with a view to having him pitch for the Rock Island team during the summer months, at least during some of the games played on the home grounds. Just says that he could not consider such a proposition. He would then be classed as a professional, which would bar him as captain of the Illinois football team.—Moline Dispatch.

If Kranz continues his present pace it is not likely that he will get any mail at Bishop Hill after this season. The following bit of happy news came over the wire to THE ARGUS today from President Sexton, who is at Decatur: "Rather than lose the club Decatur has concluded to accept the umpire assigned them and play ball."

Dart's ball team won a furious ball game from the Davenport who'salers at the Twelfth street park Saturday afternoon, the score being 18 to 4. As in the previous contest in Davenport the team from Iowa was outplayed, although the difference was not so marked as in the former game. At the beginning of the eighth it was 8 to 1 but a few lucky drives and some bad throwing gave them three runs in this inning. McCormack played the whole game for Davenport and had been accorded any support he would have shown Dart's men a merry clip. The contest was marked by many features and it was witnessed by a good sized and decidedly interested audience. The lineup: Rock Island—A. B. Welch 1b, I. J. Hoare 3b, J. L. Paddock p, C. M. Atch 2b, W. P. Griffin c, E. Thomas of L. Titterton rf, L. Hart rf, R. S. Dart ss, Davenport—Bethol rf, Marinaro lf, Dehan c, D. Marinaro 3b, McCormack p, Gorman ss, Fidler 2b, Jacobs cf, Brow rf; umpire, Kuehl, Davenport.

Bennett's Red Stockings continue to maintain a percentage of 1,000. Yesterday they won from a picked team taken from the Davenport Juniors and Larks. The game was played in this city and the score was 18 to 12. The batteries were, for Bennett's, Wilson, McGuinn and Oberg, and for the Davenporters Croelligan and Miller.

The barbers met their Waterloo at the Twelfth street park yesterday afternoon when they crossed bats with a husky aggregation of brewers. The contest survived seven innings and then the barbers "allowed" their opponents had enough. A scattering audience viewed the game and the extreme heat was against strong demonstrations of enthusiasm. Harry Elwell proved a marvel with the stick and his great endurance in running bases was up to the standard he set when he ran for alderman. The lineup: Brewers—Voertman ss, Clapper 2b, Weiford c, J. Kennedy cf, Dunca H, Josh Brooks p, Stephens 1b, H. Ellwell 3b, C. Kennedy rf, Barbers—Krueger cf, E. Stader 3b, C. Sample ss, R. Stader 2b, Keely 1b, S. Stader c, E. O. son rf, L. Hrip p, Iglehart lf. The score by innings:

Brewers	2	1	8	0	1	0	12
Barbers	4	0	0	0	0	1	5
