Table with columns: Played, Won, Lost, Per Cent. Lists game results for Rock Island and Davenport.

GAMES TOMORROW. Rock Island at Rockford. Cedar Rapids at Davenport. Bloomington at Decatur.

Now is the time when the pennant races. And various are drawing to a close. The managers of winning teams rejoice.

There's no getting around the fact that yesterday's defeat was a sweeping one from every standpoint. With 13 hits by the visitors and seven errors by Rock Island, equivalent to 20 hits by the former, the cause of the showing made is plain.

The attendance was large, evincing the rivalry that exists between the two towns over the national game, and the crowd was of the liveliest kind.

Rock Island's one run was made in the sixth and it was gratefully received. Rebsamen made a nice hit and Tate pounded out what but for adverse winds would have been a home run over the back fence.

Davenport's first runs came through accident in the second inning. Weirauch hit and Lippert walked and Shannon sacrificed them on.

Accident Gives First Scores. Davenport's first runs came through accident in the second inning. Weirauch hit and Lippert walked and Shannon sacrificed them on.

Notes of the Diamond. Umpire Camp was assaulted by both teams in the Bloomington-Evansville game at Bloomington Saturday. He stood the music, however, and did not put his assailants out of the game.

The next games to be seen on the home grounds will be Thursday and Friday with Cedar Rapids.

Decatur Review: Fans at the Hut are swelling up over having a winning team and are now talking a better league next year with a salary limit of \$1,000 a month instead of the present limit. That means that Decatur must be in.

The Davenport papers were distressingly blue yesterday. So we did what we could to cheer them up.

Capt. Connors, Centerfielder Kinlock and Pitcher McGreevy all reside in Bloomington. With these three fast ones as a nucleus, a manager has an easy matter in getting together a strong bunch.

MULLANEY MANAGER

Position as Head of Ball Team is Relinquished By Harry Sage.

THIRD CHANGE THIS SEASON President Munger Challenges Davenport to Series of Games.

Harry Sage last night relinquished the management of the Rock Island baseball team and Dominick Mullaney, first baseman and captain, was elected to the position.

"I will expect the boys to give the public the best they have while on the ball field," said Manager Mullaney. "Of course there are only a few more games until the end of the season, and we are pretty close to the bottom of the row, but we will fight for them as hard as if we were tied for first place."

A CHALLENGE TO DAVENPORT. President Munger invites Neighbors to Play Series of Seven Games.

President J. F. Munger, of the Rock Island association, issues the following challenge to the Davenport team: "Inasmuch as Davenport and Rock Island have played 14 regular schedule games and each having won seven, honors are still even, and it will require another series to determine the respective merits of the teams."

"It is further understood that the two teams are to play as presently composed, and the one winning the majority of games is to be declared the champion of the two cities."

ECZEMA

ECZEMA sets the skin on fire. The acid poisons in the blood are forced out through the pores of the skin, causing intense redness, burning and itching. So terrible is the itching at times, especially when the body is overheated, that the almost distracted sufferer feels that he could tear the skin to pieces, and that he must scratch or go crazy. He knows from experience that this only makes matters worse, but, made desperate by the terrible burning and itching, he is for the time being indifferent to after effects. There are several forms of Eczema, the moist, or weeping kind, that comes in little pustules which discharge a watery, sticky fluid, which dries off in bran-like scales. So profuse is the discharge at times that large scabs or crusts form, which are both painful and troublesome, and not easily removed. Red, disfiguring bumps and sores are symptoms of Eczema. The dry form usually attacks the head, hands and feet; the skin, becoming hard and rough, often cracking open and bleeding, and attended with much itching. Eczema depends upon a poisoned condition of the blood, and local applications, while soothing and cooling, and may to some extent relieve the inflammation and itching, cannot be considered cures, because external remedies do not reach constitutional or blood diseases. Salves, ointments, powders, lotions and soaps do more harm than good, by smearing over and scaling up the pores of the skin, thus forcing the poison back into the blood. S. S. S. antiseptics and neutralizes the acid poisons and drives out of the circulation all impurities and humors, and the pure blood that is carried to the diseased skin quickly allays the inflammation, opens the clogged pores, and the skin becomes soft, smooth and ready to perform its proper functions. To be rid of Eczema you must first purify and build up the blood, and nothing so surely and effectually does this as S. S. S., the only guaranteed purely vegetable blood purifier. Send for our book on blood and skin diseases, and write our physicians for any information or advice you may desire. Medical advice and book free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

HERE IT IS, TATE.

Saturday morning Tate, of the Rock Island team, remarked to a group of fans in front of THE ARGUS office that he had recovered his batting eye, and proposed to give a good account of himself with the willow that day.

"We'll have a chromo of you doing any more batting this year," spoke up one. "You watch me," was Tate's response.

Whereupon a representative of THE ARGUS, who happened to overhear the conversation, suggested to Tate that THE ARGUS would publish the chromo of him in its next issue provided he made three timely hits during the Saturday game. "Watch me," said Tate, "and see if I don't make good." Tate did make good, and herewith appears his chromo.
