Are
You
Hard
To
Please?

That is, are you more than ordinarily particular about the fit of your clothes, the general style and the trimming? If you are you are just the man to whom we want to show our new spring Suits and Overcoats from the factory of L. Adler, Bros., and Co., of Rochester, N. Y.

We do not care how strong your prejudice may be against ready-made clothing, we are prepared to convince you that we can give you precisely as much as your tailor has been giving you, and at something like half his prices. We shan't blame you for being incredulous, but we do think it is no more than fair that you should give us an opportunity to prove the truth of our statements.

Will you do so?

LOOP TO THE BLUFF

Tri-City Railway Company Decides on Four-mile Extension.

SOON TO ASK FOR AN ORDINANCE

Bids Opened for a New Car House to Be Built in This City.

At the time the last general ordinances were granted the Tri-City Railway company it was promised that whenever the people requested and the conditions justified an extension to the bluff districts would be made.

Recently a number of citizens interested brought the matter to the attention of the company and Manager J. F. Lardner toured the territory, with the result that the announcement has come that a four-mile loop is to be built, covering South Heights and the Longview and Reservoir park districts. Eight-pound rails will be used.

As soon as the details are determined an ordinance will be asked of the city council and the improvement put under way the day the necessary steel is forthcoming. This verifies what The Argus said months ago regarding the purposes of the company.

Bids on Car House.

Yesterday the bids were opened on the new car house the company is to erect just west of the present structure on Fifth avenue in this city. The bids were: Volk & Co., \$44,132; Aaron Anderson, \$42,300; Collins Bros., \$41,797; H. W. Horst, \$41,630; Tri-City Construction company, \$39,000. The latter company being the lowest, will likely be awarded the contract. The car house, with track extensions, will aggregate an outlay in Rock Island of something like \$100,000 by the Tri-City Railway company in the near future.

FLAT BUILDING THAT IS TO COST \$1,000,000

A novel flat building, involving, with site, the expenditure of nearly \$1,000,000—the largest sum invested in Chicago in a single enterprise of this kind—is to be erected the coming summer at the southwest corner of Michigan avenue and Thirty-first street, Chicago. The distinguishing feature of the big structure will be the absence of any kitchen, save one big one for the use of the entire building. James G. Cozzens, 97 Washington street, is the promoter. He has brought the financing of the project to a point where the execution of it is assured. Work will commence in June and the apartments will be ready for occupancy next spring.

In the general plan of operation, the new building, a name for which has not been selected, will be conducted like the Ansonia, the 2,500-room hotel at Broadway and Seventy-third street, New York, which was built by W. E. D. Stokes at a cost of \$2,500,000. The suites will contain from one to five rooms. They will be leased by the year unfurnished, the rent running, according to present plans, from \$30 to \$100 a month.

There will be no cooking in the building, except in the big restaurant, which is to be conducted on a moderate-priced plan, serving twenty-five cent breakfasts and fifty cent table d'hôte dinners. Tenants may have their apartments cared for at reasonable extra expense, doing away with the necessity of individual servants. The building is to rise 100 feet above the sidewalk, nine stories, and thoroughly fire-proofed by the Roebing system. It will contain 532 rooms. The ground dimensions are 200 by 185 feet, the first story to be stone and the superstructure of yellow pressed brick. The doors and floors will contain all the wood employed in the construction of the building. The halls are to be wide and all the suites will open either on one of the fronts or on courts. There are to be no shafts to serve as drafts for flames.

On the ground floor on the Thirty-fifth street side will be nine stories entirely separated from the rest of the building. The restaurant, containing 6,700 square feet, will be on the first floor.

Mr. Cozzens said of the project: "The success with which the small buildings on this plan have met in Chicago shows the demand for accommodations of this kind. In New York it is a common type and very profitable. I have had the plan in mind for many years, and came near carrying it out before the world's fair, but decided that the time was not ripe. The demand for this kind of building, which is neither hotel nor flat building strictly, is great. One mistake that has been made and which we shall avoid is to rent the restaurant to managers who charge prices that are prohibitive to people of moderate means."

Owing to the favor with which investors have looked on this type of building in New York the Cozzens project has been largely financed in that city, a large loan in addition to the \$300,000 of stock having been negotiated in that city. The cost of the building will be about \$750,000.

SURVEYORS ARE HERE

Move That Looks Like Reestablishment of Rock Island Terminal.

The Rock Island road has surveyors at work in its yards in this city, giving added strength to the report that the company contemplates reestablishment of its division freight headquarters in this city, the removal to Hawthorn having proven a costly experiment. It is further stated that shops now located elsewhere are, as heretofore noted, to come here, and the road promises to do handsomely by Rock Island.

BOY HAS A CLOSE CALL

Large Steel Rail Falls on Him—Taken to Hospital.

Burford Kennedy, a 12-year-old colored lad living in the lower end of town, had a narrow escape from being killed shortly before noon today. While assisting in driving a horse into a barn a large steel rail which was suspended on top of the inclosure was knocked against him by a sudden turn of the horse, fracturing his lower jaw in three places. The ambulance was summoned and the injured boy was conveyed to St. Anthony's hospital, where Dr. E. M. Sala reduced the fractures.

G. Swederus, of Erie, was in the city today.

Benjamin Whitsitt, of Preemption, is visiting relatives in Rock Island.

Mrs. John F. Neufeld, of Memphis, is visiting relatives in Rock Island.

Ben L. Sears is home from the Hahnemann Medical college for the summer vacation.

Mr. and Mrs. H. B. Pratt returned home this morning after a two weeks' visit with friends at Cushing, Neb.

Misses Della and Laura Cook and Morris and Herbert Cook, Jr., went to Hampton to attend the funeral of Delaney Cook.

F. M. Boney, a former resident of the city, now located at Glenwood Springs, Colo., is shaking hands with old Rock Island friends.

PROFESSIONALS DEFEAT AUGUSTANA AT BASEBALL

The Rock Island baseball club had a practice game yesterday afternoon at the park with the team of Augustana college. At the end of five innings the score stood 15 to 1 in favor of the professionals. Tomorrow afternoon the team will be in Iowa City, where practice games will be played with the State University nine till the middle of next week.

J. B. Ward, pitcher, arrived from Adair, Iowa, last night and Caldwell, the only remaining man signed who has not reported, is expected here tonight.

A great deal of interest is being shown in the practice games that are to be played between Rock Island and Davenport. The one Sunday will be played in this city and the one a week later in Davenport.

C. WALSTROM DIES AT ORION AFTER LONG ILLNESS

Charles Walstrom, a former resident of this city, died of convulsions at 9:30 today at Orion, after an illness covering a period of several months. He was a young man and single and he leaves a sister, Mrs. Louis Englin, of this city, besides his mother and brother, the former living in Pittsburgh. He was a member of the Royal Neighbors and of Camp 29, M. W. A., of this city. The funeral will take place Friday afternoon from the residence of Joseph Grotgut, 320 Fifteenth street, this city.

Two More Seek Divorce.

A bill of divorce was filed in the office of the circuit clerk yesterday afternoon by McEniry & McEniry, attorneys for Oke Larson, of Moline. According to the bill the petitioner was married to Cora Cisco Larson in Rushville, Ill., in 1879, and three years later the latter deserted her home. William McEniry, of Moline, has filed a bill asking divorce from Mrs. Bertha F. McEniry. The bill recites that they were married at Davenport in 1894, and that the complainant conducted himself as a dutiful and kind husband until 1900, when his wife left him without any cause, and that she has refused to live with him since.

BRIDES OF APRIL

F. K. Eberhart Weds Miss Ethel Taylor at Forest City, Mo.

O'DONNELL-SULLIVAN NUPTIALS

J. E. Fleming and Miss Adaline Shear Are Married in Chicago.

Frank K. Eberhart, who has been on the road for the past four years with the Kerhoff-Loeke Dramatic company, surprised his friends today by suddenly appearing in the city with a bride. The young lady was formerly Miss Ethel Taylor, of Forest City, Mo. The wedding took place Monday. After visiting a few weeks here Mr. and Mrs. Eberhart expect to return to Forest City, the latter's father, A. D. Taylor, being a stock raiser there.

O'Donnell-Sullivan. St. Joseph's church was the scene of a pretty wedding at 1 this afternoon, Richard O'Donnell, of this city, and Miss Rosa Sullivan, of Beardstown, being the principals, and Rev. Thomas Mackin, the officiating clergyman. Immediately after the binding words were spoken the couple entered a carriage and were driven to the depot there to board the train for Chicago for a week's wedding trip. Upon their return they will be given a reception by Mrs. D. D. Portiger and will begin housekeeping in a cozy home prepared by the groom at Seventh avenue and Thirtieth street. The groom is a popular passenger brakeman on the Burlington road and his fellow employees gave him and his fair bride an auspicious start on their honeymoon trip.

Fleming-Shear. The arrival of John E. Fleming and bride from Chicago last evening substantiated the rumors that had been in circulation among his friends from the time of the departure of the former for the east last Friday. Mr. Fleming was married at noon yesterday at the residence of Rev. Henry Irving Rasmus, 3315 South Park avenue, Chicago, to Miss Adaline Shear, daughter of Peter Shear, a prominent business man of Canton, Ohio. The couple at once boarded a train for this city, arriving here in the evening. They will go to housekeeping in a few days at a home prepared by the groom at 1124 Fifth street. Mr. Fleming is the well known expert accountant. His many friends will extend cordial good wishes to himself and bride.

SPRINGFIELD HAS PLAN TO PERPETUATE G. A. R.

Stephenson post, G. A. R., of Springfield, which is named after the founder of the order, Dr. R. A. Stephenson, will present to the state encampment in this city next month a plan for the perpetuation of the order by admitting sons of members and other descendants to membership on the same plan as the Loyal Legion.

BURGULARS CARRY AWAY EIGHT SACKS OF FLOUR

Thieves last evening broke into the flour store of G. W. Aster, 1620 First avenue, and carried away with them eight sacks of flour. A window had been pried open and the door unlocked from the inside. This morning Pat Quinlan and George Littig were arrested at the house of J. C. Thomas on suspicion of being the guilty parties. Two sacks of flour and two sacks of cornmeal were recovered.

Frizzelles at Kewanee.

Mrs. Carrie Warren Frizzelle, wife of the presiding elder of the district, spoke at the Methodist church yesterday morning. It was an anniversary thank offering service. Mrs. Frizzelle confined her attention to the work in Rome and other parts of Italy and her description was most entertaining. She speaks easily and her address was one greatly enjoyed. In the evening at the church the presiding elder, Rev. J. W. Frizzelle, occupied the pulpit and administered the sacrament.—Kewanee Star-Courier.

Court of Honor, Special Joint Meeting

There will be a joint meeting of the local courts of the Court of Honor, Nos. 31, 391 and 523, on Wednesday evening, April 16, at 7:30 at Odd Fellows' hall, for the purpose of hearing an address and seeing the work exemplified by Special Traveling Deputy John G. Queensberry. A full attendance is earnestly requested. By order of C. C. Kirsch, chancellor, 314 P. H. Schroeder, chancellor 391; and George Hetter, chancellor 523. J. H. KERR, Recorder.

For Over Sixty Years Mrs. Winslow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25 cents a bottle.
