Two more new factories are in prospect for Rock Island, one of which is said to be particularly desirable. Rock Island has the room and the shipping and fuel advantages that attract manufacturers and it is but necessary for the citizens to get up and dust, as has been done in former years, and as they are doing in

other neighboring towns, to bring valuable acquisitions to the city industrial.

**MADE IT UNNECESSARY**

Wisconsin Man Very Effectually Prevents a Divorce in the Family.

LaCrosse, Wis., April 23.—To keep his wife from getting a divorce Herman Fuescher, for seventeen years a drayman of this city, committed suicide by hanging in the manger beside his old horse, which he said was his only friend.

The wife began divorce proceedings some weeks ago on the ground of cruel treatment, and it was to have come up at next month's term of court. He told her she would never get it. He was 60 years old and lived here for thirty-five years.

**A FATAL MISTAKE**

Is Often Made by the Wisest of Rock Island People.

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills. Serious complications follow. Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes—Bright's disease. Read what a Rock Island citizen says:

Patrick Rooney says: "Taken with a soreness across my loins and other symptoms of kidney complaint, I went to a physician who treated me at intervals for three years. Receiving little if any benefit, I resorted to advertised sure-cures, but the trouble resisted all my efforts, the intense pain in the small of my back and limited control over the kidney secretions being always in evidence. Learning of Doan's Kidney Pills I procured a box at the Harper House drug store. If that one box had not helped me I never would have followed up the treatment, and bought five more. I have been exposed to all kinds of weather, but up to date there has not been a symptom of a recurrence."

Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's, and take no substitute.

to keep it out of mischief, if you must, in the kitchen all day sweltering over a red-hot Coal stove. You need not do either if you own a "Quick Meal" Stove. The "Quick Meal" takes care of itself. The "Quick Meal" will cook the dinner in the time it takes a coal fire to start, and it will do it without soot, smoke, dirt or ashes—but quicker, better and cleaner and with less expense than the old-fashioned red-hot coal stove. Keep yourself and your kitchen cool and drive that drudgery from your home—and better do it to-day.
