THE THEATRE.

Conspicuous among this season's theatrical offerings is the revival of "The Taming of the Shrew," in which Charles B. Hanford, the well known Shakespearian star, will be seen at the Illinois Sunday, May 18. Mr. Hanford begs leave to announce that nothing has been left undone to enhance the attractiveness of the delightful old comedy. Every picture will be given its proper setting. Special scenery has been designed for this production by leading New York artists who have vied with each other to secure the best and most beautiful results. Their efforts, it is said, have been crowned with much success not only on account of their extra exertions, but also because the Italian atmosphere and the coloring of the period of "The Taming of the Shrew" readily lend themselves to artistic endeavor. The costuming of the play is on a par with the scenic excellence while all the other appointments, properties and electrical effects help to make the production one of the most notable that was ever sent on tour. It is stated that every member of the company is an artist who has won his spurs in Shakesperian drama. At the head of Mr. Hanford's supporting company is the actress, Miss Marie Drofnah, concerning whom so much has been written. Already a great deal of curiosity has been manifested to see her in the role of Katherine. Other members of the company are Emma Hayner, Irving Knight, Roland Gibson, P. A. Nannary, Paul Anderson, R. O. Meech, Owen Fawcett, who has been specially engaged to play Grumio, L. W. Browning, and John C. Davis.

It is a well known fact that Manager Frank L. Perley, whose great singing organization in "The Chaperons" will be seen here this evening, is one of the most lavish and liberal of all operatic producers of this country. The gorgeous effects in "The Fortune Teller" and "The Singing Girl" for the Nielson Opera company were wholly the result of his genius for dressing an operatic show. When it came time to produce "The Chaperons" Mr. Perley turned over to the scenic artist photographs and drawings of the famous Paris Latin quarter, where the first act is located, and Scenic Artist Joseph Physioc, who built the stage settings for "The Chaperons," declares that the models called for the heaviest and most elaborate furnishings ever sent from his New York studio. The designs for the costumes were furnished by the well known poster artist, Archie Gunn, and the original plates are now carried in an immense frame which is exhibited in the lobby of the theatre wherever "The Chaperons" appears.

The seat sale for the first concert by the Rock Island Choral society to be given at the Illinois Thursday evening opened this morning and the indications are for a fine audience. Aside from a chorus of 250 voices directed by Prof. C. F. Toennges, there are to be solo numbers by W. C. Seebeck, pianist, and Miss Harriet Cropper, soprano. The entertainment will be one of the season's musical events and deserves the liberal patronage that seems assured for it.

SAYS THERE'S NO HARM IN DANCING OR CARDS

The recent meeting of Methodist ministers in Chicago, when it was urged that the church laws prohibiting dancing and kindred amusements ought to be modified to meet modern ideas of the people at large, has aroused a deep interest among the Methodists of New York.

That a large number of Methodist ministers of that city believe that the church laws against dancing, the theatres, card-playing, and so on, do more harm than good is apparent. There is a large number of the conservative element among the ministers, however, who think that a relaxation in church discipline would work to the detriment of morals.

Rev. C. L. Goodell, of the Hanson Place Methodist church, in Brooklyn, said Sunday:

"I think that the sentiment among Methodist ministers is such at present that a general conference might amend the chapter on amusements in the church law so as to eliminate the prohibition against such diversions as dancing and card-playing, which can by themselves be innocent in the most innocent manner. There is nothing morally harmful in these amusements if conducted in a proper spirit and under the supervision of parents. I believe that all that can be done to make the social life of the church more attractive should be advocated.

"I don't want to be understood as advocating dancing and card-playing, but that the question of doing so is one really of a person's own conscience, and I think that there should be no church law against such practices. If a person believes he can be just as good a Methodist by participating in these amusements, why is he not the best judge?

"Young persons often come to me and ask my advice about going to the theatre. I answer by asking the question, why don't you come to me and ask for something that will benefit you? I never give a direct reply, but leave the matter to their own consciences.

"A man must lead a fairly good life nowadays or get left behind in the race. He cannot dissipate without falling behind in business, and socially he loses caste too. Life in America has indeed become what President Roosevelt calls 'strenuous.' Only by working with all his energy can a man keep up with the march of progress, the standard of which keeps constantly rising. If he permits dissipation or indulgence to sap his energy he begins at once to fall to the rear."

Sciatic Rheumatism Cured After Fourteen Holds Up a Congressman.

"I have been afflicted with sciatic rheumatism for 14 years," says Josh Edgar, of Germantown, Cal. "I was able to be around, but constantly suffered. I tried everything I could hear of, and at last was told to try Chamberlain's Pain Balm, which I did, and was immediately relieved, and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by all druggists.

Dangerous if Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve effects a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yankeetown, Ind. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. All druggists.

FOR SALE—Lots in Woodin's addition. These lots are on Eleventh and Twelfth avenues between Fifth and Seventh streets, are 42x125 feet with 20-foot alley and nine feet of good rich soil lying on limestone rock. An abundant supply of pure water can be had at a small expense by drilling 30 feet through the soil and rock. Sidewalks are all shaded with Elm trees set 20 feet apart along the curb. If you are interested in a cheap building lot, the price and terms that these lots are offered for will suit you. Call or address S. J. Woodin, 922 First avenue.

FOR SALE—Lots. I will sell what is remaining of the beautiful residence lots located on Sixth avenue between Twenty-eighth and Thirtieth streets at $550 and $650 per lot. These lots are the cheapest in the city. All are connected with city water and sewer and have shade trees, within one block of Seventh avenue car line and two blocks of red and blue lines. It is generally conceded that the Rock Island Railway will again occupy the yards which they abandoned, which will have the effect of enhancing the price of these lots at least 50 per cent, making this an opportune time to buy the few remaining lots above described. For further information call on E. J. Burns, room 11, Mitchell & Lynde building.
