Carrie Nation at the Watch Tower Sunday

The New York Tribune of Sept. 30 says: "The Loop-the-Loop, the Flip-Flap, the Jolly Rattle Dazzle, and all the other vertigo producing machines on Coney Island could not compete last night with Carrie Nation, the Kansas 'joint' smasher. Mrs. Nation was speaking on the island, and instead of smashing whisky bottles she smashed all records as an attraction for the people. Her name acted like magic on the crowd, and it surged into the grounds almost faster than the tickets could be collected."

MAKING HIM LOOK PLEASANT

Is easy enough, for when he opens his package of laundry work, after being sent home from the American laundry, the man who loves faultless linen and up-to-date laundrying always washes his face in soap. During warm weather our methods of laundrying linen and colored shirts, white vests, etc., shows us it is the length of time they keep fresh and clean.

GENTLEMEN

Do you want to save 50 cents on a pair of shoes?

This is our plan:

ALL \$3 MEN'S SHOES for \$2.50

ALL \$4 MEN'S SHOES for \$3.50

Why do this?

As our Davenport store has men's shoes only, of which we make a specialty, at \$2.50 and \$3.50, we intend and will give the advantage to our customers at our Rock Island store of the choice and price of a "specialty shoe house," which means 50 cents saved on all shoes at \$2.50 and \$3.50.
