

PAIN IN THE BACK?

IF ANY OF YOUR FAMILY IN THIS OR PAST GENERATIONS HAVE BEEN TROUBLED WITH KIDNEY DISEASE, MAKE A TEST OF YOUR URINE AND SATISFY YOURSELF. A TRIAL BOTTLE OF THE WORLD'S GREATEST KIDNEY CURE, WARNER'S SAFE CURE, SENT ABSOLUTELY FREE TO EVERY READER OF THIS PAPER.

IT IS YOUR KIDNEYS!

Thousands of Men and Women Have Kidney Disease and Do Not Know It Until It Has Developed Into Bladder Trouble, Rheumatism, Diabetes or Bright's Disease Which Will Prove Fatal If Not Attended To.

Pains in the small of the back, painful passing of urine, inflammation of the bladder, torpid liver, cloudy urine, pains in the back of the head and neck, rheumatic pains all over the body tell you your kidneys are diseased and are not able to do their work properly. If you have any of the symptoms, great care should be taken to stop the progress of the disease and prevent it becoming chronic and proving a life-long torment, by taking Warner's Safe Cure.

IF IN DOUBT MAKE THIS TEST.

Put some urine in a glass; after it stands 24 hours if you find a reddish brick-dust sediment in it, or particles floating in the urine or the urine is milky or cloudy, you will know your kidneys are in a diseased condition and are unable to perform their work; the result will be the bladder and urinary organs will become inflamed. Urine acid will poison the blood, the stomach will become affected and unable to digest the food, the system will become weak and the result will be a break-down of the general health, with Bright's disease or diabetes, which will prove fatal if not treated with promptness and great care. Warner's Safe Cure will purify and strengthen the kidneys and enable them to do their work, it will rid the blood of uric acid, Bright's disease, uric acid poison, gall stone, inflammation of the bladder and urinary organs and restore the patient's health and vigor. The free trial bottle has often been sufficient to cure cases of kidney disease when the simple home test described above has been made in the earlier stages of the disease.

URIC ACID POISON CURED.

Mr. Thomas J. Stoddard, a prominent builder of 2701 Hampton ave., Baltimore, who is now 64 years of age, was so far gone with inflammation of the bladder and uric acid that his urine was black and he could only pass it in small quantities with excruciating pain. His bladder had become so inflamed and his kidneys so diseased that he had constant dribbling pains in his back and groin; he tried doctors and medicine, but grew worse until he began taking Warner's Safe Cure, which was recommended to him by a friend who had been cured. He took three bottles and was completely cured, his urine became its natural color, the uric acid was driven out of his system and his kidneys and bladder resumed their normal healthy condition, so that they can now perform their work of purifying and filtering the blood.

Mr. Stoddard says he can now stand in a stooped position any length of time without feeling any pain in his back. Thousands of letters are received every day from men and women who have been cured by Warner's Safe Cure.

Warner's Safe Cure

CHAPTER THE SECOND

Of the Ethics of Chicago, as Applied in the Matter of Paying Taxes.

CAPTAIN WILLIAMS ON THE BACK

Tells How He "Took the Medicine" Without Doing Any Kicking—Pretty Revelations.

Chicago, Nov. 21.—Captain Edward Williams, ex-manager of the Masonic Temple, and convicted conspirator against Cook county, who took the stand Wednesday as a witness for the prosecution in the trial of President James H. Gormley, of the Masonic Fraternity Temple association, on the charge of conspiracy, admitted on cross-examination yesterday that he committed perjury in swearing to a false affidavit in the course of his own trial. "Did you not on Oct. 3, 1902, on your oath state before a notary public," asked ex-Judge Wing, counsel for Gormley, "that you never saw Hoy, Healy and Wheeler until after the indictment was returned against you and them and you were arraigned in court?"

He "Took the Whole Dose." "I did," was his reply. "Was that true?" "It is true as to all except Wheeler."

"Have you any explanation of your action in that connection?"

"My explanation is that I had paid \$20,000 of the corporation's money in good faith to men whom I understood to be employees of the county treasurer's office, and I believed I had a moral justification, in the hope of saving that money. The affidavit was prepared by attorneys, and I took the whole dose just as a patient takes the prescription given by his doctor."

"Did the lawyers know that you were deceiving them when they drew up that affidavit?"

Harnes Is After Some Lawyers. "I can't say what I have said to them. They must have got the statement from me." The cross-examination was directed throughout toward the discrediting of the witness' veracity and was marked by frequent tilts between the defendant attorney and Judge Horton, Assistant State's Attorney Barnes directed the interrogation in the red-hot examination of Williams toward securing an admission from him that the affidavit already referred to, and another one introduced in evidence, setting forth that the Masonic Temple taxes had been paid over the counter in the county treasurer's office, were made with the full knowledge on the part of the Temple association's legal advisors, Thornton & Chancellor, that they were false.

"Inside" and "Outside" Men. The only admission witness would make was that they "were presented to him for signature by one of the attaches of the attorney's office." Luke Wheeler, co-conspirator with Williams, and also under sentence for his crime, took the stand immediately following the conclusion of the latter's examination, and told in detail his part in the transaction as the "outside man." James B. Hoy looking after the fixing of the books "on the inside."

CAN'T KEEP IT UP. Can't Deceive Rock Island People Very Long—They Learn Quickly.

It is sometimes an easy matter to fool the public, but you can't keep it up very long. They are sure to find you out; and every time a man is fooled another skeptic is made. We are naturally skeptical when reading a published statement by some stranger residing in a far-away place, but the circumstances are entirely different when home indorsement is presented. The testimony of local citizens renders deceit impossible. It is so easy for you to investigate. Read this case:

F. J. Vivill, Seventh avenue, carpenter, says: "I was so sore and lame across my back that I could not stoop over far enough to tie my shoes. When I was obliged to pick up anything from the floor I had to get down on my knees to avoid the sharp, shooting pains through my kidneys. There was a dull, heavy pain in my back and also weakness of the kidneys which was very annoying. I used many remedies, but I got little or no benefit until I tried Doan's Kidney Pills, obtaining them at the Harper house drug store. They effected a complete and permanent cure."
