WEDDED AT NOON

**Nuptials of Former Mayor Medill
and Miss Lucy Kinner
Celebrated.**

AT RESIDENCE OF THE BRIDE

**Immediate Relatives and Friends
Witness the Auspicious
Event.**

At the home of the bride's parents, Mr. and Mrs. Henry Kinner, 1103 Fourth avenue, Miss Lucy Kinner was married to ex-Mayor Thomas J. Medill at 11:30 o'clock this morning. The ceremony was simple, the couple taking their places under a canopy of smilax and carnations in the back parlor unattended, and Rev. William S. Marquis, of the Broadway Presbyterian church, pronounced the words of the rite. The ring service of the church was used.

A company of about thirty guests, immediate friends and the relatives of the interested parties, were present, and after the ceremony the party sat down to a wedding dinner in the dining room. The table was ornamented with smilax and carnations, and the room was similarly decorated. The other rooms were festooned with smilax and banked with palms. Carnations were also used extensively in the decorative scheme. The wedding colors were green and white.

Leave on Tour.
Mr. and Mrs. Medill left at 1:30 o'clock for the east on a short wedding trip.

The out-of-town guests were Mr. and Mrs. P. E. Benn of Anamosa, Iowa; Mr. and Mrs. R. Wilson of Coal Valley, Mr. and Mrs. H. Martin of Coal Valley, Mrs. Alice Medill of Chicago, Miss Maud Medill and W. A. Medill of Milan.

The bride is a charming young woman with a host of friends in this vicinity. She is a graduate of the high school and for some time past has been employed as bookkeeper in Mr. Medill's office. The groom is too well known to need any extended note here. He has served in various positions of trust from two terms in the mayoralty down, all with great credit. He was reared at Milan, but has made Rock Island his home since he became actively engaged in the real estate and insurance business, and as secretary of the Black Hawk Building, Loan & Savings association.

Huntley-Zimmerman
William R. Huntley and Miss Mamie Zimmerman were united in marriage yesterday afternoon, the ceremony being performed at the parsonage of the United Presbyterian church, Rev. D. L. McNary officiating. The couple were attended by Roy Huntley and Miss Lillie Zimmerman and after the ceremony the bridal party partook of a wedding supper at the home of the parents of the bride, Mr. and Mrs. Joseph Zimmerman, 1229 Second street. Both the bride and groom are well and favorably known and they will have the best wishes of their many friends. They will reside at 729 Second street.

PLAN FOR MERCHANTS' DAY IN HANDS OF COMMITTEE

The Rock Island Retail Merchants' association last evening at the regular meeting discussed the manner of observing Merchants' day. It developed that there is a general disposition to observe the holiday in some manner, and the matter of investigating and reporting upon a plan was left with a committee of members to be appointed by President Kingsbury.

The committee that entered into the agreement with the Retail Clerks' union regarding the closing of stores holidays reported, and the action taken was approved of. The remainder of the session was taken with matters not of general interest.

TOWBOAT TAKEN IN CHARGE BY SHERIFF

Sheriff Stuart of Muscatine, has taken possession of the steamer Clipper under a chattel mortgage from William Lightfoot to S. Simmons of Andalusia. The mortgage debt was not yet due, but by a provision of the mortgage the mortgagee was entitled to take possession of the boat in case of a sale or attempt to sell during the lifetime of the debt. A bill of sale had been executed by Lightfoot to Clymer A. Coldren, hence the action of the mortgagee in authorizing the seizure of the craft by the sheriff.

Capt. Lightfoot was doing a good business with the boat. During the winter months the boat had been given a general overhauling, and was started among the first of the towboats on this part of the river. Her captain has been busily engaged in boating wood, shells and many other commodities and was apparently doing a thriving business.

THREATENED STRIKE OF MOLDERS NOW A REALITY

The beginning of actual trouble between the molders of this vicinity and the employers that has been so long threatened was inaugurated today upon the receipt of notice from the national organization of the craft to the number of 75, including those employed at the Barnard & Leas Manufacturing company, Williams, White & Co., Moline Pump company and Moline Elevator company, of Moline, and Root & Vandercook, of East Moline, went out this morning and others may follow.

The men ask for a nine-hour day with the same pay as they now get for 10 hours. In the course of the negotiations that have been in progress for some time past the employers have offered to give the men a 9 1/2-hour day with an advance from 27 1/2 to 30 cents per hour.

The program included songs and dancing by Mr. Finley and James Jackson, with a number of clever turns by the Swallow family. It ended with a friendly 6-round boxing exhibition by Muhs and Lancaster, the Davenport artists. Lunch was served.

The play to be given by the naval militia has been postponed until May 8, as the trip to St. Louis made it impossible to keep the other date.
