BACK AT KRAUSE

Complaining Witness of Yesterday is Made Defendant Today.

CHARGE IS DISORDERLY CONDUCT

Yesterday's Grist in Police Court Was Close to the Record.

The first chapter in the McMan-Mann-Krause case was closed in the police court before Magistrate Johnson yesterday afternoon and the result is a warrant against the complainant in the first action charging him with disorderly conduct. James McMan, John McMan, Sr., and John McMan, Jr., were the defendants in the hearing before the magistrate yesterday, all charged with assault and battery. Krause, the butcher, whom it was claimed they assaulted, was the chief witness. After hearing the evidence the court dismissed the two others and fined John McMan, Jr., \$5 and costs, as it was shown that he was responsible for "putting an eye" on Krause. The hearing against Krause was held at the station at 2 o'clock this afternoon. Mrs. McMan testifying that while she was in the butcher shop awaiting the filling of an order, Krause acted in an entirely uncalled for and unconventional manner which entirely justified the beating he received at the hands of young McMan.

Other Misdemeanors.

Henry Little was tried for drunkenness before Magistrate Johnson this morning. He was fined \$3 and costs. Officer Thode made the arrest last evening. John McDonald, who was arrested and served out a night early this week, fell into the toils of the law again last night. He went back to his old habits and had engulfed all the liquor he could beg or borrow money to buy. He was fined \$3 and costs and given orders to leave town. Sixteen hearings were had before Magistrate Johnson yesterday, which is close to the record performance of Magistrate Finger made during the crusade last January in Davenport.

E. E. HUGHES TO LEAVE

RAILROAD BUSINESS

E. E. Hughes, formerly general manager of the D. R. I. & N. W., with residence in Davenport, has decided to quit railroading and will return to the banking business, which engaged his attention prior to his taking up the traction problem. When he left the D. R. I. & N. W. Mr. Hughes went to Arkansas to superintend the construction of a new line and he recently went to Grand Rapids, Mich., to take the superintendency of an important division of the Pere Marquette. It is understood that he will return to Boone, Iowa, to resume the presidency of the bank with which he was previously connected.

SOUVENIR EDITION ON THE DUBUQUE CLUB

The Dubuque Enterprise has gotten out a handsome souvenir edition upon the Dubuque Club, the institution of which E. H. Wey, formerly steward of the Rock Island Club, is steward and manager. The history of the club is treated in an interesting and comprehensive manner and fine illustrations are used. Mr. Wey's cut appears on a prominent page. One of the notable achievements of the club since Mr. Wey has been connected with it was a banquet given in honor of President Roosevelt upon his recent trip, which in general magnificence rivaled any he was accorded.

SPECIAL PRIZES FOR

PUPILS OF ST. JOSEPH'S

The four graduates who have just completed their studies at St. Joseph's school, Misses Marguerite Burt, Bernadette Barry, Annabel Meenan and Josephine Dower, were all given teachers' certificates in addition to highest honors and graduating medals of the school, having passed the examination given under the direction of County Supt. S. J. Ferguson. Certificates for penmanship were also awarded by A. N. Palmer, of Cedar Rapids, to Misses Burt, Barry, Meenan, Mary O'Farrell, Anna Bailey and Nellie Dower. The prize for the highest average went to Miss Burt and Wilfred O'Hare. Prizes for amiable and polite deportment were given to Miss Barry and Miss Lucia McElherne. The prize for regular attendance at music was merited by Misses Meenan, Burt, Ruth Feighor, Regina Blake, Henrietta Kinner, Della Geiger, Mary Broderick, Catherine Fennell, Irma Concanon, Stella Gibson, Elizabeth Lynch, Florence Jones, Mildred Yeager, Lulu Richmond and Master O'Hare and drawn by Lulu Richmond. The prizes for regular attendance at school was merited by Clarence Dee, and Misses Meenan, Barry, Burt and Richmond. They were drawn by Miss Meenan and Clarence Dee.

The impression that St. Joseph graduates are fitted with only an education preparatory to the high school is erroneous. Only those who complete the high school studies are granted diplomas, and each of the four young ladies who have now graduated have satisfactorily completed an exacting course embracing the high school branches.

DRURY RESIDENT TRIED

ON A SERIOUS CHARGE

The case of the People vs. Theodore Townsley came up before Justice Schroeder this morning, but a change of venue was taken to Justice Schriever's court. The charge against the defendant is disorderly conduct, the complainants being Clyde Hesman and John Case. The parties interested live on adjoining farms in Drury township and the charge resulted from a dispute which arose over a line fence. Townsley, it is claimed, picked up a shotgun in the heat of argument and threatened to blow Hesman's head off, hence the action.

LINEMAN IS KILLED

Spencer H. Lenney of Rock Island Shocked by 4,400 Volt Current.

ACCIDENT AT POWER PLANT

Deceased was 26 Years Old and Has Relatives at Atlantic, Iowa.

Spencer H. Lenney, who rooms at 318 Twentieth street, Rock Island, an employee of the People's Power company, was killed at the power house on Sylvan island at 9 o'clock this morning by getting his hand into the live wires of a piece of apparatus he was explaining to a fellow workman. The current which passed through his body was instantaneous. Artificial respiration was attempted to resuscitate the stricken man, but all in vain, as the deadly power had accomplished its work. Lenney had been in the employ of the company for three years as a lineman, was 26 years old, unmarried, and has relatives living at Atlantic, Iowa. An inquest by Coroner Eckhardt followed at the Moline police station, a verdict of accidental death being returned, exonerating the power company from any blame.

Was His Own Fault.

Lenney had been engaged in installing a new lightning arrester at the power house. The choke coils, which form the protection, were taking up his attention this morning and he was explaining their mechanism to another workman, V. A. Murphy, of Rock Island, who was assisting him. Four of the coils were already in place and in order to reach them the men were standing on a platform of the apparatus when his fingers came in contact with the wires. He dropped instantly. Every known means was used to revive him, but he never regained consciousness and death was undoubtedly instantaneous. Dr. Arp, of Moline, arrived with the ambulance, but was able to do nothing.

The Inquest.

Shortly after the accident Coroner Louis V. Eckhardt, of this city, was notified and left at once for the Moline police station, the body having been taken there in the ambulance. Murphy and some of the other employees of the company were examined, their testimony coinciding with the story as told here. After the inquest the members of the Linemen's union took charge of the body and had it brought to this city. The remains will be shipped to Atlantic, where the interment will take place.

MANY FROM HERE ARE ATTENDING THE CARNIVAL

The merchants' carnival now in full swing in Davenport is drawing many Rock Islanders and all are returning well pleased with what they have seen. Centrally located just west of the business district the shows of the Gaskill-Mundy Carnival company are drawing immense crowds, particularly in the evenings, and the business streets do not suffer from the customary congestion that attends the average show of the sort. The attractions almost without exception are clean and are well managed. The fakes have been to a large extent eliminated and the disorderly element in the crowd is kept in abeyance by the authorities so that there is plenty of fun without rowdiness.

Worst Of All Experiences

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years," she writes, "I endured insupportable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters, and the result was miraculous. I improved at once and now I'm completely recovered." For liver, kidney, stomach and bowel troubles Electric Bitters is the only medicine. Only 50 cents. It's guaranteed by Hartz & Ulmeyer, druggists.
