It's Quality That Counts

In coal it's quality that makes heat, it's quality that makes heat, it's quality that makes possible consumption of 90 per cent of the combustible part of it, leaving a light, clean ash; lastly, it's quality that lessens your fuel bills—you're not paying for dirt, refuse or unburnables. The coal we handle, both hard and soft, deserves all the good things we and our patrons say for it. A ton will talk as loudly as a carload.

Cedar Rapids, July 16.—The Rabbits turned the tables on Rock Island yesterday, bunched hits on Smith, and with the aid of five passes and a hit batsman ran in 10 scores and effected a shut-out.

The visitors played a good game and secured eight hits, but fast fielding and fine work on the part of Gill prevented them from getting around the bases. Score:

Bloomington 3; Davenport 1.

After having pitched six innings of great ball Stauffer at Davenport yesterday threw high over second, scoring one runner and putting another in a position to register, and Davenport lost the game. Score:

Bloomington	000000200—2 7 3
Davenport	000100000—1 9 4

Batteries—Bishop and Donovan; Stauffer and Lobeck.

Rockford 8; Decatur 7.

Rockford, July 16.—The game was halted in the eighth inning, while a policeman searched Empire Peters, complaint having been made that the latter was carrying a revolver. A slingshot was found on his person. Peters' umpiring was so wretched that many of the spectators left before the game was half over. After scoring a good lead Decatur went to pieces in the seventh. Rockford tied the score by good hitting in the ninth and won on in the 10th. Score: Rockford 0010004021—8 14 5; Decatur 0000322000—7 12 3.

Batteries—Calhoun and Meek; McGill and Krebs.

Springfield 4; Dubuque 2.

Dubuque, July 16.—Errors on the part of Dubuque at critical stages lost the game for the home team. Both pitchers did well, but Hagerman was more effective with men on bases. Score: Springfield 0000020200—4 6 6; Dubuque 0000002000—2 8 2.

Batteries—Hagerman and Reading; Isbell and Smith.

Chance to See New Players.

In the coming home series the fans will have a chance to see all the new players on the home grounds, including infielders Beatty and Gorman, Catcher Nieman and Pitchers Martin, LaKuff and Arthur, the latter being from Aledo, and whom Rock Island has had under contract for some time.

Notes of the Diamond.

Tomorrow the scene changes and the southern towns of the league will be at home with the northern teams visiting. Rock Island will entertain Cedar Rapids for a three-game series. "Pollock, the Henry county lad recently released by Rockford, is holding down second for Springfield. "Scrap Iron" Beecher is now managing the Terre Haute team in the Central league.

The Davenport management seems to be up against the same sort of proposition that the Rock Island management was last year. Last evening Ald. Langer, of the Davenport city council, introduced a resolution requiring the baseball management

to pay a license. Though the majority of the members laughed at the idea, the resolution was referred and Ald. Langer served notice that he was going to "push" the matter. Probably the alderman will get his pass now.

THINKS ILLINOIS WILL AGAIN TAKE THE TROPHY

According to a prediction made by Capt. Cinnin, range officer at Camp Logan, Springfield, who is captain of the Illinois rifle team, Illinois is a sure winner of the Washburn trophy for a third time at the shoot to be pulled off during September. Capt. Cinnin has carefully watched for two days the shooting of the eight men of the 1st regiment who are on the state team, and if anything like the scores that have been made are secured in the contest he says the team will be an easy winner.

Some marvelous shooting has been accomplished at cross range work, but the scores will not be made public. The eight men averaged 170 out of a possible 200 at this work. Only the eight men who are on the team are doing any range work. The remainder of the command puts in the week at hard drill.

SEVERAL COUPLES ARE JOINED IN WEDLOCK

William Matthey and Miss Margaret Raithel were married last evening at the German Lutheran church, Rev. C. A. Mennicke officiating. They will make their home for the present with the parents of the bride, Mr. and Mrs. Henry Raithel, in South Rock Island.

J. W. Dautremont, of this city, and Miss Lovina Thomann, of Davenport, were married yesterday morning at the Sacred Heart cathedral, Davenport. Very Rev. James Davis officiating. The couple will live in this city.

Rev. R. B. Williams at 8 o'clock last evening at his home officiated at the wedding of William E. Warner, of Morris, Iowa, and Mrs. Jessie May Myenhuis, of Davenport.

REPUBLICANS OF HENRY COUNTY HOLD CONVENTION

The republicans of Henry county at Cambridge yesterday after a long and interesting contest nominated C. E. Sturtz, of Kewanee, for state's attorney to make the race to succeed Emery C. Graves, now on the circuit bench in this district. There were two other aspirants for the office, and it required 19 ballots to decide the contest. Harry E. Brown, of Geneseo, was the closest competitor, and Clark Ahy, of Galva, was in the race till after the 18th ballot, when he withdrew, and his supporters largely went to Sturtz. The final vote was Sturtz 163, Brown 154.

Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for 10 years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and I did not use all of one bottle before I was well, and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by all druggists.

There is no beverage more healthful than the right kind of beer. Barley malt and hops—a food and a tonic. Only 3 1/2 per cent of alcohol—just enough to aid digestion.

But get the right beer, for some beer is not healthful. Schlitz is the pure beer, the clean beer, the filtered and sterilized beer. No bacilli in it—nothing but health.

And Schlitz is the aged beer that never causes biliousness.
