This offer is made to rich and poor alike. It is made to demonstrate the facilities and superiority of my treatment, which have only to be known to be appreciated by the people.

Catarrh is in no sense a disease local to the head and nasal passages, but seizes with equal facility on the mucous membrane of the EYE, EAR, STOMACH, INTESTINES, VERIFORM APPENDIX, HEART, BLADDER, EJACULATORY DUCTS, KIDNEYS, RECTUM, LIVER, LUNGS, Etc., Etc., causing SORE EYES, SCROFULA, GASTRITIS, APPENDI-CITIS, EUDACARDITIS (Heart Disease), CATARRH OF THE BLADDER, SERIOUS SEXUAL AND GENITRO-URINARY DERANGEMENTS in both sexes, BRIGHT'S DISEASE, DISEASE OF THE RECTUM, LIVER DISEASE, PNEUMONIA, CONSUMPTION, and other diseases of the most serious character. It is not a disease to be treated lightly. It may confine itself to a small area for years and then suddenly spread over the whole system with fatal result. In the face of thousands of deaths from Catarrh, physicians have no heretofore emphasized the seriousness of this disease because they didn't know how to cure it.

DR. HORNE has nothing to conceal. The patient is told what his disease is, or what it may become. And he is told what course will be necessary to effect a cure. Special studies of Catarrh, its nature and effects, have recently given me eminent advantages in the treatment of this disease. Come now and be examined free. All Nose and Throat Troubles successfully treated.

DISEASES OF WOMEN.

Woman! The flower of transcendent beauty of all creation! What pains does she suffer and what heavy burdens does she bear that she may be the joy, the hope and the salvation of mankind, the race characterized by Shakespeare as the "paragon of animals." Dainty, delicate, intuitive, mysterious, fastidious and charming; her beauty and fascination spring from the source of her weaknesses; her very qualities are born of her hidden infirmities. And who can be more miserable, more sensitive or more over-burdened by her lot in life than an afflicted woman?

DR. HORNE COMES TO THE TIMELY AID OF AFFLICTED WOMEN. THE PAINS AND ANNOYANCES of Periodic Headaches and a long train of ills causing HYSTERIA, BEARING DOWN AND DRAGGING SENSATIONS. PAINS, ACHES, LASSITUDE, LOSS OF ENERGY and misery constant, persistent and discouraging, robbing the world of its beauties and life of its charms, are now cured by DR. HORNE by a new discovery in Medical-Electricity administered exclusively by our staff of Physicians and Surgeons, and WITHOUT THE NECESSITY OF EXAMINATION except in extreme cases.

AFFLICTED WOMEN ARE SPECIALLY INVITED TO TAKE ADVANTAGE OF OUR EXCEPTIONAL OFFER OF FREE EXAMINATION.
