Schlitz Beer is Good for You

The malt is a food; the hops a tonic. The alcohol—only 3½ per cent—is an aid to digestion; a healthful stimulant.

Schlitz Beer is brewed with the extreme of cleanliness—cooled in filtered air—and every bottle is sterilized.

It is one of the best things in the world for you.

It does not ferment on the stomach, because it is aged—aged for months in refrigerating rooms before it is marketed.

It gives you beer without biliousness. Ask your doctor what he thinks about drinking Schlitz beer. Ask for the Brewery Bottling.

DAVENPORT DOTS

The first sessions of the grand lodge of Iowa of the A. O. U. W. met at Laurmann's hall this morning and continue in session throughout the day. Memorial services at the Edwards Congregational church will be held this evening. There are about 200 delegates in the city.

Frank Williams, arrested here for forging of pay checks of the Rock Island road, was to have had his preliminary hearing in Des Moines yesterday. Instead of showing up he sent a letter stating that he was sick in a local hospital. Investigation proves that he is not here, and it is believed that he has skipped, leaving his bondsmen to lose the \$1,000 they had posted for his appearance.

The New Process laundry, located at 311 West Third street, is closed, and thereby hangs a tale. The help Saturday night clamored for the wages due them, but in vain. A number of creditors over town are mourning the failure of the business and both Constables Ramsey and Holliday were kept busy serving attachments upon what property remains in the city. The proprietors Saturday night succeeded in removing their several horses from the Wiese livery barn and it is understood that they have been shipped to Chicago. The proprietors are also missing and leave behind them a heavily mortgaged plant.

Rev. Father Knebel, curate of St. Mary's church, announced to the parishioners Sunday that John Wyland, ex. old Davenport resident, had passed away in Denver last week.

The death of Mrs. Carrie Hall occurred at her home, 2108 Scott street, aged 48 years. Deceased was born in Indiana and resided in Davenport 20 years of her life. The remains of Henry Paulsen, the man who suicided Thursday night at the Gramercy saloon on East Second street by swallowing rough on rats administered in a glass of beer, were shipped to Lyons and interred beside the remains of his first wife, who suicided about two years ago by drowning herself a short distance below the Lyons bridge. A brother of deceased came to this city and accompanied the remains to Lyons, together with the suicide's widow and six children, ranging in ages from 17 years to an infant in its mother's arms.

The Davenport city council, in committee of the whole, took an extended trip into West Davenport yesterday, looking over the route covered by the petition of the Davenport & Suburban company for a right of way to Grand Isle, and at the projected extension of Harris street and the condition of the McManus bridge on West Third street. No action was taken.

The news has reached here of the sudden visitation of paralysis which came upon Mrs. W. C. Warriner, an old Davenport resident, who was stricken at her home in Quincy, Mich., last week. The entire left side is affected. Mrs. Warriner resided in this city up to seven years ago.

A deal was completed yesterday whereby Carey M. Jones has secured Library hall and that portion of it devoted heretofore to the Davenport public library, for the rental of \$100, to be used as a school which will be known as the Jones National Auctioneering and Oratory. A. W. Vander Veer signed an agreement whereby the school will begin to occupy the old library room July 12. The agreement gives the tenant for one month with the privilege of holding it until September. During the past few years Carey M. Jones has had letters from all parts of the United States from young men desiring to learn auctioneering, and from established salesmen wanting to learn

fine stock auctioneering. Realizing the need of such a school, Mr. Jones had decided to open one. The institution will be a permanent one.

An Open Letter.

From the Chapin, S. C. News: Early in the spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle, and before using the entire contents were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, editor. This remedy is for sale by all druggists.

MOLINE MENTION

The committee in charge of the securing the horse and buggy for the Visiting Nurses' association announced that the horse and buggy had been purchased and will be presented to the association this evening at the industrial hall. THAT PAIN IN THE SIDE

There's nothing that will give such speedy relief and cure and at the same time strengthen the side and restore energy as an Allcock's Porous Plaster.

A pain in the right side, however, is often caused by thickening of the bile which may lead to gall stones. The best treatment is to wear an Allcock's Plaster as shown in the illustration, until cured. You'll be surprised to find how soon you are relieved.

REMEMBER—Allcock's Plasters are without question the most successful external remedy in the world to-day, and the safest, for they contain no belladonna, opium or any poison whatever.
