PONIES IN SPURT

Local Talent Furnished One of Cards at Ninth Street Track Saturday

NOBLE L. AN EASY WINNER

Bamboo Tree Finishes First in the Half-Mile Dash, Which is Hotly Contested.

After a postponement of one day on account of a heavy track caused by the rain of Thursday night, the Rock Island Jockey club gave four races at Ninth street track Saturday afternoon with a small crowd present. The track was slow, but safe. The pole was in bad condition, the dirt having broken up into small chunks that covered it for four feet from the inside all the way around.

The first race run was for ponies, catch weights, with three best in five, quarter-mile dashes. All of the ponies were locals. Those entered in the race were Sir Hutton, Nellie, Spike, Mabel L., Dase, and Lillie Fox. The first heat started off with all of the horses well bunched, Sir Hutton in the lead. Half way home the horses scattered, Mabel L. being a close second, seemingly crowding Sir Hutton for the first place. The judges noticed at this juncture that Mabel L. was being pulled by her rider, and the heat was declared off. The manner in which Mabel L. followed Sir Hutton proved her to be the better horse, which she could have proven easily had she been given a chance. The other heats in this race were run by Mabel L. and Sir Hutton, the other horses having been drawn, as they were seen to be outclassed. Mabel L. won the race with ease. A purse of \$50 was offered in this race. The heats were run in 31, 28 and 28½, respectively.

McCarthy Rides Another Winner.

The second race, a half-mile dash, for 3-year-olds and under, with a purse of \$100, was interesting and hotly contested. Bamboo Tree, a chestnut mare, ridden by McCarthy, took first place, the time being 51 seconds. The horses entered in the race were Polly Macklin, Miss Messenger, Russona, and Bamboo Tree. The horses were started beautifully. Russona pushed past into the lead from the wire, and held first place until at the second turn, with Jockey Berry pushing her for all she was worth, but she began to tire, when Bamboo Tree, making the ground sizzle, passed the second horse, and kept on forging her way, and at a short way past the second turn she took the lead and came under the wire a neck ahead of Polly Macklin. The race was exciting. Whips were freely applied and the horses played for all that was in them. Polly Macklin crowded Bamboo Tree in one of the fastest performances seen on this track. Russona had dropped somewhat, but at the turn leading to the home stretch she was nosing Polly Macklin's heels. Miss Messenger was a short way back of Polly Macklin, but was somewhat weak. Bamboo Tree was the favorite at 1 to 2, with Polly Macklin next in demand at 2 to 1, while the others were equal favorites at 4 to 1.

The Indian Gets Sculpin.

Those in the next race, a six-furlong dash, for non-winners at this meeting, the purse being \$100, were Lillie Long, Nona B., Tinloch, Cora Weed, and The Indian. The Indian won, with Nona B. finishing second, a half-length behind the leader. After some dicker-ing at the quarter pole—caused by Tinloch, an uncontrollable and rattle-headed brown gelding—the quintet was started off, well bunched. Tinloch led to the wire, when Nona B. and Cora Weed, both crowding each other and fighting desperately for first, passed

BIG CROWD AT THE PICNIC

Three Thousand at Annual Gathering of Lower End Sunday Schools.

Three thousand people attended the annual picnic of the Sunday schools of Buffalo Prairie and Drury townships held at Dungan's grove in the vicinity of Illinois City Saturday. The lower end of this county, the north end of Mercer county and Muscatine were well represented. The affair was one of the most successful held in the life of the association, which was formed over twenty years ago. It was under the direct auspices of the Pine Bluff Sunday school. After the plan customarily followed, there was a program, the numbers of which were furnished by members of the different schools, and there was instrumental music by the Muscatine brass band.
