SIX GAMES TAKEN

Islanders Complete the First Two Series With Davenport, Winning All.

HUGHES GIVEN ONE TRIAL

Pitches Steady Game—Lundin Keeps Hits Well Scattered—Take Four Scores in One Inning.

GAMES TOMORROW.
Cedar Rapids at Rock Island.
Davenport at Dubuque.
Peoria at Decatur.
Bloomington at Springfield.

The Rock Island base ball team and fans went over to Davenport yesterday afternoon and took the third and last out that side with a score of 5 to 3. It was just like playing on the home grounds. The Rock Island fans were in the majority so they took possession of the grand stand and the bleachers, as there were not as many Davenporters out as were over on this side of the river during the Springfield series.

Happened in Sixth.
It happened in the sixth inning. Davenport started out by getting a score in the first and took another in the third, and they held the lead until the time the Islanders made up their mind that things had gone that way far enough. Everybody but McConnell went to bat that inning and four scores resulted. One more was taken in the seventh and then Davenport pulled out of the fire in their half, but there the score making ended.

Try Hughes.
For the first time in the six games that have been played between these two teams Hughes was allowed a trial against the Islanders. Seven hits were picked up, but he pitched a steady game. The errors back of him combined with the hits helped to give the game to his opponents. Lundin was in the box for the Islanders, but he was up against the same misfortune that befell Hughes. The first man who crossed the plate did so on an error. The ten hits were well enough scattered to have let his opponents down with one score less.

Webster and Burg made the three scores for Davenport. Burg was the first up in the first inning and he hit for two bases. Webster drew a pass and Crockett filed out to Carlisle. Swalm found one that was good for a base, advancing Burg to third, and he was allowed to score on an error by Ruby in fielding the ball. Webster made his first score in the third. He drew another pass, went to second on a hit by Swalm and scored on one by Alperman. In the seventh he made a two base hit and went to third while Swalm was being caught at first, scoring on another hit by Alperman.

Four in the Sixth.
After Lundin filed out in the sixth Carlisle hit one into right field. Ruby followed with one in the same place, advancing Carlisle to third, which allowed him to score on the throw-in of Sweeney's fly to Reed. Wanner hit a hot one to Burg, which went through him, allowing both Ruby and Lister to score. Lister having reached first on an error by Alperman. Wanner scored on Vandine's hit. The score in the seventh was made by McConnell. He was first up and opened the inning with a hit, and went to second on an error by Hughes, scoring on an error by Reed in fielding a ball from Lundin.

Wet at Peoria.
Bloomington was prevented from playing at Peoria yesterday by wet grounds.

Diamond Dust.
Double plays got to be a habit with the Riversides yesterday, but they were so easy they could not get out of them if they wanted to.

Six men struck out in front of Lundin yesterday.
"Whitey" Alperman is the stand-by when it comes to helping out in a pinch.
Wanner's two base hits are coming regularly again.

SMALL DOSES OF DOPE

This is regular Belden Hill weather. He always brings it.

In consideration of the work the Islanders have been doing since they started on their pace, a number of the enthusiasts subscribed to a fund, which gives every player a hat of the value of \$3. The boys earned it, and Manager McConnell wishes to acknowledge publicly that the donation is appreciated fully.

Davenport tried Reed, the new man, in left yesterday. Capt. Webster states that negotiations for another player named McGilvery have been interfered with on account of difficulty in getting his release from Denver.

The Davenport correspondent was so sore last evening that he failed to send the score of yesterday's game to one of the Chicago papers.

A number of the enthusiastic fans clubbed together this morning and bought each member of the Rock Island team a fine new hat in recognition of the good work that the boys have been doing lately.

Dolly Bros. offer a pair of oxfords to every Rock Island player who puts the ball over the fence in fair territory during the season.

M. & K. will give a pair of fancy hose to each player hitting for two bases or better in today's game.

Peoria Journal: Peoria must have good baseball or none, and the management should understand it at first as well as later on.

The knockers up in Dubuque are after Charlie Buelow. They say he is not hitting or fielding as well as he knows how. Davidson, too, is coming in for a strong welt, while Hughes,

who was vilified almost beyond reason before the season opened, is now the idol of the town. Strange thing, this baseball game.

Springfield News: Thornton walked three times and got two hits, one a double. He was so elated that he thought he would take a jab at Donnelly. On going out to center he let go of some sort of fling, and the little manager replied: "All right, all right, but if you was with me you'd last about 30 minutes." Mr. Thornton straightway shut up.

Nelson in Hard Bout.
Philadelphia, Pa., June 7.—Battling Nelson, of Chicago, gave Jack O'Neil an awful pounding in their bout here last night, and although O'Neil fought hard against the bulldog rushes of the Dane, it was apparent that the latter had at last found the six-round affairs to his liking.

It was a good bout, but it was apparent the crowd at the ringside thought that Nelson had a clean shade the best of it.

PENNANT WINNING
FANS NEEDED, TOO

Davenport Lacks That Kind—Bears a Lesson for All Good Baseball Cranks.

Over in Davenport they are talking about that "hoodoo." Well, maybe there is a hoodoo but it is not a vague, mysterious something that the Davenport fans profess to believe it is. Manager Hayes' hired men could explain it but it is not given to them to do much talking, particularly at this stage.

The truth is, to win pennants it takes not only a team of good ball players, harmonious among themselves and well managed, but pennant winning fans, too. Davenport hasn't the pennant winning fans. The town furnishes three good lessons to supporters of the game who are earnestly trying to help their team win the pennant: It shows conclusively that when the whole town undertakes to manage a ball team it is pretty sure to make a botch of it; that it doesn't pay for fans to bulldoze players, and that when the moral support fails because a game or two is lost, the organization, however able and well managed, is almost sure to go to pieces.

Davenport is guilty of at least all these mistakes. Manager Hayes has always been able to get a creditable bunch together, but he has always felt obliged to listen too attentively to the advice of the self constituted board of strategy and the organization has thus been undermined.

Two years ago Davenport undoubtedly had the best team in the league. The batting and fielding records showed it. The pennant should have been won and undoubtedly would have been had it not been for Rock Island and the same "hoodoo" that has begun to get in its work this year. Then, as now, the players were given to understand that they had to beat Rock Island or no mercy would be shown them. It is needless to say that that spirit was carried out to the end and the team did not beat Rock Island till they were literally forced to do it through circumstances over which they had no control in the last series of the season, and they didn't win the pennant.

Lack of moral support for the team was strongly in evidence last year and is beginning to be felt this season. It discourages not only the players but the management. What it did to the team last year is well known. Unless the unforeseen happens it bids fair to do worse this year.

There is one difference this year, however, as between the Rock Island and Davenport clubs. Rock Island really has the better team of the two now and should under normal conditions win a majority of games when the two meet.

But in regard to the "hoodoo" notion, it is one that ought not to be countenanced among fans or players. While the element of luck occasionally plays a part it is never a permanent factor in determining the aspect of the percentage column. Good, consistent ball playing, and competent diamond generalship, backed by a healthy sportsmanlike spirit on the part of supporters of the game are what count in the long run every time.

WARM WEATHER HELPS.

Get Rid of Your Catarrh by Using Hyomei Now.

Everyone who has catarrh should take advantage of the warm weather to get rid of this annoying and distressing disease. The right treatment, faithfully followed, in May or June, will benefit much more quickly than in the winter and early spring.

Do not try to cure catarrh of the head and throat by taking drugs into the stomach. It cannot be cured in that manner. The only way in which this too common disease can be cured is through a direct application that will kill the germs of catarrh and prevent their growth.

Hyomei is the only known method of treatment that accomplishes this. It is the simplest, most pleasant, and the only absolute cure for catarrh that has ever been discovered.

When using Hyomei every particle of air that enters the air passages of the throat and head and goes into the lungs, is charged with healing balsams that kill the catarrhal germs and soothes and allays all irritation.

The first day's use of Hyomei will show a decided improvement, and in a short season of the year, there will be no further trouble from catarrh.

You take no risk in buying Hyomei. The complete outfit costs but \$1, and if after using you can say that the treatment has not helped you, H. O. Roifs will return your money.

Quality vs. Quantity.
Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia cure, your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures indigestion, dyspepsia, belching, sour stomach, weak heart, etc. Sold by all druggists.

Only one remedy in the world that will at once stop itching of the skin in any part of the body: Doan's Ointment. At any drug store, 50 cents.
