IS NOT BORNE OUT BY THE FIGURES

Statement of Decatur Paper As to Relative Attendance.

Official announcement has been made of the fact that the Decatur management has requested President Holland to transfer the Decatur-Davenport series, scheduled for Davenport, to Decatur.

The claim is made that games in Davenport have never paid the Decatur club, and for this reason it asks for the change.

Decatur Review says: "If the other clubs do not object, Decatur will offer a guarantee to Jim Hayes that will beat anything he could possibly do in his own town."

The Review speaks without knowledge of facts so far as Rock Island is concerned. But inasmuch as comparisons are invited on a matter that pertains strictly to Davenport and ought not to involve or concern Rock Island, the following figures may be given.

BREEZES FROM FANS

No Game Tomorrow.—The Islanders have an off day tomorrow, and Peoria comes for Saturday, Sunday and Monday.

Another Pitcher.—Neal, the Kawence pitcher has joined the Islanders and will probably be given a trial Monday.

Lemon Making Good.—Lemon, the catcher McFarland secured from the "Kitty" league, who was given his trial in the series here, seems to be making good. He is working well in strange company.

Cassidy Changes Again.—Harry Cassidy, the Bloomington player, who has been with Toledo, has been sold to Kansas City, a trade being arranged.

Kreig Still Sticks.—Umpire Bill Kreig and President Holland understand each other. He is not trying to dictate where he shall go or how he shall work.

Hope So.—From the present gait Rock Island has struck it looks like the rag would fly somewhere near that place.—Springfield News.

Weston to Quit.—Umpire Weston is anxious to resign and may be allowed to retire after the Decatur series. He has given good satisfaction, and may officiate again next year.

Himes Goes Higher.—Jack Himes, the popular center fielder of the Cedar Rapids team has been sold to the St. Louis National league club and joins them at the close of the Three-Eye league season.

Rockford and Dubuque.—The Rockford people offered great inducements in order to get the Dubuque-Springfield series transferred to that town. They were also after the Dubuque-Bloomington series. For the six games they agreed to give a written guarantee of 500 paid admissions for each week day game and 2,500 for the Sunday game.

Against the receipts Dubuque was to get its share just the same as though the games were played at home. The Dubuque papers, however, fought against it hard. They said it would cast reflection upon their city as a base ball town and hurt the attendance there worse than ever for the remainder of the year.

Offers Berth to Cantillon.—Ted Sullivan, the baseball scout, is authority for a statement that Joe Cantillon, manager of the Milwaukee American association team, is to be offered the management of the Washington American league team for 1906. It is known that Jake Stahl, the present manager of the Senators, has been anxious to lay down the managerial reins for some time, although his handling of the Washington team has been highly successful and satisfactory to the directors of the Washington club.

Players Sign With Dubuque.—Short stop Pat McAndrews and Pitcher Witt, of the Princeton, Ind. Kitty league team have bought their releases and signed with the Dubuque team.

Wins Lipton Cup. Chicago, Aug. 17.—St. Clair, the 21-footer from Detroit yesterday won the last race in the series for the St. Thomas Lipton competitive cup and with its string of three straight victories over the Milwaukee and Chicago boats gained undisputed possession of the classic trophy for another year.

AMUSEMENTS. "The Missouri Girl."—In the half dozen years "The Missouri Girl" has been seen in this city several times and the visit again this season, which is announced for Friday evening will be hailed with delight by the numerous theatergoers who have so long contended that this attraction is the greatest of all comedies and "Zeke" and "Daisy" the funniest of all stage characters. "Uncle Josh."—The most beautiful story of American life told on the stage will be presented at the Illinois Sunday night. The famous play of "Uncle Josh Spruceby" is a story of New England farm life full of fun that keeps the audience in a merry mood through the four acts, and with a vein of pathos that will cause a tear or two to trickle down the cheek. The scene is laid in Vermont and some of the characters are taken from the life and daily habits of the people the author met there. The company presenting the play this season is an efficient one, and in addition to considerable special scenery, a first-class orchestra fills an important part.

ASTONISHING RESULTS. Follow Each New Discovery of Science. The great strides that medical science has made in the last few years is due to the germ theory. When the germ of a disease has been discovered, the doctors have not been slow in finding a drug to kill it. In a few years it will be rare to find a baldheaded man or woman. The falling out of hair is due to a dandruff germ, and now it has been discovered how to kill this germ. The remedy used is called Newbirt's Herpelide. Its success has been marvelous. Not a failure has been so far reported. It is also a delightful hair dressing, free from oil or sticky substances. Try it and be convinced of its actual merit. Sold by leading druggists. Send 10 cents in stamps for sample to the Herpelide company, Detroit, Mich. T. H. Thomas, special agent.

Trick Bicycles. The possibilities of trick bicycle riding have been pushed to the uttermost limit by the accomplishments of the best of the Kaufman family of eight and the Jackson family of seven, both featured in the big program of Ringling Brothers circus this season. These performers have made wheel riding an art. They have conceived movements, the carrying out of which calls for the highest daring and skill, as well as the keenest
