DINING HALL FOR 1,500 FITTED UP AT ARSENAL. Noon Lunch Feature a Winner—Served in the Basement of Shop B.

Carpenters and plumbers are now at work in the basement of shop B at Rock Island arsenal fitting up a new dining hall so that the accommodations will be sufficient for 1,500 men at the noon hour. The kitchen and dining room are equipped by the government under the direction of the commandant. Everything is cooked by steam and all arrangements are strictly sanitary and modern.

The lunch feature, which began with accommodations for only a few hundred, has grown in favor and is a signal success. The men have formed a regular association and each pays an initiation fee of 75 cents, this money being used for the purchase of dishes and supplies, though the alterations and balance of equipment are paid for by Uncle Sam. Each day a detail of men is made for the purpose of waiting on tables.

As the association increases in size the lunch increases in quality and quantity. The men pay 10 cents per lunch consisting of soup, bread and butter, coffee or milk, all they can drink, oyster stew on Friday and occasionally ham sandwiches, doughnuts, and other things.

A Scientific Wonder. The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder. It cured E. R. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of Piles. It heals the worst burns, sores, boils, ulcers, cuts, wounds, chilblains, and salt rheum. Only 25c at Hartz & Ullemeyer's drug store.

Inflammatory Rheumatism Cured in Three Days. Morton L. Hill, of Lebanon, Ind., says: "My wife had inflammatory rheumatism in every muscle and joint; her suffering was terrible and her body and face were swollen almost beyond recognition; had been in bed for six weeks and had eight physicians, but received no benefit until she tried the Mystic Cure for Rheumatism. It gave immediate relief and she was able to walk about in three days. I am sure it saved her life." MOLINE MENTION.

Library a Failure.—The Moline branch of the Tabard Inn traveling library is a thing of the past. Established a couple of years ago in the Emil Helmbeck drug store, Fourth avenue and Fifteenth street, it prospered from the start, and the number of those who sought reading matter from its shelves grew rapidly for a time.

Knox to Move.—E. B. Knox, veteran undertaker and picture framer and for more than 30 years in business on Fifteenth street, between Fourth and Fifth avenues, expects to vacate his present business quarters this week for the business block which he has had erected on the corner of Fifth avenue and Eighteenth street.

After Red Men's Meeting.—Red Men of Moline will make an effort to secure the state convention of Illinois Red Men for 1907 and will also send two degree teams to the convention held this year in Jacksonville, Ill., in July to compete for cash prizes which will be offered. The Red Men state convention is one of the largest meetings in the state and will bring two delegates from every lodge in the state and at the present time there are between 5,000 and 6,000 members to that upwards of 1,900 "redskins" attend these meetings.

Works Merchants.—Again that smooth little 13-year-old girl who duped the merchants about two weeks ago has made her appearance in Moline. This time the drygoods merchants are not suffering, but the grocers. They are being made marks of by this girl scarcely in her teens. The girl began her operations again Friday night and worked a few Saturday morning. As before she entered the stores and would make a purchase of goods. These would be wrapped up ready to be carried away by the young confidence game girl. Suddenly she would think of several other things needed and to the clerk she would say, you can deliver those to my father's home, Fred Johnson, 1717 Fifth avenue, and my mother will pay the bill. She would then pick up the bundle of goods first ordered and walk out of the store ready to work another innocent, while the delivery boy learns that no Fred Johnson lives or ever lived at 1717 Fifth avenue.

South Moline Nominations.—The republicans of South Moline held their caucus for the purpose of placing in nomination a ticket for the coming election Saturday night at the Greenell school house. There was a large crowd out to the caucus, but the only contest was for the nomination for supervisor. The other candidates nominated were as follows: Supervisor, G. L. Peterson; town clerk, Nathan Erickson; assessor, A. E. Burgholtz; collector, Gus Scott; highway commissioner, E. L. Cox; justice of the peace, J. Q. Stultz; constables, C. J. Hawley and J. B. Biebingler. Frank Clendenen presided over the meeting and W. P. Hunt acted as secretary.

Wagner Closed.—The performance last night was the last given at the Wagner under the present management, and it is probable that the house will be closed for the remainder of the season at least. Vaudeville entertainments have been given at the old opera house for several weeks, but the venture has not been a financial success.

Form Improvement League.—Residents of Fairview met Friday evening and formed the Colona Avenue Civic Improvement League. Quite a great deal of interest was manifested in the meeting, and the following officers were elected: President, W. J. Stewart; vice president, Charles King; secretary, John Parks; treasurer, John Stark; corresponding secretary, W. J. Stewart.

Backache, "The Blues"

Both Symptoms of Organic Derangement in Women—Thousands of Sufferers Find Relief.

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts"? These significant remarks prove that the system requires attention. Backache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some derangement of the organs. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women. It has been the standby of intelligent American women for twenty years, and the best judges agree that it is the most universally successful remedy for woman's ills known to medicine. Read the convincing testimonials of Mrs. Holmes and Mrs. Cotrely. Mrs. J. C. Holmes, of Larimore, North Dakota, writes: "I have suffered everything with backache and female trouble—I let the trouble run on until my system was in such a condition that I was unable to be about, and then it was commenced to use Lydia E. Pinkham's Vegetable Compound. If I had only known how much suffering I would have saved I should have taken it months sooner—for a few weeks' treatment made me well and strong. My backaches and headaches are all gone and I suffer no pain at my monthly periods, whereas before I took Lydia E. Pinkham's Vegetable Compound I suffered intense pain."

Mrs. Emma Cotrely, 109 East 12th Street, New York City, writes: "Dear Mrs. Pinkham:—I feel it my duty to tell all suffering women of the relief I have found in Lydia E. Pinkham's Vegetable Compound. Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills."

avenu of dropsy. He was 83 years old. He leaves four sons and two daughters. W. H. Griffith, formerly of this city, died at his home in Colona Saturday. He moved from this city to Colona about two years ago and has been conducting a general store. While a resident of this city he conducted a store on Fourteenth street, between Fourth and Fifth avenues. He was a member of camp 38, M. W. A., and the lodge will have charge of the funeral.
