upon its Bonds of Suretyship is the fixed rule of the American Surety Company of New York. Without quibble or technical objection, and with only such delay as careful examination of proof requires, losses are promptly paid, the check being often mailed the same day the claim is filed.

On Personal Security, recovery necessarily takes time; with the American Surety Company of New York, recovery upon proof of loss is certain and immediate. Such quick action often saves a bank from closing its doors, or a firm from going into bankruptcy.

GAMES TOMORROW.

Springfield at Rock Island.

Decatur, Ill., May 21.—In a rally in the ninth inning Decatur yesterday afternoon won from the Islanders after the game appeared to have been tucked away in Manager McConnell's pocket. Scott essayed to pitch, but after three runs had been made off him Lakoff was called to the firing line in the hope that he would keep the home team safe. The change seemed to be destined to win, as the southpaw was invincible till the ninth. In the meantime the Islanders had improved their chances, in the eighth batting in three runs and getting the lead. But in the ninth a bobble and bunched hits gave Decatur two runs with only one out.

Swalm Hits Some.
Swalm's hitting was a feature, the right fielder getting a single, double and triple. Gibson, who did the twirling for the home team, is the man who was given to Manager Lewee by the Rock Island management. Score: ROCK ISLAND, R. H. P. A. E. Swalm, rf, 2 3 2 0 0. COME HOME AGAIN

Islanders Return Upon Close of Decatur Series Tonight. SENATORS HERE TOMORROW

Fans Are Eager to See Spanton in Islander Uniform—Facts Are Out As to How Secured.

With the conclusion of today's game the Islanders conclude their series away from home and if they should be successful will return with half their games, but whatever way they come, it is known that they have been playing acceptable ball. Springfield will open the home series with the Islanders tomorrow. An off day is arranged on the schedule, but the special privilege has been granted the Senators in order that they may get back home to play the New York Giants.

Eager to See Spanton.
As Spanton joined the team on its tour he is as yet unknown to the fans, and there is considerable anxiety to see him in the Islander uniform. Spanton played in his first professional engagement last season with the Grand Forks team of the Northern league. In 34 games he batted .286 and fielded .980, being eighth in batting and third in fielding in the league. Last October the Rock Island management offered Hagerman to Grand Forks for a manager in trade for Spanton, but the Northern leaguers replied that they would not let Spanton go.

Got Him Anyhow.
March 7, the day that Redmond first intimated that he would not report, President Sexton received a letter from Spanton, asking for information regarding the time when clubs must tender formal contracts to players. The rules provide that failure to tender formal contracts on or before March of each year operates as a release of players. President Sexton, knowing the situation, immediately entered into negotiations with Spanton and landed him against spirited bidding by Manager "Spike" Anderson of Winnipeg, who managed Grand Forks in 1905 and knew Spanton's ability. The player had remarkable success as captain and coach of the MacAlester college team in St. Paul, Minn., finishing his duties there on the evening of May 15. He immediately joined the team at Springfield.

O'son Defeats Burns.
Ashville, N. C., May 21.—Charles O'son of Asheville defeated Farmer Burns of Iowa for the light heavyweight championship of America in a catch-as-catch-can wrestling match.

Postmaster Robbed.
G. W. Fouts, postmaster at River-ton, Iowa, nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for 11 years." Sure cure for biliousness, neuralgia, weakness and all stomach, liver, kidney and bladder derangements. A wonderful tonic. At Hartz & Ullemeyer's drug store. 50c.

Deaths from Appendicitis.
Decrease in the same ratio that the use of Dr. King's New Life Pills increases. They save you from danger and bring quick and painless release from constipation and the ill growing out of it. Strength and vigor always follow their use. Guaranteed by Hartz & Ullemeyer, druggists. 25c. Try them.

DOPE FOR THE FANS.

Ladies' day tomorrow. Thirty-five thousand fans crowded into the West Side grounds at Chicago yesterday to see the Cubs trounce the New York Giants in the opening game of the series. It was the largest audience that ever saw a ball game at Chicago. Thousands were unable to gain admittance.

Umpire William Milan, who officiated in the Three-Eye league, and whose serious illness with consumption has been previously noted, died Saturday at his home at La Salle, Ill.

The Decatur management is still keeping the wires hot. Second Baseman Gardner, who was awarded to Beaumont, Tex., after a contest in which Donnelly claimed the player, has been purchased by the Des Moines Western league management.

Manager Donnelly has released Pitcher Jockharst and he has gone to John Mattoon. Oberlin, the former Senator pitcher, has won nearly every game he has pitched for Milwaukee this season. Weisenberger, also a former Springfield pitcher, is doing good work with Terre Haute, but often is poorly supported.

The proposition to transfer three games from Cedar Rapids to Decatur this week has been dropped. Decatur would have to give Cedar Rapids a Sunday game in order to arrange it. Decatur Herald: There are eight

miracles of the world now. Bloomington beat "Cy" Swalm yesterday, and "Cy" is the clobbery slob who shut Decatur out last Sunday without a hit. Moses parting the waters of the Red sea to let his army walk through is a cinch compared to the performance of the Bloomers yesterday.

Peoria has released Boyle and Asher, both pitchers. The latter will probably join the Clinton Independents.

WHAT CAUSES DANDRUFF.
Greatest European Authority on Skin Diseases says It's a Germ. The old idea that dandruff is scales of skin thrown off, through a feverish condition of the scalp is exploded. Prof. Unna, Hamburg, Germany, European authority on skin diseases, says dandruff is a germ disease. The germ burrows under the scalp, throwing up little scales of cuticle, and sapping the vitality of the hair at the root. The only hair preparation that kills dandruff germs is Newbro's Herpicide. "Destroy the cause, you remove the effect." Not only cures dandruff, but stops falling hair and permits a luxuriant growth. Delightful hair dressing. Sold by leading druggists. Send 10c in stamps for sample to the Herpicide company, Detroit, Mich. T. H. Thomas special agent.
