

### DAVENPORT DOTS.

**Smith Legally Dead.**—Legally Samuel F. Smith is dead, the fact being brought to mind by the report of the administrator of his estate. The report was approved by Judge Barker, the discharge of the administrator ordered and the estate declared closed. The interesting feature is that the procedure is exactly the same as though Mr. Smith were mouldering under 10 feet of earth, instead of waxing fat at Anamosa.

**Dressmaker Brings Charges.**—Kittie Burns, a dressmaker, has sworn out a warrant in Justice Hall's court, charging Gilbert M. Brown with the crime of obtaining goods under false pretenses. It is alleged that Mr. Brown went to the home of Mrs. Burns to secure a garment which she had made for his wife. He presented her a check in payment and later, so it is alleged, notified the bank on which the check was drawn, not to cash it.

**Increase Surplus.**—At Monday's meeting of the directors of the German Savings bank, a semi-annual dividend of 5 per cent, payable Oct. 1, was declared, and \$50,000 was added to the surplus of the bank, from the undivided profits. This increases the bank's surplus from \$250,000 to \$300,000, and increases the maximum of its authorized loan under the law to a single borrower. It also shows the prosperous condition of the bank, which has been sufficiently evidenced from its published statements from time to time.

**Ladies in Runaway.**—Mrs. Lowry, the aged mother of Mrs. Louis M. Dodge, 114 Bridge avenue, and Miss Sears participated in a runaway accident about 3 o'clock Monday afternoon that ended far less seriously than spectators feared. The two ladies were taking a drive, when on East River street near the railroad crossing, a dirt wagon, driven by two boys, collided with their buggy. The single tree of the buggy was broken as a re-

sult of the collision and the horse became so frightened that it ran away. The two ladies were thrown violently to the pavement, while the horse continued its dash west on Third street, nearly to Brady before it was caught. Assistance rushed to aid the ladies, and it was feared that serious injuries would result from their violent fall. They were taken to their home and Dr. Cantwell was called. He discovered that Mrs. Lowry was unhurt beyond the bruises and the shock, and Miss Sears sustained no more serious injuries than a cut over one eye.

**Packet Employee Stole Watch.**—George Johnson, colored, was arrested in Davenport by Officer Mundt as a fugitive from justice. Johnson was employed on the steamer Columbia, which runs between Davenport and Burlington. While thus employed, he entered one of the staterooms on the boat and stole a watch belonging to a lady passenger. Johnson has admitted his guilt and will be taken to Burlington for trial, that being the home town of the lady who owned the watch which was stolen.

**Obituary Record.**—J. W. Olds, living on the Middle road about four miles from Davenport, has received a telegram announcing the death of Mrs. Old's brother, James LaGrange, at his home near Grand Junction, Col. The dispatch states that Mr. LaGrange died very suddenly, and the news of his death was a great shock to his relatives here, as he was expected here for a visit the latter part of this month. Mr. LaGrange was formerly a long time resident of Pleasant Valley, and later of Big Rock, from where he moved to Colorado about two years ago.

**Rheumatism Cured in a Day.**—Mystic Cure for rheumatism and neuralgia radically cured in one to three days. Its action on the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits; 75 cents and \$1. Sold by Otto Grotjan, 1501 Second avenue, Rock Island; Gustave Schlegel & son, 220 West Second street, Davenport.

### MOLINE MENTION.

**Business of Woman's Club.**—At a meeting of the executive board of the Woman's club of Moline, yesterday it was voted to accept the terms of the trustees of the First Congregational church for the use of the auditorium and basement for the monthly and open meetings during the club season. The adoption of the card index system to keep the records of members was also ordered. The philanthropic department for the new club year was organized by the appointment of the following officers: President, Mrs. A. T. Foster; Vice President, Mrs. E. B. McKeever; Treasurer, Mrs. Fred Savage. The music department has made definite arrangements for the holding of a concert in the First Congregational church Oct. 15, and Mrs. Genevieve Clark Wilson, the noted singer of Chicago, will appear on the program. A small admission fee will be charged to meet the expense of this concert. The initiation fee for new members was fixed at a dollar for the coming year. The following names were voted on and adopted: Moline, Mrs. J. C. Tunnicliff, Mrs. J. Frank Effland, Mrs. H. M. Oldefest, Mrs. J. T. Lang, Mrs. D. A. Leach; Davenport, Mrs. E. M. Reading; Rock Island, Mrs. Louis Mosenfelder, Mrs. Presley Greenawalt.

**Stop Running to Island Oct. 1.**—Cars on the Watertown interurban will be run to Campbell's island only until Oct. 1, and after that date there will be a 20-minute service to Watertown from 7 a. m. to 11:40 p. m. The first morning car will leave the barn on Sixteenth street at 5:30 and every 30 minutes thereafter until 7, when the cars will leave on the hour, 20 minutes past the hour and 20 minutes of the hour throughout the day until midnight.

**Will Invite State Meeting.**—At a large and enthusiastic meeting of St. George lodge, K. of P., it was voted to instruct the representatives of the local lodge to the grand lodge meeting to be held in Chicago Nov. 8, to use every effort to secure for Moline the grand lodge meeting to be held next October. This action was taken after carefully considering the matter and the local members are satisfied that enough money can be raised for the proper entertainment of the delegates.

**Former Resident Killed.**—John Olson, formerly of this city, was killed in Victor, Col., last Wednesday by falling down a shaft in a gold mine. Details of the fatality are extremely meagre as the relatives in this city only received a message stating that he had been killed. Mr. Olson with his wife and one child left Moline about one year ago and went to Colorado, where he has since been engaged in gold mining. He was a member of the Viking lodge of this city and has a large number of friends in this city.

**Auto Frightens a Team of Horses.**—A team belonging to Butcher Tyler of Rapids City took fright at an auto while hitched on Fourth avenue at Fifth street yesterday afternoon and ran east for two blocks. At Seventh street the horses were unable to make the curve and crashed through the fence before a residence and brought up against a tree, smashing the rig and cutting themselves.

### EIGHT DEGREES ABOVE AVERAGE WAS RECORD

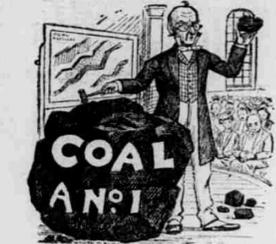

Last Week's Temperature Unusually High—Rain in Northern Part of State.

The weekly weather bulletin summary for the week ending Sept. 24, in Illinois follows:

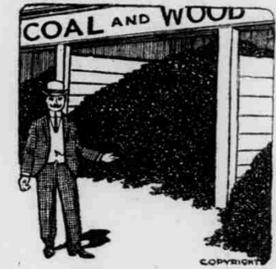

Much bright sunshine prevailed during the week ending Monday, Sept. 24. The temperature was considerably above the seasonable average, the excess in daily mean temperature averaging 8 degrees. The week opened warm with maxima of 90 degrees and over. At the close of the week minima about 59 degrees were registered in the central and the northern districts.

Rainfall occurred on several days in the northern half of the state. Measurements in excess of an inch were recorded on the 19th or 20th at Chicago, Dwight, Elgin, Monmouth, St. Charles and Sycamore. At Monmouth the total for the week was 4.80 inches, of which amount, 4.18 inches occurred in 1 1/2 hours. Rain is needed in the central and southern districts, the soil in many places, being too dry for fall work.

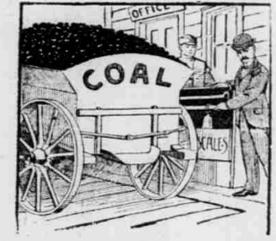

As the season grows toward a close a statement relative to the dates of occurrence of killing frosts is opportune. The interval between the last killing frost in spring and the first killing frost in autumn averages about 176 days. The interval is longest in the southern, and shortest in the northern district. The average dates of the last killing frosts in spring are as follows: Southern district, April 12; central district, April 22; northern district, April 29. The following are the average dates of first killing frosts in autumn: Southern district, Oct. 18; central district, Oct. 11; northern district, Oct. 9. The latest killing frost in spring ever recorded in the southern district was May 14, and the earliest in autumn, Sept. 14; in the central district, the latest killing frost in spring, June 6, and the earliest in autumn, Sept. 14; in the northern district, the latest killing in spring, June 8,

**Mueller's "M. L." Coal**  
Produces more HEAT and contains LESS ASHES than other coals at same prices.

**Shed Protected Coal**  
Weights less than rain soaked coal, a saving of 3c per bushel, 75c per ton, at least. Our coal is forked, free from dust and dirt.

Sheldon J. Woodin to Catherine Dower, lot 5, block 1, in Woodin's Second addition, Rock Island, \$1,500.

### Effect of Worms

Worms clog a child's entire digestive system and hinder development, both mental and physical. In some cases, death has been traced directly to worms forming a knotted mass in the intestines. If your child shows symptoms, remedy before it is too late. Chief among these are foul breath, dark circles under the eyes, flushed cheeks, picking at the nose, bed-wetting, disturbed sleep, peevishness, craving for indigestible food, grinding the teeth, feverishness, sour stomach, fits and convulsions, etc.

### KICKAPOO WORM KILLER

is the easiest, safest, surest remover of all seat, pin and stomach worms. It is a candy tablet—cannot harm the tenderest child. Gives lasting benefit by sweetening and toning the entire system. Mrs. Mabel White, Readesboro, Bennington Co., Vt., writes: "Last winter, Kickapoo Worm Killer saved my oldest child's life. He was taken sick and I thought he was going to die. I tried almost everything, but it did no good. Finally Mrs. A. F. Hising, our druggist's wife, told my husband about Kickapoo Worm Killer. We then tried it and the boy passed a stomach worm eight inches long. A short time afterwards, he passed another. I know that Kickapoo Worm Killer saved his life. If people who read this do not believe that it is genuine they can write directly to me and I will answer them." Kickapoo Worm Killer will do this for your children. It is also a wonderfully efficient remedy for all stomach and intestinal troubles of adults. 25 cents a box, druggists or by mail. Samples and advice free.  
**KICKAPOO MEDICINE CO., Clintonville, Conn.**
