COURT SEVERS THE BONDS

HEAR YE! HEAR YE! HEAR YE!

Divorced for the third and last time, not from my wife but from my money, which is worse. From now on I quit all my bad habits, turn over a new leaf and pay all my attention to the spot that cuts everybody's prices square in two. Don't laugh now for I am here to show you. JONES, the meanest man in our old town, But not in Daven-

What kind of business is he in? Everything! Is that so? Has he been here long? Yes; over twenty years, I think. They say his money never runs out, when it comes to buying your household goods. Household goods sold on payments. Also loans made on household goods, pianos, diamonds, jewelry, guns, bikes, musical instruments, hardware, clothing, furs, silks, horses, wagons, buggies. Small loans on houses and lots, say from \$25 to \$300 and payments to suit. We make a specialty of exchanging your old stove for a new or second hand one. Come and get your pick out of 200 stoves, ranges, and heaters, all guaranteed. Now then, if you don't like to come into my store just call me up by phone as we have both, and order me around to suit yourself. It will be all right with Johnny. All things are private. Household goods sold on payments. Open every evening. Good prices paid for old gold and silver.

Will buy notes and mortgages. Once more on the stove businessif you can't make a better trade or buy the same stove cheaper from me than any other place in the three cities-then cut me off your list. Goods sold on commission. Household goods stored, Remember, I don't bar anybody out of my store, so good by. I wish you all well.
